# THEY RIDICULE IT.

Many People Ridicule the Idea of an Absolute Cure for Dyspepsia and Stomach Troubles.

Ridicule, However, is not Argument and Facts are Stubborn Things.

Stomach troubles are so common and in most cases, so obstinate to cure that people are apt to look with suspicion on any remedy claiming to be a radical, permanent cure for dyspepsia and indigestion. Many such pride themselves on their acuteness in never being humbugged, especially in medicines.

This fear of being humbugged can be carried too far, so far, in fact, that many people suffer for years with weak digestion rather than risk a little time and money in faithfully testing the claims made of a preparation so reliable and universally used as Stuart's Dyspepsia Tablets.

Now Stuart's Dyspepsia Tablets are vastly different in one important respect from ordinary proprietary medicines for the reason that they are not a secret patent medicine, no secret is made of their ingredients, but analysis shows them to contain the digestive ferments, pure natural asopetic pepsin, the digestive acid, Golden Seal, bismuth, hydrastis and nux. They are not cathartic, neither do they act powerfully on any organ, but they cure indigestion on the common sense plan of digesting the food eaten thoroughly before it has time to ferment, sour and cause the mischief. This is the only secret of their success. Cathartic pills never have and never can cure indigestion and stomach troubles because they act entirely on the bowels, where as the whole trouble is really in the stomach.

Stuart's Dyspepsia Tablets taken after meals digest the food. That is all there is to it. Food not digested or half digested is poison as it creates gas acidity, headaches, palpitation of the heart, loss of flesh and appetite and many other troubles which are often called by some other name.

They are sold by druggists everywhere at 50 cents per package. Address F. A. Stuart Co.; Marshall, Mich; for little book on stomach diseases, sent free.

DAMP sidewalks but dry feet, if you buy a pair of Whithams never slip rubber soled and heeled shoes for men at Sinclair & Stewarts. 5 31 d & 1 wky.

The question as to who will be Governor is assuming an acute stage in Summerside, and in fact in the whole of Prince County. Several names have already been offered—and strong claims made in connection with each, but there is no questioning the fact that Hon. Angus McMillan easily holds the first place in popular favor. Indeed his elevation to the position is now looked upon here as a foregone conclusion.

The family of the late Mr. Paul Thompson of Lot 14, have the heartfelt sympathy of the community in the sad season of affliction through which they are passing. On the 29th ult, Mr. Alpine Thompson, one of the sons, aged 40 years, died of pneumonia after an illness of only a few days. After his death, his mother moved to the home of her daughter, Mrs. McLean, Lot 16, and a few days afterwards contracted pneumonia of which she died last Wednesday night. Yesterday morning her daughter Mrs. McLean died of the same malady after a few hours illness.

I had eczema on my hands so bad that when I but them, the matter would ooze out and drop on the floor. My hands were full of water blisters. "For several years" says Mr. Willis, "I have suffered from Kidney Troubles, pain in the small of my back etc. I got slight relief from some of the various medicines I used. My son, who was cured by Dodd's Kidney Pills, urged me to try them. I did so. I have used four boxes and can safely say I am cured."

# APT QUOTATIONS.

Proverbs, axioms and wise sayings have been uttered by Confucius and other wise men from time immemorial, but few people realize how many there are of them. C. I. Hood & Co of Sarsaparilla fame, have over two thousand and they have originated the ingenious plan of serving them up in delectable shape in thousands of newspapers, with each one neatly turning a point as to the merit of their well known medicine. The extensive use of these proverbs is original and creditable to Hood & Co.

# Do You Want a New Back?

Hundreds of People Daily Exchanging their Old, Aching, Lame, Weak Backs for Strong, Painless, New Backs.

There is no man or woman in Canada who is suffering from those dreadful backaches but would like to get rid of them.

The trouble is, most people fail to recognize what the meaning of a bad back is—don't know that it is the kidneys underneath the back that they are the seat of the trouble.

Once it is understood that the back pain is the kidney's cry for help, then people know what to do—go to their assistance with Doan's Kidney Pills.

All over Frontenac county, as well as in Kingston itself, people are having the pains and aches taken out of their backs—having weak backs strengthened. Doan's Kidney Pills is the remedy they use.

Doan's Kidney Pills is the only remedy powerful enough to touch the seat of the disease. That is the opinion of many respected Kingston citizens. That is the experience of Mrs. Plesley, 190 King St.

For several years she suffered with her kidneys. The pain in her back was almost unbearable. She was afflicted at times with violent headaches, and felt worn out and tired most of the time.

The various remedies she tried gave no relief. One day she chanced to see an advertisement of Doan's Kidney Pills, and decided to try them.

"They gave me great relief from the very first," said she. "Before taking them I had not been able to do a day's work for a month. Now I am able to do my housework with ease."

"I have no more kidney or bladder trouble, and the backaches and headaches have disappeared."

Doan's Kidney Pills are the only never-failing remedy for backache, lame back, puffiness and dark circles under the eyes, weakness of the kidneys in children and old people, gravel, sediment in the urine, etc. Sold by all druggists, or sent by mail on receipt of price, 50c. a box, or three for \$1.25. The Doan Kidney Pill Co., Toronto, Ont.
