Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare and really there is nothing better for coughs.

Into a 16-oz. bottle, put 2½ ounces of Pinex; then add plain granulated sugar syrup to make 16 ounces. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, this mixture saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out, and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments.

To avoid disappointment ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.

The Guardian bowling aggregation are now City Newspaper champions. Saturday evening, on the League of the Cross alleys the Prince Street newspapermen proved their right to the title when they decisively won over the Patriot pin-topplers in the deciding fixture of Saturday's double-header by a majority of 498 pins, the totals being 2396 to 1898.

The afternoon's match, which went to the Patriot boys, was one of the most exciting contests bowled in the series; it was anybody's fixture till the last frame, the Patriot team finally winning out by 22 pins.

The honors for rolling the highest string of the day went to Captain "Andy" Martin, who rolled for 206 pins. Harry Horgan and Nelson Garnhum, of the Patriot team, pushed Martin strong for honors, when they rolled 204 and 203 in the afternoon's set-to.

Col. D. A. MacKinnon leaves this morning for Mt. Clemens, Mich., where Messrs. Ernest McTague and Ed. Houghton are with the horses Dan Patchen, The Yank, Capt. Jackson and Colonel Waltz. There will be one week's racing over the ice at Mt. Clements, and then the circuit will be taken up at Cleveland, Ohio, where there will be a two weeks' racing program.

There is more interest this year than ever in ice racing and the largest field of horses that have ever competed will take part in the various contests. Some of the greatest trainers in America are preparing stables for ice prizes this year, including Vic Flemming, Hump Morrison, Wert Mallow, Nat Ray, Wm. Chapman, Charlie Lindburg, Chas. Valentine, Sep. Palin and others of lesser note.

The races will take place on the regular half mile tracks which will be flooded for ice. The public are made comfortable in witnessing the sport by enclosed heated grandstands. It is expected that there will be tremendous crowds at both Mt. Clemens and Cleveland, as horsemen from all parts of America and Canada will be on hand to witness the sport. This is a rather adventurous program for Island horses to compete against such crowds as they will stake up against, and it is not to be expected that they will carry off any big share of the prizes, but it will be useful experience as it will give a good line on the methods of training, driving, etc., conducted by the leading reinsmen.

TUESDAY

STUDENT DELEGATES.—Miss Margaret McInnis and Mr. Alexander Stewart, delegates from Prince of Wales College to the Students Convention in Indianapolis, arrived home last night. Miss Irene Allen, Summerside, the only other delegate from this province, represented Dalhousie University. The convention was a historic one there being about 5,000 delegates in attendance, representing all the Protestant Colleges in Canada and the United States. All possible courtesy was shown to the delegates, the different educational institutions and Church organizations doing all in their power to make the visit as enjoyable as possible. The various meetings held were most interesting and helpful. Among the speakers were John R. Mott, Sherwood Eddy and other prominent men. Interlarded with the meetings were sight seeing excursions, visits to public institutions and historic scenes in and around the city. The Canadian delegates were delighted with their journey for which every accommodation was provided, their week's stay in Indianapolis and the return home.

At her home Long River on Jan. 1st, 1924, there passed peacefully to her eternal rest, after a short illness of pneumonia, Eliza J. Sutherland, widow of the late John J. Campbell, who predeceased her a year and a half ago. Possessed of a gentle and loving disposition her place in the home can never be filled, and in the community around, she was ever an angel of mercy where sickness and trouble were known, of her it could be truly said none knew her but to love her, none named her but to praise.

There are left to mourn the loss of a loving mother nine sons and one daughter, Gordon and William in Hollister, Cal., George in Oregon and Allan John A., Donald, Heath, Grafton and Elwood all of Long River and (Belle) Mrs. Courm, Sciacaluga of New York, who arrived in response to a telegram and was with her mother when the end came, there is also one sister Mrs. J. D. McIntyre, Montague and three brothers, D. A. Sutherland of Winnipeg, Man., and Robert and Gordon of Golden, B. C. The funeral on Jan. 3rd was attended by many friends who came to show their respect for the memory of one loved by all and to sympathize with the bereaved family. Rev. Geo. Miller of whose congregation Mrs. Campbell was a faithful member, conducted the service, speaking words of comfort to the sorrowing family and the remains were laid to rest in the Geddie Memorial Cemetery beside her husband, and where a monument erected to the memory of another dear son, Archie, who gave his life in France, June 2nd, 1916 bears silent testimony to one great sorrow borne by this dear father and mother during their sojourn on earth.

