PRESBYTERIAL

(Continued from page 3)

P. MacLeod; and the mission bands' secretary, Miss Margaret MacDougall. Kensington Mission Band with 81 points for the year's work won the banner. Geddie Memorial and Zion Bands were close seconds with 80 points.

Members of St. James Mission Band gave a short exercise and two chorus numbers. The smallest member, Miss Phyllis Clark, sang as a solo Jesus Loves Me.

The financial report was given by the treasurer, Mrs. James Jardine, who reported an increase over last year. St. James W. M. S. led in contributions.

Mrs. Arthur Roper of Zion choir sang Carey's Nearer My God to Thee.

Rev. G. C. Webster who attended the 68th General Assembly of the Presbyterian Church in Canada was the guest speaker. He brought from those meetings many items of interest to the W. M. S. and to all presbyterians. The war has depleted the Presbyterian ministry of 10 per cent of its men; many students for the ministry have also joined the armed forces; there are 60,000,000 souls who subscribe to the Presbyterian form of doctrine; the church looks upon the W. M. S. of the eastern and western division as great aims; much progress has been made in mission work in the mining sections of Northern Ontario and Quebec; 1000 U. S. A. men gone to Newfoundland have asked for a Presbyterian minister to serve them; the work among the Hungarians, Austrians, Chinese and Italians in Canada goes on apace; Canadian missionaries to the Japanese-controlled countries have been compelled to withdraw but their work is being carried on by native teachers; in the three fields in India and in British Guiana the work is rapidly expanding; the church is taking a small part in the support of the missions of conquered European countries; plans are being made to wipe off the church's deficit and for increased work after the war is over.

Miss Mary Irving read a report of work being done in China.

In the absence of Dr. A. O. Thompson, Moderator of the P. E. I. Presbytery the greetings of Presbytery were brought by Rev. T. H. B. Somers.

The report of the nominating committee was read by Mrs. W. A. Stewart and the officers were elected as follows:—

President—Mrs. G. C. Webster, Charlottetown.
1st vice president—Mrs. Mary MacLean, Charlottetown.
2nd vice president—Miss Katie MacEachern, Eldon.
3rd vice president—Mrs. William Verwolf, Summerside.
4th vice president, Mrs. William Irving, Alberton.
5th vice president, Mrs. Irving Miller, Muray Harbor North.
6th vice president, Mrs. A. O. Thompson, Brookfield.
Recording Secretary—Mrs. F. A. A. Mutch, Charlottetown.
Corresponding Secretary— Mrs. C. W. Patterson, Charlottetown.
Girls' Work Secretary — Mrs. Henry Baak, Marshfield.
Mission Band Secretary— Miss Catherine MacLeod, Belfast.
Literature Secretary—Miss Hattie MacLeod, French River.
Home Helpers' Secretary—Mrs. W. H. Ellis, Tyne Valley.
Home Mission Secretary —Mrs. A. M. Green, New London.
Message Secretary—Mrs. George P. MacLeod, New London.
Treasurer—Mrs. Frank Bagnall, Hunter River.

Rev. T. H. B. Somers offered the prayer for the dedication of officers. The meeting closed with singing and the Benediction by Rev. Henry Baak.

Evening Meeting

The evening session was conducted by the minister of St. James Church, Rev. T. H. B. Somers. St. James Choir led in the service of praise. Rev. Henry Baak read the Scripture Lesson and Rev. G. C. Webster offered prayer.

Mrs. Gordon Stewart sang the solo Angels Ever Bright and Fair by Handel.

Rev. T. H. B. Somers in the name of the Kirk Session welcomed the Presbyterial to St. James Church.

Miss Ethel Stewart read the credential report and Mrs. Henry Baak the report of the committee for resolutions and courtesies.

Rev. T. H. B. Somers read from the 6th chapter of Revelations and brought the evening message. He spoke of the material standards of today which appear to be out-distancing the spiritual standards; of the human desire for results—to see things by the grace of God actually accomplished; of the patience of Christ whose passion was to lift souls; of the victory of God whose will cannot be defeated; of the triumph of the Cross and of how ordinary church going should be a blest communion, a fellowship divine.

The meeting closed with singing and the Benediction.

PRIME MINISTER

(Continued from page 1)

I shall ask to be assured of the confidence of the House of Commons before the government proceeds to enforce the decision."

Amendment Defeated

Mr. King spoke immediately after the House, without a recorded vote, defeated an amendment moved by J. S. Roy (Ind. Gaspe) to the government's Bill 80, in which Mr. Roy held that the bill to permit conscription for overseas by order-in-council was likely to cause dissension leading to internal war.

During his lengthy speech winding up the debate on second reading of Bill 80, Mr. King said:—

1. That if, "at any time up to the present," the government had imposed compulsory overseas service, "resulting dissension" might have considerably reduced the totality of Canada's war effort.

