

The Perils of Neglect

Digestive ailments are frequently neglected. People say "It's only a touch of indigestion—it will go away." What begins as simple discomfort is allowed to become a serious—chronic ailment. Never neglect the treatment of digestive derangement. To relieve disorders of stomach, liver, kidneys and bowels, Beecham's Pills act promptly and usually overcome the difficulty. Take

"Growing" Food

EVERY loaf of our bread contains 100% nourishment. It is just the food that Baby will thrive on—and every bit of it gives strength and health!

It should be substituted for the rich heavy foods that are not easily digested—and it is obvious that if this bread is healthy for Baby to eat, it is the logical food for grown ups too.