The 'Bankers" hockey team of this city held their annual re-organization meeting in the Royal Bank office recently. There was a large attendance and the members are very enthusisastic over the prospects for the coming season. Mr. James Herrell, who was appointed coach, predicts that the 'Bankers" will make it interesting for all competitors if the "City League" is formed. Mr. L. J. Gay was re-elected president, and Mr. A. G. Parks, secretary treasurer.

Among the players who turned out at the first practice held on Saturday night were L. McEwen, V. Currie, G. Wood, Allison Webster, S. C. Moore, R. Stevenson, and Phil McDonald. It is pleasing to know that Mr. A. R. McInnis, a former member, is showing his old time interest in the team and was also on for the first practice. Arrangements are being made to have a match Friday with either the Amherst or Moncton teams.

A meeting was held in the Town Hall at Summerside on New Year's morning and was largely attended by citizens interested in the furtherance of sports. The president of the Crystal Hockey Club, Mr. John A. Lea ably presided and very interesting talks were given by Mr. A. C. Saunders, K. C., and Mr. Creelman MacArthur, M. L. A. It was decided to get as many foreign matches on the hockey schedule this season as possible and it was announced that the Crystals will play the Crescents of Halifax at Summerside in about two weeks' time. Delegates were appointed to attend the League meeting in Charlottetown next week, when a schedule of matches for the season will be arranged. The Crystals Hockey Club has received a donation of new uniforms for the season; and on this account the colors have been changed from black and white to garnet and gold which are the colors of the Ottawa Senators, whose footsteps the Crystals hope to follow. A committee is now out soliciting subscriptions to help maintain the club's running expenses, including the hiring of a coach, providing new nets and uniforms for the Junior Crystals; and it is hoped that citizens will make a ready response.—Pioneer.

Drink Water if Back or Kidneys Hurt

Begin Taking Salts if You Feel Backachy or Have Bladder Weakness

Too much rich food forms acids which excite and overwork the kidneys in their efforts to filter it from the system. Flush the kidneys occasionally to relieve them like you relieve the bowels, removing acids, waste and poison, else you may feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness the stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging one to get up two or three times during the night.

To help neutralize these irritating acids and flush off the body's urinous waste, begin drinking water. Also get about four ounces of Jad Salts from any pharmacy take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine and bladder disorders disappear.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive and makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help prevent serious kidney and bladder disorders.

By all means, dring lots of good, water every day. Hove your physician examine your kidneys at least twice a year.

THREE ACCIDENTC AT MURRAY HARBOR— On Friday what might have been fatalities, but for prompt assistance, occurred at Murray Harbor. About noon while Thos Hyde was on his way up the river he broke through the thin ice and with the timely help from neighbors he was taken from his dangerous position. In the afternoon a similar accident occurred when two boys, Marvin Herring, aged nine, and Wallace Herring, aged eleven, while returning home from school, broke through. The older boy was hauling his companion on a sled when the accident occurred. Their cries attracted the attention of Mr. Leith Buell, who with great risk to his personal safety, grasped a pole, the only article at hand, and rushed to the assistance of the two youths. Standing on ice that failed to support two schoolboys, this man with great presence of mind, and regardless of his own safety, rescued the boys while others who also heard their cries rushed to render assistance. Residents of Murray Harbor are loud in their praise of Mr. Buell's act of heroism and it is understood some action will be taken to secure recognition from the Humane Society. The accident should also serve as a warning to both boys and their elders not to take chances at this time of year on ice that is not properly formed.

The Annual Meeting of the Charlottetown Driving Club, presided over by Mr. E. F. Acorn was held in their Room, Queen Street, Monday evening, and was well attended.

The reports of the officers showed the Club to be in a flourishing condition, great progress being made during the past two years.

The report of the Secy. Treas., Mr. R. Byron Brown was enthusiastically received, showing as it did, one of the best years, from a financial as well as a sporting standpoint. The Club now has a good balance on the right side of the ledger.

The election of officers resulted as follows:

Hon. Pres—Alex Kennedy, Southport.

Pres.—Col. D. A. McKinnon

Vice Pres.—W. S. Brown

Secy. Treas.—Chas. Stewart

Race Committee—Russel White, Peter Conroy, Jas. McEachern and Jas. Arbing.

