OXYGENATOR is becoming a bigger favorite every day. Many people who were sceptical of its merit are now open advocates of this germ killing medicine. Oxygenator cures diseases because it acts as a carrier of oxygen to the blood. Blood purified by oxygen is free from disease germs. It cures all diseases of the stomach, liver and kidneys and is the greatest tonic and blood purifier known to science. Price 50c and \$1.00 a bottle.—MacDonald & MacKinnon, druggists, Corner G. George and Kent Streets.

The school here is making marked progress under the skillful management of the new principal Mr. Fulton Buntain and his assistant Miss Elizabeth Abbott. Extensive repairs have been made to the parsonage, and its appearance has considerably improved by the addition of paper and paint. We hope to see it made still more attractive in the near future by the presence of its new mistress Mrs. Dystant who has not yet arrived among us. The many friends of Master Harry Marks are pleased to see him able to be out, after being confined to the house since last May with a sore ankle. She returned to her home in Summerside on Monday Aug. 18th. Several of our enterprising young men and one young lady took advantage of the excursion to Winnipeg. Those who have gone are: Miss Annie Duran daughter of Mr. Samuel Durant, and her brother Harry Moody Pound, Frank Marks and Albert Glydon. Latest accounts told of their safe arrival. We wish them all success in the West. Mrs. John A. Woodside of Kensington and Mrs. Thos. R. Tuplin of Margate have returned from a pleasant visit to friends in Charlottetown, Little York and Pownal.

AN OBSTINATE CASE OF ECZEMA

Mr. W. D. Johnson, Tilsonburg, Ont., writes that his father was entirely cured of a long standing and obstinate case of Eczema by the use of Dr. Chase's Ointment. His leg and foot were a mass of sores that refused to heal and he suffered terribly from the itching and stinging. Though he used a great many remedies and was treated by first-class doctors no permanent relief was obtained until he used Dr. Chase's Ointment.

A QUARTER OF A CENTURY.

A Long Time to Suffer with a Very Painful Disease.

ECONOMY POINT, N. S., Sept. 1.—(Special.—Mr. George S. McLaughlin suffered for over 25 years with Lumbago. He had sought relief in very many treatments and medicines but never succeeded in finding anything to help him till he used Dodd's Kidney Pills. He says:—

"Sometimes the pain in my back was so severe that I could not turn myself in bed. A slight cold or hard lifting would bring on a fearful painful attack. I commenced a treatment of Dodd's Kidney Pills and in a short time the pain left my back and it became as strong and stout as ever, and I have not since had any return of the Lumbago.

"I am satisfied it is cured forever, and I believe Dodd's Kidney Pills will cure any case of the kind."
