"WELCOME SOAP is just the thing,"  
"Strong and pure, its action mild,"  
"GOOD FOR BEAST, OR MAN, OR CHILD."

We regret that we are unable to reproduce here the very clever and well drawn sketches that illustrated the last line of above extract from the prize Essay of Master A. Cameron Van Buskirk of Bridgeport, N. S., 11 years old.

The boy reflects exactly the verdict of all housekeepers that have tried it:

**Strong and pure, its action mild**

Good for beast, or man, or child

**—But best of all for—**

**The laundry and all household uses**

**Buy Welcome Soap—**

**PRINCE EDWARD ISLAND**

And Its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, and the scenery is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, it enjoys all the coolness of the sea breeze, and the advantages that can only be derived from sea bathing, at about 65 degrees.

Charlottetown has over 12,000 inhabitants, and is the capital. It has many great retail stores, besides a large wholesale trade. It has a Gas Light and Power Company, two Electric Light plants, and a street railway in embryo. It has a first class water works and sewerage system. It is famed for its wide and shaded streets, its many pleasant drives, the principal of which is the new Park Boulevard, its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park. Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, Queen, and Keever.

Summerside has about 4000 inhabitants. It is situated on beautiful Bedeque Bay. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. The hotels are—Clifton, Russ, and Campbell.

Georgetown and Souris have a population of about 1,000 each. In the former are the Aitken, and Tupper hotels and in Souris the Sea View.

At Cape Traverse, a very pleasant summer resort, is the Lansdowne hotel. In Alberton, the Albion Terrace and Winsler. In Tignish the Railway; in Kensington, Clark's and Commercial; in Montague, McDonald, and in Mount Stewart, Clark's and Manson.

The following hotels open for the summer season: At Hampton, Pleasant View; at Stanhope, Mutch's; and Cliff. At Brackley Point, Shaw's; at Rustico, Seaside; at Malpique, North Shore; at Tracadie Beach, Acadia; at Alberton, Seaforth, and at Pownal, Florida.

In addition to those already mentioned there are other towns and villages in the Province with hotel accommodations, while many farm houses prepare for the reception of tourists. The rivers and streams teem with trout, the bays with mackerel, while game of almost every description abounds.

N. B.—Visitors to Prince Edward Island, who desire full information regarding hotels and boarding houses, trains, boats, livery stables, etc., and how to reach the different seaside and country resorts, fishing places, etc., can obtain the same by writing to or calling on Messrs Johnson & Johnson, Druggists, Prowse Block, Charlottetown, and Mr. D. K. Currie Water St. Summerside, where all information will be cheerfully given free of charge. All hotels and farm houses having accommodation should register at the above places at once, stating charges, nature of accommodation, locality, and such matters as tourists would like to know about.

Gunner Napoleon Comtais of the R. C. A. Cured by Dodd's Kidney Pills. Quebec, July 3.—Napoleon Comtais, gunner, No. 3 Company of the Royal Canadian Artillery stationed at Citadel here, considers himself a lucky man. He will wear the queen's uniform for years yet. He expected at one time that kidney disease would necessitate his quitting the service. But he heard of Dodd's Kidney Pills. Gunner Comtais received a letter recently asking about his cure. He replied as follows. Royal Canadian Artillery Library Quebec, June 1st, 1899. Dear Sir.—I received your letter and hereby certify that I was cured of Kidney Disease by Dodd's Kidney Pills. By them I can be a soldier a few years yet. Gunner N. Comtais, No. 2 Co. R. C. A. Quebec

**When Travelling**

Always take with you a bottle of Dr. Fowler's Extract of Wild Strawberry.

The change of food and water to which those who travel are subject, often produces an attack of diarrhoea, which is as unpleasant and discomfiting as it may be dangerous. A bottle of Dr. Fowler's Extract of Wild Strawberry in your grip is a guarantee of safety. On the first indication of Cramps, Colic, Diarrhoea or Dysentery, a few doses will promptly check the further advance of these diseases.

So, too, it is a specific for sea sickness, relieving the nausea, stopping the vomiting, settling the stomach and bracing up the weakened heart. Dr. Fowler's Extract of Wild Strawberry is being more widely and shamelessly imitated this year than ever before by unscrupulous pharmaceutical concerns who hope to profit by the high reputation of this remedy. Your safety lies in seeing that the full name, Dr. Fowler's Extract of Wild Strawberry is on every bottle you buy.

**Artificial Teeth on Metal Plates**

A dentist who knows his business, and one that has any regard for his patients will always advise them to have a metal plate.

Prof. MELVILLE B. BUCHLEY,  
Instructor Boston Dental College, Boston Mass.

In view of the vast amount of injury done to the mouths of wearers of rubber or vulcanite plates, by the retention of undue heat, owing to the non conductivity of rubber, and as aluminum is now so cheaply produced and making as it does a rigid, light, clean, unobjectional plate there seems no reason why any person should wear a rubber or vulcanite plate. Not only this, but better results in fit and adhesion are obtained in difficult cases, than in the use of rubber.

L. P. HASKELL, D. D. S.  
Chicago Ill. Dental School

The above quotations are from hundreds by eminent dentists whose close observation in many years experience in plate work has learned them the many advantages of metal over rubber.

Many persons who are compelled to wear artificial teeth on a plate find that the ordinary plate causes heating of the mouth, bad taste, shrinkage of the gums, etc., finally causing the plate to get loose, sometimes sore lips, sore mouths and sore throats, and caused directly from the wearing of an ordinary plate.

We recommend a Metal Plate either of Gold, Platinum, Aluminum. It is a conductor of heat and cold, it is non-irritating, and is thinner, lighter, and stronger than any other plate.

We have testimonials from persons for whom we have made metal plates—not one would wear an ordinary plate again. You can have your impression taken, and a metal plate made same day fully guaranteed because we make them ourselves, and know all about the material used. Call and see specimens of our work. Every piece of work done by us must give entire satisfaction to the patient, else we will not allow it to leave our office.
