IN MEMORIAM

NORBERT GALLANT

A sad gloom was cast over the community of Mont Carmel when it was learned that Norbert Gallant had passed away on Thursday morning, January 1st at the ripe old age of 85 years and 7 months at the residence of his nephew Jeremiah Gallant, where he had resided for the last seven years. The late Mr. Gallant was hale and hearty until three months ago when he contracted gangrene in the left foot and all that medical care and tender nursing could do

POLICE COURT.—At the Police Court Saturday morning five men charged with being drunk and disorderly, were each fined \$10 and costs or ten days. A case of theft and a case against a man receiving stolen goods were dismissed.

GOOD REPORTS FROM FUR SALES—Reports from the two days' auction sale of the Canadian Fur Auction Sales Co., Ltd. at Montreal are very encouraging. The prices were as good as could be hoped for under present existing conditions. One skin fetched \$315. A large percentage of the skins offered were sold. The chief buyers were from European countries. Full silvers were not much in demand, the poorer skins finding a ready market. Fur skins are still coming into Summerside in large quantities and their arrival a number of buyers in town. S.

SYDNEY HARBOR BRIDGE A BIG DRAIN

SYDNEY, Australia, Jan. 3.—The finances of New South Wales have been strained by unforeseen increases in the cost of Australia's greatest engineering undertaking—the Sydney harbor bridge. Originally the bridge, including approaches, was estimated to cost \$28,000,000, but so far it has cost \$34,000,000 and the latest estimate for its completion is \$44,000,000. It should be open for traffic late in 1931.

When one of them whistled, the deer came out and was an interested spectator, getting in the way so often that it had to be driven away.

MURRAY HARBOR NORTH

The most valuable Christmas present that came to our locality was a daughter that arrived on that day at the home of Mr. and Mrs. Harry Miller. Reports tell us that both mother and daughter are doing well and the main trouble now is to find a suitable name.

Among the many remembrances in the way of cards that came to this district was a card to Mr. William B. Graham from the Rev. Archibald Sutherland, a former pastor of the Presbyterian Church here who left for Chipman, N. B., about ten years ago. Bled to be the tie that binds pastor and flock though sundered far by time and space. Rev. Mr. Sutherland is now in the service of the Presbyterian Church North of the United States and resident in the State of Wisconsin.

Owing to a defective pipe in the furnace which could not be repaired in time there was no services announced for the Presbyterian Church last Sabbath. Old Boreas added his most cordial approval of the same by calling on a severe storm of snow that blocked all the roads so that attendance at any place of worship was out of the question. A few odd passengers opened the road in the afternoon so that Sunday School was held in the school room at the usual hour. As the necessary repairs will be made this week there will be no further interruption.

Mr. and Mrs. William MacKay of Hillside Farm left on Monday by train from Montague for an extended visit to relatives and friends in Boston, Mass., and other portions of the United States. May they have a pleasant time.

The Week of Prayer beginning on the 4th of January will be observed by meetings in the Presbyterian Church here on at least two evenings of which one will be devoted to the January meeting of the Women's Missionary Society which will be held at the residence of Mrs. Bella Clow. As a standing part of the annual program for the week is the subject of missions throughout the world. This meeting will fit very nicely into the general plan of commemorating the new year by a thought for other people.

Miss Irene Graham who has been on the sick list for several weeks, is not making as rapid progress towards a complete recovery as might be desired but with skillful treatment we expect to see a change for the better soon.

In spite of the general depression we hear so much about several new wood and box sleighs have appeared in our district, a number almost equal to that of the new cars that came in the past summer, though not so many models of construction.

The annual local meeting of the Presbyterian congregation of Murray Harbor North was held in the school-room of the church on Tuesday evening the 30th ult. After devotional exercises were conducted by the pastor Rev. P. Watson Currie, the meeting proceeded to hear reports for the activities of the past year. A spirit of optimism prevailed and in spite of the drawbacks of the past few years confidence in the work is being restored. The congregation has adopted the recommendation of the Board of Managers in regard to Weekly Offering Envelopes. M.

GENERAL'S DREAM OF VICTORY CAME TRUE HE RELATES

DUNBAR, Scotland, Jan. 4.—The general had a dream that came true, and it was red with the blood of Wad el Nejumi. General Sir Francis R. Wingate, Bart, D. S. O. recalled the prophetic vision and its gory fulfillment when he addressed a meeting here. It was in the summer of 1880 and the locale was the Sudan, with the dervish power at its height. Sir Francis was there as an intelligence officer in the British forces. The British general was Lord Grenfell. One night, Sir Francis recalled, he had just retired when he heard his name called twice by Lord Grenfell. He went to the General's headquarters only to find the commander sound asleep. The following day General Grenfell told Sir Francis of a strange dream he had during the night. He saw himself in a boxing ring. His opponent was Wad el Nejumi, dreaded leader of the dervish forces and the same Emir who captured Khartoum and slew General Gordon in 1885. In the dream General Grenfell and Wad el Nejumi fought viciously. The British general, under the bruising attack of the Emir, called to Sir Francis Wingate to fan him. Sir Francis did so, and then General Grenfell, revived, returned to the fight and knocked out Wad el Nejumi. That was the dream. That day a battle took place, a battle that was a British victory. When it was over, a camel was led to General headquarters; across it was the body of Wad el Nejumi.

GUARD TO WINTER FLYING

AKRON, O., Jan. 3.—An attachment to the aeroplane engine as an aid to winter flying, which it is claimed, will start a cold motor in Arctic temperatures has been developed by H. P. Whittle here. Whittle, a former marine pilot, first pursued a former marine pilot, said the invention is indirectly the outcome of the expedition of the first pursuit group from Selfridge field into the Arctic regions last winter. He was unofficially connected with the expedition and studied the effect of low temperatures on engines.

In use, the heater is attached underneath the motor. It is 18 inches long and 8 inches in diameter, consisting of a drum within a drum. The inner drum is heated with gasoline and insulated so that there is no fire danger, Whittle said. The cold air is circulated through the inner drum and goes heated to any desired temperature to the engine.

A YOUTHFUL PARLIAMENT

BERLIN, Jan. 3.—Germany's new parliament is a legislature of youth, the Reichstag handbook reveals. Whereas the average age of members formerly exceeded 50, the present average is 38. The "baby" of the new House is Arthur Becker, communist member for a Breslau district, who is just a couple of months over the minimum legal age for a son, 25 years. He placed on record that he "went into politics" at 14. He is secretary of the Young Communist Movement.

Rudolf Schmeer, a nationalist, is not yet 26. There are others, both communist and fascist, who are between 26 and 30, at which latter age there are several members.
