THE LIVER TO BLAME.

So long as the liver is active in filtering the bile from the food there is no illness and no constipation, because the bile passed from the liver into the intestines where it acts as a cathartic in keeping the bowels active. Because of their direct action on the liver as well as the bowels, Dr. Chase's Kidney Liver Pills thoroughly cure constipation, the real cause of nine-tenths of the ills.

F. J. Solomon has moved into his new tenement parlors on Water Street. For the convenience of his customers Mr. Solomon has had a new sidewalk laid across the street. This is a hint for some of the older residents. There is one row of punks on the east side of Kent Street that have been utterly ruined by having heavy loads hauled over them. It is certainly not the duty of the town to repair this, but the assessors should see that it be repaired.

Some Dealers Think They Have a Monopoly of Buying Furniture

Let them think so, it does nobody any harm, and it pleases them. But for fear the public might be led away by their extravagant utterances, we humbly rise to remark, that we have been and are still buying from almost every manufacturer in this broad Dominion—and further we are content to sell at a much smaller profit than most people ask. We would like the opportunity of showing you our furniture, and would like you to compare, and we think we can convince you that what we say is true.
