Walton (to fisherman)—Just throw me half a dozen of those trout. Fishermen—Throw them? Walton—Yes; then I can go home and tell my wife I caught 'em. I may be a poor fisherman, but I'm no liar.

A JURY OF WOMEN.

Who have tested the merits of Dr. A. W. Chase's Kidney-Liver Pills return the verdict that for backache and kidney disorders there is no preparation in any way equal to this great discovery of Dr. A. W. Chase. America's greatest physician. This great kidney cure is sold by all dealers at 25 cents a box, and has proved most effectual as a remedy for the many ills to which women is subject.

Wifely Woes.

"No," said the married lady to her mother, "I have no idea where my lover spends his evenings. In fact, he is like the lamp: his goings out leave me in the dark."

STARTLING CONFESSION.

Show that 25 per. cent. of men and women suffer the tortures of itching piles. Investigation proves that Dr. A. W. Chase's Ointment has never yet failed to cure itching piles, and all these men and women could end their sufferings at once by using it. Scores of thousands have been cured by this treatment. Everybody can be cured in the same way.

"The fact that Fitzsimmons has had his teeth set with diamonds I take to be an indication that he has permanently retired from the prize ring." "Why so?" "Why, you don't suppose he's going to take any chance of having one of these knocked down his throat, do you?"

Chronic Bronchitis Cured. Mr. Charles B. Reid, the leading druggist of Charlottetown, P. E. I., says: "I have every reason to believe Griffith's Menthyl Liniment will cure Chronic Bronchitis. A lady customer says she has been troubled with Chronic Bronchitis for years, and that three bottles of Menthyl Liniment have entirely cured her. It always gives the best of satisfaction to any customer."

S' SIDE AND PRINCE CO.

THE Princess returned to Charlottetown yesterday evening after returning from Point du Chene. The Northumberland left Charlottetown at 4 o'clock this morning, and will be "welcomed home" on arrival in Summerside to resume her old route.

It rained again last night, at least it did on Railway wharf and those whom business compelled to meet the Princess were obliged to go down before dark to take their bearings so as not to be drowned in the holes when returning to Summerside after dark. We want that sidewalk!

Mr. JOHN M. CLARK has been awarded the contract for erecting a new grand stand on the Summerside Driving Park. This will be an additional attraction to the many that are being prepared for the Dominion Day races, which it is expected will be the sporting event of the year.

A severe thunder and lightning storm passed over the western end of the Island Wednesday afternoon. At Schurman's Point, North Bedeque, a cow belonging to Mr. Frank McKinnon was struck and killed by the lightning. Three cattle belonging to Mr. James Stavert, North Bedeque, were also killed. A new house owned by Mr. Benjamin Murray, North Bedeque, was struck and slightly damaged. Several trees were struck, and the telephone system in east of Summerside generally interrupted. At Summerside, and along the Richmond Bay shore streets of rain fell, but there was little lightning.

At the Terrace House Summerside—the residence of Capt. and Mrs. J. S. Allen—their only daughter Miss Mabel Ethelene Allen and Mr. W. H. Slackford of the Railway office were united in marriage by Rev. Dr. Sprague, in presence of about forty invited guests. The bride was attended by Miss Mattie Rogers of Freetown, and Miss Minnie Schurman of Summerside, while the groom was supported by Mr. Lucas Allen. After a sumptuous entertainment the happy couple drove to their new home on Russell St. Among the magnificent display of costly presents with which the bride was remembered by her many friends, was a handsome parlor suit the gift of her father. THE GUARDIAN joins in wishing Mr. and Mrs. Slackford a happy and prosperous journey through life.

THE announcement of the death of Mr. Robert Sinclair, which occurred in the P. P. E. Island Hospital yesterday evening—was although not unexpected, received with sincere sorrow by all classes of citizens. The deceased was the eldest son of Mr. and Mrs. Neil Sinclair, and had been a student in the law office of Messrs. McLeod, Mason & McQuarrie—his term of study almost concluded, and expected to be admitted to the bar next October term, but it was willed otherwise. Never physically strong, he was some weeks ago, obliged to undergo an operation in the P. E. Island Hospital—from the effects of which he did not recover, and tenderly and lovingly cared for, and with all that medical skill could do for him, he passed away yesterday evening about five o'clock. He was a general favorite, a clever and talented student, and will be greatly missed by a large number of friends and companions, while the household from which a beloved son and brother has been taken, will mourn with a sorrow that even time will not heal. To the bereaved parents, sisters and brother, THE GUARDIAN extends its deepest sympathy.

"FOR THE SAKE OF FUN, MISCHIEF IS DONE."

A vast amount of mischief is done, too, because people neglect to keep their blood pure. The mischief appears in eruptions; dyspepsia, indigestion, nervousness, kidney diseases, and other ailments. This mischief, fortunately, may be undone by the faithful use of Hood's Sarsaparilla, which cures all diseases originating in or promoted by impure blood. HOOD'S PILLS cure all liver ills Non-irritating.

No Fight in Him.

"What's the matter between you and your neighbor?" "Too inside. There's a man you couldn't get into an argument if you told him that he inspired the Darwinian theory."

Doan's Kidney Pills

Are Checking the Ravages of Kidney Disease in St. John, N. B.

Another Testimony as to their Marvellous Power.

Any one who desires to know anything of the curative powers of Doan's Kidney Pills in any form of kidney disease, or in any condition that arises from disordered kidneys, need not go far to look for information.

Almost every city and town in Canada sends its quota of cures. In St. John, N. B., many people are coming forward and testifying to the almost magic influence of Doan's Kidney Pills in relieving pain and excruciating disease.

One of these is Mrs. C. H. Gillespie, 204 Britain St. She says that she suffered from a severe attack of kidney disease, which was the result of La Grippe. She was so bad with the pain in her back that she could not stoop to tie her shoes, and at times suffered so much that she could not turn in bed without assistance.

For four months previous to taking Doan's Kidney Pills she was unable to attend to her household duties, and was almost a helpless invalid. "Doan's Kidney Pills have rescued me from this terrible condition," said Mrs. Gillespie, "and removed every pain and ache from my body. I am in perfect health today, and although my case was a very serious, the pills checked the ravages of the dread disease almost immediately, so that I can highly recommend them."

Doan's Kidney Pills never fail to cure Bright's Disease, diabetes, dropsy, backache, lame or weak back, puffiness or dark circles under the eyes, swelling of the feet and ankles, rheumatism, gravel, sediment, female weakness, urinary trouble, dizziness, headache, weakness of the kidneys in children and old people, etc. Price 50c. a box, or three for \$1.25, at all druggists, or sent by mail. Not Manufacturing.

"How are you getting on?" asked Aguilado's friend. "Making money?" "No," was the answer; "I haven't attempted to do anything in the counterfeiting line. The ready-made kind is good enough for me, so long as it is plentiful."
