The Guardian has received from Parkman Jenkins, Hillsboro, a cherry blossom and two cherries which have grown on the same tree in his orchard and on which there are fully ripe cherries. This is an unusual occurrence at this season of the year as the cherry season is almost over.

The market this year has been exceptional in many ways. Some time since there was being offered for sale at the one time strawberries, raspberries, cherries, blueberries, currants and gooseberries and yesterday cherries were being offered. They are a late variety of black cherries and are likely to be in the market for some days yet.

When going away from home, or at any change of habitat, he is a wise man who numbers among his belongings a bottle of J. D. Kellogg's Dysentery Cordial. Change of food and water in some strange place where there are no doctors may bring on an attack of dysentery. He then has a standard remedy at hand with which to cope with the disorder, and hereafter he can successfully fight the ailment and subdue it.

Be sure to come to New Worrderland to-night to travel over "The road of Love" and see "Mighty Matt" and the Phantom Games.

Anyone wishing a portrait painted should write to A. Alex. McLeod, Eldon, Belfast, at once. He is now offering high class paintings to Islanders at just one half the regular rates, or one hundred dollar life size portraits in oil for fifty dollars, fifty dollar pastels, same size for twenty-five dollars, and same size in free hand crayon for ten dollars. Those who do not know what they want will learn of something of interest by writing him at once.

Advance Showing ---OF--- Autumn Furs

There's a tang in the air—a touch of delightful, tonic sharpness that tells us the fall is near. A tad to say fall—brings before us furs. To-day we invite you to a showing of the first shipments of the finest stock of furs that will be brought to Charlottetown this season. We want you to see the lovely new minks the rich Fox, the softly elegant Martens the handsome and durable Sables and the immense range of cheap and medium price furs. We have been selling a lot of furs already—and to our American friends and customers we want to say that the saving in buying furs in Canada is very great—and the saving in buying furs right here is considerably more also.

The Autumn style book, with any fifteen cent pattern costs only 20c That is an offer that every woman who does home sewing should consider—and avail herself of it.

See the new models in pretty school dresses for girls of various ages and sizes.

We have a sample line of pretty dresses that we would like your opinion upon. They look extremely good to us—and the prices especially are very moderate. See them—if you would like one for your little girl we will telegraph for it.

Mattress Making

I have the only power machine in the Province or picking and dusting old hair, wool, flock and other mattresses. Any kind made over equal to new a moderate cost.