It was decided that just as soon as Jack Frost got in his good work on the river ice racing would commence and followers of this sport may expect to be treated to some surprises.

This Club which is now on a good sound footing financially, should receive the support of all followers of the racing game. The members have accomplished much and have produced results.

For the past two winters ice racing has provided amusement for all who wished to witness this form of sport, and the matinee races on the Driving Track was the means of bringing out many speedy ones who possibly would never otherwise be heard from.

It is now for all lovers of horses and horse racing to give their moral support to this organization and keep alive the "sport of Kings"

Levi Cudmore won out over E. Arsenault and P. McInnis at Lambros Bros., last night in the double-header staged in the Snooker Tournament.

An organization meeting of the League of the Cross Hockey players was held last night in the League rooms. A large attendance of players and those interested in the game were present and judging from the Material on hand and enthusiasm shown at the meeting, the League boys will have a strong team to represent them in the city Leagues.

The first practice will take place tonight and things look promising for a large turn out of players.

A meeting of the P. E. Island Hockey League took place at the Arena Rink when the officers were elected and the schedule for the games drawn up. Great interest was manifested by those present in the hockey outlook and everything points to a successful hockey season. There was also an Intermediate League formed, and this will not only prove interesting, but also very beneficial to the hockey game as it will develop new material who will advance to the senior ranks.

The following schedule was adopted:

Jan. 22—Crystals at Charlottetown.

Jan. 25—Abegweits at Summerside.

Jan. 29.—Crystals at Charlottetown.

Feb. 1—Abegweits at Summerside.

At the conclusion of the League two exhibition games will be played, one in Charlottetown and one in Summerside.

The following officers were elected for 1924.

President—Frank R. Heartz.

Secty.-Treas.—T. W. L. Prowse.

Executive Committee—Dr. I. J. Yeo and Frank McDonald, Charlottetown; J. A. Lea and Ernest McQuarrie, Summerside.

In the Intermediate League there will be four teams, two from Charlottetown, one from Alberton and one from Summerside. They will be divided into two sections—eastern and western. The two western teams and two eastern teams will play off, the winners playing for the championship.

Charlottetown teams wishing to enter the league should make application at once to the Secretary.

"My Back Aches"

It is not much wonder that the mother in the home has backaches and headaches when you think of the multiplicity of work and worries she has from morning until night and from week to week.

But pains and aches come from poisons in the system and if the kidneys and liver were doing their duty as filters of the blood the poisoning would not remain there.

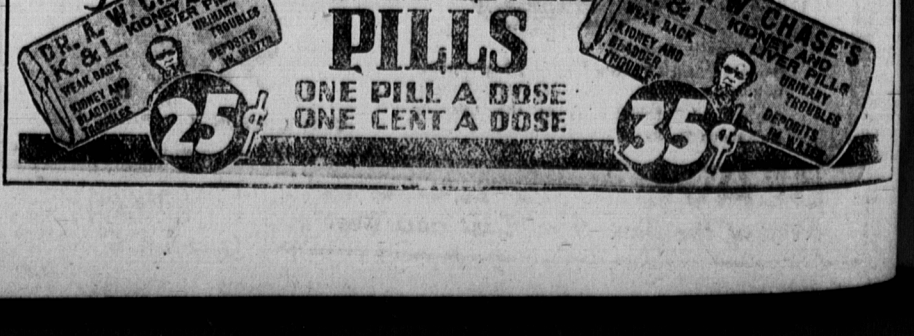
This is why it is usual to blame the kidneys and the liver for backache, headache, rheumatism etc.

The way to get rid of such pains and aches, then, is by arousing the action of the kidneys and liver and this is most promptly and most certainly done by the use of Dr. Chase's Kidney-Liver Pills.

By using this popular medicine you can usually obtain relief in a few hours.

You will realize then the advisability of using Dr. Chase's Kidney-Liver Pills once or twice a week so as to keep these vital organs active and ensure that the poisonous waste matter is promptly removed from the system.

In most homes this medicine is kept constantly on hand for use in case of emergency. Not a bad idea, is it?

You will notice that while the price of Dr. Chase's Kidney-Liver Pills has been increased to 35 cents, the box now contains 35 pills instead of 25 as formerly.


Likewise Dr. Chase's Nerve Food is 60 cents a box of 60 pills, instead of 50 cents a box for 50 pills. Edmanson, Bates & Co., Ltd., Toronto.
