Annual Meeting Of I. O. D. E.

The annual meeting of Royal Edward Chapter I. O. D. E. was held Monday afternoon, Feb. 25th, in the rooms of the chapter in the Navy League Building, Regent, Mrs. J. E. B. McCready presiding and an unusually large number of members present. After the opening ceremony, the secretary was called upon to read the minutes of February meeting, these were confirmed, and the secretary also reported the business dealt with at executive meeting held on Friday, Feb. 22nd in Canadian Legion rooms.

Discussion followed on the resolution passed at that executive meeting "that Royal Edward Chapter place itself on record as willing to help in furthering any plans for building of sanatorium." The possible use and availability for use of the Convalescent Home was gone into.

All old minute books of chapter since its organization in April, 1901, had been searched, and all motions by-laws and resolutions relating to management and government of said chapter culled therefrom together with items of interest found in these old minute books, some of these items being of particularly timely interest at present. Because of the amount of business before the meeting a discussion of this paper had to be deferred to a special meeting to be called at the discretion of the Regent. Correspondence included the resignation of Mrs. Ben Conrad, which was regretfully accepted, and a letter from Mrs. C. L. Miles, Barbados, with kind regards for her old friends in the chapter. The treasurer's report for the month announced a satisfactory balance in bank and \$2.00 unpaid bills.

The Secretary's report of the work done by the Settlers Relief Committee was of extreme interest, there being too little time to do this subject justice. All members of the chapter who have clothing, reading matter or anything to spare which someone else less fortunately placed could use, are earnestly requested to call any of the ladies on this committee and ar-

rangements will be made to have parcels forwarded to those who can best make use of same. The chapter received into membership Mrs. F. S. Wilkins, who formerly belonged to another chapter.

The regular work of monthly meeting having been disposed of, the annual reports and election of officers followed. The Regent's address, an exceptionally interesting one has been published in full, as was also the secretary's report. The other reports follow, also the results of the election of officers: Amounts towards the activities of the Order and local chapter for coming year were voted as follows: \$10 to League of Nations; \$5 to Child Welfare; \$50 to Navy League.

"Y" Sing Song

The sing song at the Y last night was very largely attended, upwards of four hundred persons being present.

Mr. Edwin White was Chairman for the evening. Miss Helen Drake read the scriptural lesson. A solo was very acceptably rendered by Mrs. Leigh Warren, and a very pleasing piano duet was rendered by Miss Sterns and Miss Watson.

The speaker was Mr. Elmer Ashley of P.W.C., who made a most stirring appeal to the young people. The attentive hearings showed the gripping effect of his able discourse. The service was closed by the Chairman.

In Memoriam

Mr. Peter Shepherd.
 In fond and loving memory of my dear husband who departed this life on March 4th, 1928.
 In the graveyard calmly sleeping,
 Where the flowers gently wave,
 Lies the one we loved so dearly,
 But the one we could not save,
 But the Lord the God of Heaven
 Takes the best to be with Him,
 And He'll help us in our sorrow
 If we put our trust in Him.
 Inserted by wife and family.

of five distinct numbers and will be by far the greatest and most expensive ever staged at a local exhibition.

The Exhibition will open on Monday, August 19th and on Tuesday, Wednesday, Thursday and Friday afternoons there will be horse racing. In addition to the horse racing there will be the program of vaudeville artists as mentioned above and in addition there will be band concerts, big midway, vaudeville performances and other attractions, and the grounds will be made as near like fairland as possible. The illumination problem is being studied with the intention of making the grounds even more attractive at night than last year.

The horse racing program will consist of twelve classes, including the Free-For-All and in addition there will be a running race for local bred horses. This will take place on Friday afternoon.

The directors are considering some other features to add to this year's Fair, and if practicable will do so. They are faced with the problem of heavy repairs and improvements which will take a large sum to carry out, but they are courageously going to work on these with the expectation of the full backing of the City Council, Provincial Government and the people of Prince Edward Island, who they are confident desire to maintain our Provincial Exhibition as a permanent institution improving every year.

Church Services

BAPTIST CHURCH

Morning and evening services at the Baptist Church yesterday were in charge of the Rev. A. J. Vincent, formerly Minister of the Sackville Baptist Church. Mr. Vincent who will supply this Church during March, is well known throughout the Maritime Provinces as a preacher of more than ordinary eloquence and appeal. His theme at the morning service yesterday was "The Temper of the Christian," taking as his text Isaiah 50.7, "Therefore have I set my face like a flint, and I shall not be put to shame." This sermon was a stirring appeal to Christians for a rededication, for a firm and vigorous conviction, wherein they would with courage and confidence move on to victory.

At the evening service Mr. Vincent spoke again taking as his text, "Silver and Gold have I none, but such as I have give I unto thee." What we are we give—what we have we give, what we must have have in order to give—were the leading thoughts of his very moving discourse. A deeply and sincerely evangelistic presentation of the Gospel of Jesus Christ.

