MISSIONARY CONVENTION.—The chief business of Friday morning's session of the Women's Missionary Society held in St. Stephen, N.B., was the election of officers as follows: Hon. president, Mrs. J. D. Chipman, Toronto; president, Mrs. C. F. Sanford, St. John; honorary vice-president, Mrs. R. Johnson, Charlottetown, (P. E. I.); first president, Mrs. W. A. Thomson, Tryon; second vice-president, Mrs. G. F. Dawson, St. John; third vice-president, Mrs. J. B. Gough, Jacksonville; corresponding secretary, Mrs. P. E. Enman, Port Elgin; recording secretary, Mrs. W. H. Barker, St. John; treasurer of auxiliary, Mrs. T. A. Clarke, Newcastle and band secretary, Mrs. John Humphreys, Sussex; superintendent of Christian stewardship, Mrs. H. A. Goodwin, St. John; district organizers, Miss M. White, Charlottetown; Mrs. A. C. Woods, Chatham; Mrs. C. L. Peters, Fredericton; Mrs. R. MacLean, Moncton; Mrs. E. P. G. dwin, Sackville; Mrs. E. C. Hickson, St. John; Miss Jennie Veazey, St. Stephen; Mrs. W. A. Thomson, Wood-mer-side; Mrs. W. S. Corbett, Woodstock; Miss C. F. Hart and Miss M. BIRD, missionaries. Mrs. C. L. Peters, of Fredericton, was elected delegate to board meeting which will convene in Toronto in September next. The treasurer's report showed an increase of \$1,230.97 over last year. An intensely interesting and instructive address on "Behind the Lines" was delivered by the president, Mrs. C. F. Sanford who, in her remarks, made a strong appeal for more missionaries. The doors are open for five in Japan, nine for China and three for the Indian work in Canada. With the singing of the national anthem one of the most successful conventions of the New Brunswick and Prince Edward Island branch of the Women's Missionary Society came to a close Friday afternoon.

COME ONE COME ALL.—All returned men will be the guests of the Ladies Auxiliary of the G. W. V. A. at Band Concert tonight. 8006. GOOD REFRESHMENTS.—Grand music and perfect Ice Cream and Ice Cold Lemonade for sale at Band Concert, Curling Rink, tonight from 8 to 10. Admission 15c. 8006.

THE SCOTIA.—The Car Ferry "Scotia" is discharging her third and last cargo of freight for Charlottetown, at Bruce Stewart & Company's wharf. She brought sixty carloads here on her three trips. 8008. CARD OF THANKS.—Mr. and Mrs. Edward Doyle and family 44 Chestnut Street wish to thank their many friends in town and country for the kindness shown them in their recent sad bereavement. 8008.

STOCK SALE.—Pte. Edison Mallett, Bramshot, England, requests his mother to sell the stock on the estate of the late H. W. Mallett, Cornwall and keep the farm till he returns. See ad. in another column. Pte. Mallett returns to France June 1st. 8003.

A PROTEST.—A delegation consisting of Mayor Wright, City Recorder, City Health Officer and a number of the Councilors, waited on Supt. Grady of the P. E. I. R. Saturday and pointed out to him that the present quarters for cattle, which are kept in the city overnight, were too near private dwellings and asked him to provide a place for them where the neighborhood would not be disturbed and where the public health would not be menaced. The Superintendent promised to do so as soon as he could find a suitable place.

FAREWELL SOCIAL AND PRESENTATION

On the evening of Sunday, May 26th Rev. R. H. Stavert of Norton preached his farewell sermon to a large and appreciative audience. The church was crowded to the doors. Many were the expressions of deep regret at Mr. Stavert's leaving. On Tuesday evening a social gathering was held in the Public Hall, Norton to say farewell to Mr. Stavert. The hall was nicely decorated for the occasion and a large number of young and old of all denominations were present to do Mr. Stavert honor. After the evening had been pleasantly spent in games a dainty lunch was served by the ladies. Shortly before the gathering broke up Mr. Stavert was called to the platform and presented with an address and a well-filled purse. The address was read by Mr. P. Monahan, teacher of the Norton school and the presentation was made by Mr. J. W. Robertson. The following is a copy of the address presented:

To the Rev. R. H. Stavert, Pastor of St. Andrew's Presbyterian Church, Norton, N. B.: Reverend and Dear Sir:—It was with supreme feeling of regret and surprise that we the members of your congregation learned during the past weeks that you were to leave us—being called to labor in another congregation of the Lord. In bidding you farewell we are ever conscious of the loss we are sustain-

ing. For nearly three years have you labored early and late for our spiritual and temporal welfare, and your good work will long be remembered and your achievements recalled by this congregation. While we realize, dear pastor, that our loss is great yet we rejoice in the fact that your marked ability and constant devoted applications of your calling has been so recognized by those people whom you are going to serve, as to cause you to assume greater responsibility in your new field. And your kindly manner, energy, piety and intellectual ability, we realize will be a means of continuing the work so ably performed in this congregation.

