

Enemies of Tea

If tea is left open near oranges, soap, spices, matches, etc., the tea will take on the flavor of any of these articles.

In fact, tea absorbs odors as readily as does butter. This is because it becomes so dry and brittle in passing through the firing or drying oven that it becomes very sensitive to the moisture and odors in the air.

When loose in the chest or bin or bag it quickly loses flavor and strength. Tastes flat, weak, old; dear at any price.

This is why Red Rose is never sold in bulk—but always in sealed packages. The armour that keeps out dust and odors and keeps in the flavor and strength.

The price printed on the package protects you against overcharge. It is the lowest price for which a tea of Red Rose quality can be sold—a price which allows the grocer only a fair profit.

You will enjoy the distinctive flavor and rich strength of Red Rose Tea. Try a package.

The sad news of the death of Dr. Edward S. Blanchard, Superintendent of Falconwood Hospital, who passed away at his home about 8 o'clock on Sunday evening, will be learned with deep regret by many. The doctor had been in delicate health for some time and his illness assumed a serious character during the last ten days. Dr. Blanchard was a warm hearted and very affable gentleman, whose memory will be long cherished by those who knew him best. He was born near Windsor, N. S., sixty-eight years ago, but spent the latter half of his life in Charlottetown. He is survived by his widow and a son and daughter, Mrs. George Mahon, of Halifax, and Lieut. MEMORIAL SERVICE.—A memorial service was held in Malpeque Church last Sunday June 17 a.m., in memory of the brave boys who gave their life for their country's safety during the last year; namely: Earl Lockerby, John Gougan, and Fred Mathews. The Church being filled to overflowing. The music being appropriate and of a high order, was a pleasure to listen to. Rev. J. M. Murchison preached an able and eloquent sermon from the words, "Greater love hath no man shown than to lay down life for his friends." Mr. Murchison dealt principally along the lines of the courage and heroism of our sons leaving comfortable environment to face death to save their fellow countrymen; such as our Savages did while here on earth long ago. Another interesting event of the Service was the unveiling of a Memorial Tablet in honor of the volunteers who left for overseas service in this vicinity. Much credit is due Mrs. (Dr.) Keir for the artistic way in which she prepared this Tablet by her own hand painting. The Tablet was unveiled by Mr. Alex. McGowan who has four sons in the trenches. The service throughout was very interesting, and will be a Memorial for those who had the pleasure to be present.

Somers has been thirteen months in the firing line and so far has escaped without a scratch. From the number of souvenirs which he found on the battlefield and sent home to his parents there is no doubt but he has gone through many thrilling experiences. His many friends wish him a safe return. Kensington has the proud of so many brave young men that has gone to fight for King and Country from such a small town.

Mont Carmel was en fete yesterday when Premier A. E. Arsenault made his first public appearance in his new official capacity. From every house flags were gaily spread for the breeze as the new Premier made his appearance among his constituents. The whole parish turned out in force to do honor to Hon. Mr. Arsenault.

It was St. John the Baptist Day, the national Feast Day of the French Canadian people, and the celebration was therefore all the more enthusiastic.

The new Premier was made the recipient of an appropriate address, congratulating him upon the honorable position to which he had attained. He made a fitting reply, warmly thanking the people for their kind welcome and laudatory remarks. Premier Arsenault was accompanied by Mr. Adrien Arsenault, barrister, of Summerside, and among other visitors present was Rev. S. Tessier, Professor of Philosophy at St. Joseph's University, New Brunswick, who also gave an excellent address, extending hearty congratulations to the new Premier. After the presentation of the address to the Premier a reception was given by Rev. P. P. Arsenault at the parish house "O. Canada" was enthusiastically sung and "Ave Maria Cella" was rendered with great spirit by the choir. "The National Anthem" brought to a close an event which will long be remembered in Mont Carmel.

TUESDAY
A TRIBUTE.—The Central Butte Beacon, of Saskatchewan, makes the following reference to the death of Mr. C. F. Mathieson will be sworn into office before Mr. Justice Fitzgerald. There will be two criminal cases on the docket, James Henry Weeks for larceny of flour from J. A. Farquharson, and John M. Stewart for receiving the flour knowing it to have been stolen.

PREMIER ARSENAULT ASSUMES DUTIES.—The Honorable Premier Arsenault, formally took over the duties of his new office yesterday and is busily engaged in making himself acquainted with the details of the office. He has received a very large number of congratulatory messages from all over the province and from throughout Canada, all testifying to the popularity of the appointment. Premier Arsenault gave a number of personal interviews to leading citizens yesterday afternoon, who offered felicitations on his appointment.

VALUABLE TWO YEAR OLD.—Mr. Judson Blackmore of North Bedouque is the owner of a very handsome two year old colt which took two first prizes at the Prince County Exhibition and looks to be in a fair way for the third first prize. He is sired by that beautiful pacing stallion Calyone, owned by Mr. Robert Baker North Bedouque who has reason to be proud of it. He also has a very handsome filly, sired by Acadian from the same mare, which promises to be a very fine trotter also. Mr. Blackmore has sold it for a handsome sum.

NAUFRAGE HARBOR.—Regarding Naufrage Harbor recently mentioned in the Guardian, it ought to be said that a movement is on foot in that locality to have the harbor dredged, as the depth of water at the entrance is hardly sufficient for ordinary purposes. It is claimed that the breakwater on the west side of the harbor which extends out considerably farther than that on the east side cause the sand to accumulate in the entrance making ingress at low tide almost impossible and this could be remedied by dredging the harbor, and making the eastern breakwater of equal length with the western one. Naufrage (which is the French word for shipwreck) is a place of some historical interest, being the site of a French settlement traces of which may still be seen and many relics of the settlers have been found such as French coins, household utensils etc. Here the first Roman Catholic Chapel in this part of the country was built by Bishop McEachern in 1806 on the farm now occupied by Angus J. McDonald where the site of the chapel and cemetery are still pointed out. Here dwelt Hon. John McLaughlin, member of the Colonial Legislature and one of the pioneers of Responsible Government. The late Lieutenant Governor McIntyre was a native of Naufrage as well as his brother Rev. A. J. McIntyre of Kinkora. A Naufrage boy Daniel O'Hanley was one of the first to enlist for overseas service and has been in the trenches in France for the past two years having escaped so far without being wounded. It is confidently expected that with the growth of the fisheries, as the years go by, Naufrage will become the trading centre for a large part of the surrounding country.—E.

Saves Shortening

One of the first things you notice, after "Beaver" Flour comes to your house, is that you are using less shortening than you used with western spring wheat flours. You also notice that the Pie Crusts, Cookies and Doughnuts are lighter and flakier—that the Bread Rolls and Biscuits have a delicate flavour, a delightful, nut-like, homey flavour that is doubly welcome after the tough, almost tasteless bread you used to make with western spring wheat flours.

BEAVER FLOUR

Milled of Blended Wheat

is really two flours in one, for two kinds of wheat are used in blending. "Beaver" Flour contains the choicest Ontario winter wheat, strengthened with western spring wheat.

This gives you the finest pastry flour that can be milled—with the right strength to make a good size loaf of bread or a big pan of snowy Rolls.

More than that, everything made of "Beaver" Flour has a deliciously appetizing, nutlike flavour that is entirely lacking in the strong, western spring wheat flours.

Try it yourself—see how you save shortening—see how you come to depend on the even strength and quality of this famous flour—see how everything tastes so much better. Your dealer should have "Beaver" Flour—or will get it for you.
