### Dr. Chase's Ointment

The tortures of Salt Rheum are almost beyond human endurance, and as the flesh becomes raw, and the itching and burning increase, the suffering is so intense as to almost drive one crazy.

In desperation salves and ointments are applied, only to give rise to further disappointment and despair.

But there is hope. There is assurance that you can be cured just as scores and hundreds of others have been by using Dr. Chase's Ointment.

Mr. John Siron, of Aultville, Ont., writes: "For seven years I was a sufferer from Salt Rheum, and my hands were so bad I had to wear greased gloves. Nothing seemed to help me, but I was induced to try Dr. Chase's Ointment, and one box cured me completely. There is not a trace of the Salt Rheum left."

Dr. Chase's Ointment has effected most miraculous cures in all parts of this great Dominion. Could you have better assurance that it will cure you? For sale by all dealers, Edmondson, Bates & Co., Toronto.

A posse of special constables to whose mission to Campbellton which reference was made Saturday, returned home Sunday morning having failed in their object. They were met at the house of the defendants—a family named Douglas, by a crowd variously estimated at one to two hundred. A local Magistrate read the riot act and explained that any one entering the premises would be arrested. Deputy Sheriff Green and his men attempted to enter by the door which they had forced open, when they were assaulted from the upstairs window by buckets of hot water and a shower of stones. One of the friends of the besieged was struck by a stone from within and rendered unconscious and the Deputy Sheriff was somewhat seriously scalded by the hot-water. After some ineffectual stationing the company adjourned and returned to Summerside.

## Midsummer Health.

### Paine's Celery Compound The Only Medicine That Bestows the Blessings of True Health.

If you have entered into the oppressive heat of midsummer and find yourself suffering from dyspepsia, liver and kidney troubles, pain in back and side, headache, insomnia and stomach disorders, let us urge you to give Paine's Celery Compound a fair and honest trial if you would be healthy, strong and happy. We fully realize the seriousness of your condition, and with it desire for your physical welfare we recommend Paine's Celery Compound, the medicine that is now doing such a marvellous work for thousands of sufferers in our country. If your doctor is unfettered by professional etiquette, he will advise you to use the great life giver. Your friends and neighbors will be pleased to tell you what it has done for them in their time of distress and agony.

Mr. Charles Comen, of Neguac, N. B., tells of his troubles and his cure by Paine's Celery Compound, as follows:

"I was conscientiously recommended Paine's Celery Compound to all who may be suffering from dyspepsia and liver trouble. For years, while living in Black Brook, I suffered from a complication of troubles, and was so bad with dyspepsia that I could not touch a morsel of food. I found it difficult to sleep, and what little I did get was often broken with horrid dreams. Intense sufferings from liver complaints, added to my load of agony; I also had dizziness, pains in the back, and was pale, haggard and despondent.

"I kept doctoring and dosing without deriving the slightest benefit, and finally gave up all hope of getting well. One day my daughter, who had read of a wonderful cure by Paine's Celery Compound, begged me to try one bottle of the medicine. I told her it was no use to throw away money, but she pleaded so hard that I pleased her I bought a bottle, and before it was used up I felt better. Encouraged so much, I continued with the medicine and improved every day.

"I am now cured, thanks to Paine's Celery Compound. You cannot wonder that I considered Paine's Celery Compound the greatest medical discovery in the world. I urge all who are suffering to try this grand medicine and test its virtues."

Shouted After Him.

"Did you ever follow your wife's advice?" "Occasionally. But it usually follows me."