In leaving you you carry the best wishes of an appreciative people imbued with the knowledge that your every act, deed and thought, was for our spiritual and temporal welfare. And no better evidence is wanted of your ability as an organizer than when we realize that you have Sunday Schools and also a number of missionary societies in the different sections of your widely scattered field. And since the various parts of your field were so scattered it has made your work at all times strenuous. We are pleased to know that the Hunter River and Brookfield congregation is much more compact and is therefore a promotion in this respect. In saying adieu we, the congregation of St. Andrews, wish to convey to you our best wishes for the future—health and strength to carry on further good work. And now in closing we beg of you to accept this slight token—a purse—as a kindly remembrance of the congregation of St. Andrews.

Signed in behalf of the Norton Congregation. Norton, N. B., May 28th, 1918. In replying Mr. Stavert gave a very concise and forcible address. The gathering was brought to a close by singing "For He's a Jolly Good Fellow," Auld Lang Syne and the National Anthem. During Mr. Stavert's ministry all departments of the church work have grown and the interest has deepened. Although the number of families in this congregation is not large some forty-two members have been received into the congregation and some eight members into the adjoining mission field during the past three years.

In Mr. Stavert's leaving, not only will the Presbyterian Church of Norton meet with a great loss but so also will the whole community. Ever since coming to Norton Mr. Stavert has taken a deep interest in all that has pertained to the upbuilding of the whole countryside. The present high standing of Norton and the surrounding districts along the line of moral, social and temperance reform is due largely to the energy and courage of Mr. Stavert. A number of rum sellers and others who when under the influence of liquor seemed to delight in disturbing the peace of the town have been taught some never to be forgotten lessons. The force of these lessons taught, has had a splendid effect upon those who might be tempted to do likewise. And further, Mr. Stavert's leaving will be a loss to the whole province. To no one man, perhaps, does the province owe more than it does to Mr. Stavert for its present high standing along temperance lines. When Mr. Stavert came to New Brunswick about twelve years ago the Local Option Law was practically unworkable. Through the energy and determination of Mr. Stavert a movement was set on foot, which resulted in the securing of one of the best local option laws of Canada. This law did much for the province. But not satisfied with this, Mr. Stavert then undertook to try to secure a prohibitory law for New Brunswick. With this object in view in the month of December, 1913, he brought F. S. Spence of Toronto, then President of the Dominion Temperance Alliance to Moncton and there they organized the New Brunswick Branch of the Dominion Alliance. Some months after this Mr. Stavert left the work of the regular ministry and became the first field secretary of the Alliance and gave to the Alliance a year of faithful strenuous and fruitful service.

The results of his work are being seen by the workers of today. But not only did Mr. Stavert do splendid service in the interests of Temperance work while with the Alliance but also for a number of years before this when working with the Sons of Temperance. The success met with by this Order in the Province was for quite a few years due to a large extent due to the work done by Mr. Stavert. And to such a degree was Mr. Stavert's worth recognized by this Order as a whole, that in 1914 he was elected to the high and honorable office of most Worthy Patriarch of the National Division of the Sons of Temperance of North America. This is the highest honor that this Order can confer upon any of its members and Mr. Stavert was one of the youngest members upon whom this honor was ever bestowed. The Sunday School Association will also meet with a loss in Mr. Stavert's departure. For some three or more years he has been superintendent of the Temperance Department of that work. During this time he, assisted by the different county and parish superintendents and also by the Superintendents and teachers in the various Sunday Schools has succeeded in organizing a temperance army throughout the province of upwards of 15,000 members. Thus, because of the service rendered in all of these different departments of religious and moral and social reform work the loss of Mr. Stavert to the province will not be a light one. Just before his departure not only did the Norton section of the field show its appreciation of Mr. Stavert's services but farewell services were held and presentations made by the sections of Cody's English Settlement, Bellisle and Erb Settlements. Rumour has it that a number of the other sections of the field are to be heard from when Mr. Stavert returns to his old field for several weeks rest—following his recent operation in the Moncton Hospital. Mr. Stavert was inducted into the pastoral charge of Hunter River, Brookfield and Hartsville on Thursday afternoon and begins his work there on Sunday, June 2nd. After preaching for a Sunday or two Mr. Stavert will take a rest for several weeks before taking up the work permanently.