The morning anthem was a very beautiful setting of Dr. George Matheson's wonderful lines "O Love that will not let me go." At the evening service Miss Clara Graham's sweet soprano was heard to great advantage in McDermid's setting of the Ninety First Psalm. Large audiences were in attendance at both services, while a new record of attendance was set in the Sunday School.

ZION CHURCH

"Anchored till Daybreak" was the topic of the Minister's sermon yesterday morning. Text was Acts 27, 28, 29. "They cast four anchors and wished for the day."

There was a large audience in the evening to hear Mr. Fulton discourse on "Was Adam the First Man?" He dealt with usually accepted explanation first; and then propounded the theory academically as to the Adam-Stock and the pre-Adamite races. Certain passages (Gen. 1: R. F. V.; Deut. 2:20, 21; 3:11) seem to suggest the remains of a race other than the Adamite race. Such being the case earlier civilization which are now being excavated may have belonged to them. Dr. G. Campbell Morgan, a few years ago in London declared himself as in complete agreement with the usually accepted age of the Adamite stock.

Any discoveries that archaeologists may make would not come into any conflict whatever with what the Bible teaches about the antiquity of man.

MUSIC

In the morning the choir rendered the anthem, "Jesus Saviour Pilot Me," by Schaecker, Miss Gladys Farquharson taking the soprano solo. In the evening the anthem was Turner's "Sun of my Soul." Miss Flora Campbell took the solo part, and Mr. Malcolm McKinnon sang the bass solo "Not Understood" by Houghton.

Fatal Accident at Hampshire

A deplorable fatality occurred Friday night at Hampshire, when Mrs. John W. Coles, aged 69 sustained a fractured skull as the result of falling down the cellar stairs, in the residence of Mr. and Mrs. Fred Proud, and died an hour after the accident. Mrs. Coles had come to the Island from Brewer, Maine, about seven weeks ago and had been nursing Mrs. Albert Shaw of Brackley Point who died recently. Friday evening accompanied by Mr. Shaw she drove to Hampshire to visit her relatives, Mr. and Mrs. Proud.

When she entered the house, she thought nobody was at home, and on turning to go out the door she fell injuries above referred to.

Dr. Murchison was sent for but Mrs. Coles had passed away before he arrived.

The deceased was a native of this province, but for a number of years had been a resident of Brewer, Me. where her husband died a year ago. She leaves a grown up family, one of her daughters being Mrs. Leslie McDuff of Halifax. Mrs. McDuff, accompanied by her husband arrived Saturday evening.

A short funeral service was held at the residence of Mrs. Fred Proud

TARIFF CHANGES FORECAST IN ROBB BUDGET

(Canadian Press)

OTTAWA, Mar. 1.—Most of the thirty four changes in the tariff proposed in today's budget are in the matter of adjustment.

Rates of duty on certain machinery and equipment used in the mining industry have been reduced. The present rate is 15 percent British preference; 25 percent intermediate and 27 1-2 general. The new rate is ten percent, 15 percent and 20 percent respectively. The lower duties on engines for fishermen's boats are extended to include Paris. The request of horticulturists for reduction in certain bulb sterilization apparatus has been granted. Some reductions are made in printing machinery. Rates on passenger automobiles are brought into line with private automobiles. Provision is made for government to levy duty of half cent a pound on copper rods, if found advisable.

OTTAWA, March 1—The budget today takes another one percent off the sales tax, bringing it down to two percent. This was the most important tax change it contained. The tax on the sale and transfer of stock is changed from a flat rate of three cents to a graduated scale yesterday afternoon. The remains were then brought to the McLean Funeral Home and then forwarded to Brewer, Maine, this morning accompanied by Mr. and Mrs. McDuff.

—THIEVES WASTE THEIR TIME—Some time during last Thursday night, or more probably in the early hours of Friday morning, would-be thieves broke into the office of Messrs M. F. Schurman at Summerside by smashing one of the windows between the office and the mill with a long and heavy auger pried from the mill and left behind to show how entry was made. The office was then ransacked, papers strewn about, ink upset, etc., and the cash till slashed open with an axe. The burglars were evidently after money only and they got none, as none is ever kept in the till over night. Nothing was taken and excepting for the broken window and smashed cash till, no wanton damage was done.—S.

from one cent to four cents. The tax on insurance premiums other than life and marine of one percent is abolished. The tax on railway and steamship tickets is removed. This takes effect May 1. The tax of three cents on telegrams and cables is abolished. (To take effect May 1st). The total loss of revenue from reductions in tariff and other taxes is estimated at \$25,000,000. The transportation tax which is abolished (section 29 of the special War Revenue Act) is a tax of five cents on tickets over \$1.00 and less than \$5.00 for each additional \$1.00, five cents. Steamships \$1.00—when fare exceeds \$10.00 but less than \$40.00, then \$3.00 up to \$65.00; above that a \$5.00 tax. Chair-car, ten cents; sleeping-car, ten percent. These are abolished from May 1st, 1929.