2. That power to impose conscription was being asked "solely because it (the government) is of the opinion that . . . it is in the national interest that the power should be possessed by the administration;

3. That if the bill, which amends the National Resources Mobilization Act of 1940, were passed, the N.R.M.A. "as respects both the conscription of wealth and conscription of manpower. . . remain entbling legislation:"

4. That once the bill becomes law it will in no sense be "a dead principle in our statute books" so far as compulsory service anywhere in this hemisphere is concerned; and that "to strengthen our own immediate defences" it will be necessary to send call-up men to Newfoundland and Labrador.

5. That he does not believe "anything better can be suggested than the present government policy which he described as "not necessarily conscription, but conscription if necessary;"

6. That the government is ready to "conscript whatever wealth is necessary" to distribute the war burden "as equitably as possible."

If the need should arise for sending overseas as reinforcements men called up under the N.R.M.A., "the procedure should be as open and above board as it can possibly be made," Mr. King said. Unless it were understood Parliament would be informed in advance, "all kinds of suspicion will be aroused and all sorts of rumors will be in circulation from day to day."

"I intend, therefore, if the time should come when the government decides that it has become necessary to send overseas men who have not volunteered for general service, and I should be in office at the time, to ask my colleagues to join me in seeing that Parliament is immediately informed of the Government's decision," the Prime Minister said.

A. Y. P. A. TO HOLD ANNUAL CONFERENCE

On Thursday evening a meeting of the Diocesan Council of the A. Y. P. A. was held in the Church of England Institute, Halifax, Verner Bradley, the president was chairman. Those attending were Rev. L. Weldon Mosher of Bridgetown, diocesan organizer, Miss Edith Moore, B.A., Dartmouth, (the secretary), Gerald Myers R.C.N., Victor King and W.R. Anthony. After careful consideration it was agreed that the annual conference of the Anglican Young Peoples Association should be held thisy ear.

At previous meetings the transportation problem as well as the possible place of the conference were so serious as to indicate that the plan would have to be dropped. So many of the young people had joined the active services, including the women's services, that it was doubtful if the number of delegates would reach one hundred.

However, plans were presented to hold the conference at Palmer's Lodge, Waverley, during the Labor Day week-end, September 5, 6 and 7. As yet arrangements are not complete. Gerald Myers and Victor King are preparing the publicity and Rev. L. W. Mosher is preparing to send the program forward this week. Miss Edith Moore is the registrar.

CANUCKS IN BRITISH GUIANA

OTTAWA, July 7—(CP)—Disclosure that Canadian military forces have served in British Guiana was made today by Prime Minister Mackenzie King when he tabled in the House of Commons a thick booklet of orders-in-council passed in June.

Whether Canadians are serving in British Guiana at present was not apparent from the order. Identity of the units also was not known.

Lupe Velez, Leon Errol Teamed Again

Dealing with the complications that beset a young married couple and an older pair over the adoption of a "baby," the new Lupe Velez-Leon Errol story, "The Mexican Spitfire's Baby," is said to be the most uproarious of any in the "Spitfire" series to date.

Charles "Buddy" Rogers makes his debut in the "family" as Carmelita's serious-minded husband Dennis, while Errol again has a dual role in portraying both the helpful uncle Matt and the bibulous British peer, Lord Epping.

The trouble begins when Uncle Matt, worried over the marital discords between his nephew and his fiery niece decides that if they adopt a baby things will be smoothed out between them. The Lindsay's English friend, Lord Epping, is due to arrive soon for a business deal, and Uncle Matt cables him to bring along a French war orphan, but forgets to specify what war.

The nobleman obliges, and introduces to the astonished Dennis and Uncle Matt a French damsel in her twenties by the name of Fifi. Uncle Matt hastily endeavors to get Fifi out of the way before his wife and Carmelita find out about "baby", but matters move too fast for him —especially when Fifi's jealous and belligerent fiance, Pierre, arrives on the scene in search of his betrothed and anxious to fight duels with all comers.

Carmelita, Pierre and Aunt Della join in investigating the affair, and the plot becomes progressively wilder and funnier in typical Velez-Errol style right up to the side-splitting conclusion.

Written to fit the mirth-making talents of its principals, "The Mexican Spitfire's Baby" crams plenty of laughs into its length. Elisabeth Risdon plans the part of Uncle Matt's suspicious wife, while Marion Martin, Fritz Feld, ZaSu Pitts and Charles "Buddy" Rogers have the other featured roles.

Nazi Saboteurs To Be Tried

WASHINGTON, July 7—(AP)—Final arrangements for the military trial of the eight U-boat Nazi saboteurs were made today in secrecy behind boarded-up corridors in the Justice Department's big building.

By presidential proclamation the proceedings, which may lead to the gallows or a firing squad, must begin tomorrow "or as soon thereafter as is practicable." So deep was the secrecy in which both Justice and War Department officials shrouded the affair that spokesmen declined to say definitely at what hour the trial would start.

Meanwhile the military commission headed by Maj.-Gen. Frank R. McCoy, which will determine guilt or innocence and fix the sentence, was understood to have met secretly to work out rules of procedure. Such a commission makes its own rules, but in this case President Roosevelt specified that the verdict should require at least a two-thirds vote. This would mean at least a 5 to 2 vote of the seven-man commission.

