When you take the "Gillette" Safety Razor apart, and put it together and shave with it—it all seems so simple and so natural that the only wonder is, why wasn't it invented a thousand years ago?

Just think of the millions of hours wasted in honing and stropping—of the millions of cut faces—of the millions of irritated skins—due to old type razors!

The "Gillette" solved the shaving problem for men with tough, wiry beards—for men with tender skins—for travellers—for campers and soldiers. The "Gillette" does away with honing and stropping. The "Gillette" shaves any beard and every beard smoothly, evenly, easily and quickly.

The "Gillette" Safety Razor consists of a triple silver plated holder and 12 double edged flexible blades, in velvet lined leather case. Price $5—at all leading Jewelry, Drug, Cutlery, Hardware, Sporting Goods and Department Stores. Write or ask your dealer for free booklets. If he cannot supply you, write us. 22

How To Save Work In The Home

Most of the dust in the modern home comes from the floor. It needn't, if you would use Floorglaze right. And dust isn't merely a bother for the housewife and the maids. It's a danger.

Dust spells d-i-s-e-a-s-e. The germs of all infections dwell, mainly, in floor-dust. Floorglaze reduces floor-dust to a minimum.

When you coat a floor with any of the ten shades of Floorglaze you have a floor that is creviceless (can't harbor germs), washable (use an antiseptic in the mop-water), and nearly dust-proof.

You will get weary watching for it to wear off that floor. Floorglaze stands outdoor wear, even—verandas, porch steps, etc. And a gallon covers 500 square feet. Cheap!

Your dealer has it. You would find our Free Book interesting reading. May we send you a copy? Ask on a postcard. Imperial Varnish & Color Co., Limited, of Toronto. 1
