SPRING CLEAN-UP — Spring cleaning seems the order of the day throughout the city, on the streets, in the homes and in the yards. Property holders are having the traces of winter removed from their premises. Lawns are being cleaned up and back yards cleared of rubbish. House cleaning is also general. During the past week much work has been done on the city streets. Everywhere preparations are being made for the summer season.

MARITIME WOMEN'S CLUB — The landing and settlement of the United Empire Loyalists in New Brunswick 150 years ago was the subject of a paper read by Mrs. H. E. Tanner at the meeting of the Maritime Women's Club in the Windsor Hotel, Thursday night April 13th, when the program was contributed mostly by members. A good deal of interest was taken in the results of the poetry and snapshot contests held by the club. The \$10 prize for the best poem was awarded to Miss Anne Fraser, for her contribution, entitled "Laughter"; Miss Fraser also received honorable mention in the contest.

Will the cars run next summer? Is what's worrying not a few, Listen for one minute and I'll tell you what we'll do.

We'll go and get new "number plates," Our engine we'll oil well, We'll fill the tank with the best gas, And we'll drive like "merry-ell."

We'll spend all our money Buying tires, oil and gas, And when we can't get credit We'll "coax" them with some grass.

The last few years times were hard, But people made it out, Despite "Depression" everyone Is cheerful, clean and stout.

Sure the cars will run next summer, Also the aeroplanes, The tractor and the motor boat, Will all go, just the same.

We'll also drive our horses, The pride of all man-kind, With a white light on the saddle And a "red one" on behind.

Just a few more words I'll say, "My friends" you'll agree its true, A car-drive does a power of good When we are feeling blue.

We'll go down to the old mill stream, We'll take our fishing rod, If your health is good, and enough to eat Just thank "Almighty God," "WITHAL."

Discarded Christmas and New Year's cards were collected by the school board extension department of the public schools of Milwalkee, Wis., this year, to be used for art training at social centers.