The eight German-born defendants, facing the death penalty on any one of four charges of violating the law of war, are Ernest Peter Burger, George John Dasch, Herbert Hans Haupt, Henry Harm Heinck, Edward John Kerling, Hermann Otto Neubauer, Richard Quirin and Werner Thiel. The men were landed in the United States from two U-boats.

Committed To Supreme Court

John Sutherland MacKay of Springfield, Lot 17, was sent for trial to the next term of the Supreme Court on a charge of manslaughter, at the conclusion of the preliminary hearing before Magistrate W.E. Darby yesterday morning. The enquiry was held in connection with the death of Mrs. Stephen Gallant who was found dead on the highway at New Annan on the morning of June 21st. The accused was arrested on Monday, June 22 in connection with the matter.

The evidence of Dr. J.C. Simpson who made the post mortem examination of the body and that of Const. Trenmouth of the Summerside detachment of the R.C.M.P., who was present with Dr. Simpson when he made the examination. Dr. Simpson stated that he found that death was caused by a depressed fracture of the skull and also that numerous fractures and abrasions of the skin were found on the body. When asked what would cause such injuries the doctor stated that they would be caused by great violence.

At the conclusion of the evidence the accused was sent up for trial. Accused was later let out on bail by Judge D. Edgar Shaw of the County Court. Bail was set at $4,000 dollars for the accused and $2,000 for each surety. S.

NAZIS DRIVE

(Continued from page 1)

of populated places," a communique said.

A Tass correspondent reported that every foot of the German advance into the ravine-cut chalk hills of western Voronezh was over the piled bodies of Nazi dead. He wrote that six trains totalling 247 cars had taken German wounded back from the Don River battle zone alone, yet still new troops surged on in their places.

Tanks, the rolling wall of the Nazi offensive, were reported demolished by the hundreds. In one sector German infantry were said to have marched in massed ranks to death in an ambushing cross-fire of machine-guns and mortars.

Nazis Pay Heavy Toll

Particularly heavy was the toll the Germans were said to have paid for their foothold on the east bank of the Don.

Russian tanks and guns which lined the bank smashed attempt after attempt to cross the navigable stream. Almost 100 tanks which the Germans first got across the river were boxed in by tank and artillery fire and destroyed, Russian accounts said.

They reported that even when Russian defences had been pushed back from the bank, Russian bombers wrought chaos among the crowded columns of German troops and trucks backed up west of the river, waiting to take their turn at attempting the crossing under the shower of bombs and long-range shelling.

Timed with the drive east toward Voronezh from Kursk was a supporting German thrust northeast from Belgorod, south of Kursk, into the Staroi Oskol region, 65 miles southwest of Voronezh.

Thus the attack formed a triangle midway between Moscow and Rostov with its point driven across the Don toward Voronezh, industrial town with a peacetime population of 212,000 on the main rail line from Moscow to the Caucasus.

Despatches from the city earlier today acknowledged that "conditions here are extremely hard."

Strikers Vote Whether To Resume Work

MONTREAL, July 7—(CP)—Two shifts of workers at the nearby Cherrier munitions plant were expected to vote late tonight and early tomorrow morning on whether they would return to work to end a strike which started at midnight last night.

One shift of the strikers—midnight-to-eight—voted in the affirmative at a mass meeting in east-end Maisonneuve Market here late today to return to work at midnight tomorrow night after being told by labor leaders that no negotiations could be undertaken unless they went back.

J.S. McCullagh, of the Department of Labor at Ottawa, said after the meeting that the plant "is engaged in the production of essential munitions of war and a strike at this stage is a violation of the Industrial Disputes Act and subject to severe penalties which will be enforced if work is not resumed."

"To the extent that the dispute involves wage matters," he said, "the employees should understand that the Canadian Car Munitions Limited is not free to increase wages as such matters are within the sole jurisdiction of the regional war labor board for the Province of Quebec under the provisions of the government's wartime wages policy."

Mr. McCullagh said he had read a telegram from Labor Minister Mitchell to that effect at the meeting of the workers today.

He said that there were "rumblings" of trouble yesterday and that the "government ordered the plant closed until differences were ironed out. There was no violence of any kind."

Asked if he knew what the employees' demands were, Mr. McCullagh said "if there are any, we don't know them." He said 11,000 of the plant's 14,000 employees were affected by the strike. "The other 3,000 are members of the Board of Inspection who remained at work."

Philippe Richer, secretary of Canadian Car Munitions Workers joint organizing committee—an affiliate of the Montreal Metal Trades Council, in turn affiliated with the American Federation of Labor, said the workers were demanding a graduated increase of from 15 cents on the minimum to 30 cents on the maximum for men and from 17 1-2 cents on the minimum to 27 1-2 cents on the maximum for women.

He said the demands also included an increase of about 25 per cent in the wages of maintenance men not in the "danger zone" and payment of time spent in travelling by train from Montreal to the plant. "It takes one hour and a quarter to travel the distance," he said.
