# “CEETEE”

ALL PURE WOOL - GUARANTEED UNSHRINKABLE UNDERCLOTHING

People who value good health wear only pure wool underclothing (such as “CEETEE”) for many good reasons—wool is best for wear next the skin—rapidly absorbs all the impurities from the body—and acts as an insulator against cold and heat—it is warmest in Winter and coolest in Summer; ask any Medical Man.

# Prowse Bros Ltd.

in the Motherland to seek your fortune in another suitable clime which you found here and since then you have been ever faithful and attentive to your duties and your kind and genial disposition and ever readiness to lend a helping hand you have endeared yourself to all who have the pleasure of your acquaintance. You have taken an active part in church and social matters and the chair made vacant in the choir of the Episcopal Church of which you have been a devotee member cannot easily be filled. In social matters also you have been ever ready to do your part and when there was any vacant place to be filled Joe with his violin was the one to go. Now that your native land and its people are in great trouble you feel it your duty to visit your dear parents who cared for and protected you in your boyhood days, but before going we ask you to please accept the accompanying gift, not for its intrinsic value but as a token of our regard and esteem for you and we hope the lesson inculcated by this may bear fruit which will prove, not only helpful to you but useful and beneficial to ourselves. We know not where your future lot may be cast, but you can rest assured that you will always have the prayers and best wishes of your Port Hill friends and if, at any future time, you may see your way clear to visit us again you will always find warm hearts and glad hands to welcome you to our shore. Signed on behalf of the people of Port Hill.

The meeting was brought to a close by giving three hearty cheers for Mr. Veale for Mr. and Mrs. Birch and by the singing of God Save the King.—P.