Navigation has been added to the field of service of the Brooklyn Rapid Transit system, remarks the "Electric

Canada's Registration

Its Purpose and Application

CANADA faces the gravest crisis in her history. Four years of war have taken from the Dominion a heavy toll in talent and labor, yet despite the shortage of man power, our Allies still depend on Canada to maintain her own fighting forces at full strength and to increase her exports of food and war materials, so vital to them, and to the successful prosecution of the war.

Every ounce by which Canada can increase her food production and every ounce Canada can save in her food consumption is needed for export to the Allies.

Should the war continue for another year, food cards and a rationing system may have to be instituted. It is the duty of Canada to be prepared for whatever situation circumstances may force upon her.

It is quite probable that before the war is won our Government may have to place restrictions upon the occupations in which men and women may engage. In such an event the Government wishes to be in a position to render all possible assistance in keeping our population usefully and profitably employed.

Registration Day, June 22nd

These conditions point to the necessity of Canada knowing the exact capabilities of her men and women at home. All persons residing in Canada, male or female, British or alien of 16 years and over, will be required to register on June 22nd and truthfully answer the questions set forth upon the registration card. It is not the Government's intention to conscript labour in any form, but to assist in directing it wisely, so that every available unit of

human energy may be utilized to the best advantage.

The information procured through registration will be used—as an aid to the Military Authorities in procuring the men necessary to maintain "Canada's First Line of Defence"—to mobilize all units of available labor in the Dominion and direct them from less essential to more essential occupations—to establish and intelligently administer a system of food rationing should that become necessary.

Lost Control of the Nerves

Became Hysterical and Could Only Sleep When Doctor Gave Narcotic—Never Expected To Be Well Again

Clementport, N. S., June 3.—It is possible that your experience may be somewhat like that of Miss Burrill, whose letter we publish to-day. This letter was an extreme case of nervous exhaustion and her cure all the more remarkable on this account.

You will notice that Miss Burrill's statement is vouched for by Mr. Alonzo W. Daniels, J. P., so there can be no question that this case will stand the most strict investigation. Miss Gertrude M. Burrill, Clementport, N. S., writes: "I have used Dr. Chase's Nerve Food with splendid results. For a number of years I was afflicted with nervousness, and six years ago had a complete breakdown. I had no control of my nerves, and had terrible hysterical spells. I could not sleep, had night sweats, awful dreams and nightmares. My physician gave me medicine to put me to sleep every night, and another kind to take every two hours during the day, but it did not seem to do me any good, only while I was taking it. I never really expected to get well. Reading about Dr. Chase's Nerve Food one day, I gave it a trial, and the results from the first box encouraged me, so I continued its use, and found my nerves getting steady and stronger. My appetite improved and I gained strength, ambition and flesh. Now I am able to do considerable work, and can highly recommend Dr. Chase's Nerve Food as a good tonic for the whole system."

(Alonzo W. Daniels, J. P., says:—"It gives me great satisfaction to vouch for the testimony of this young lady and the benefit she has received from your wonderful discovery.") Dr. Chase's Nerve Food 50 cents a box, a full treatment of 6 boxes for \$2.75, at all dealers, or Edmondson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

ful strenuous and fruitful service. The results of his work are being seen by the workers of today. But not only did Mr. Stavert do splendid service in the interests of Temperance work while with the Alliance but also for a number of years before this when working with the Sons of Temperance. The success met with by this Order in the Province was for quite a few years due to a large extent due to the work done by Mr. Stavert. The Present Policy of Food Conservation

is strongly supported by the skilful method used in the processing of the well-known food.

Grape-Nuts

This blend of wheat, barley and other grains, with their rich, nutritive elements, make a food unparalleled as a builder of health and vigorous physique.

It is economical, no sugar being required. Its self-developed grain sugar gives it sufficient sweetness.

Grape-Nuts is a delicious food and invaluable as part of the daily dietary.

"There's a Reason"

Canadian Postum Cereal Co., Ltd., Windsor Ont.

Railway Journal." This comes in the nature of a car with the motor built above the floor, so that cars may be operated through flooded streets.

"At one point in particular in Brooklyn the houses along both sides of the street are built at a much higher elevation than the street, and whenever there is a heavy rain or a melt from a heavy fall of snow the drainage is so inadequate that the street becomes a veritable canal. As the result of melting snow such a flood recently reached a maximum depth of three feet, and Canarsie Ferry was pressed into service, carrying passengers across the deep to safety on the dry

land on either side of the young flood. "Before the Canarsie Ferry was built for ocean voyages this lie has several times been compelled to discontinue operation for periods of twenty to thirty-six hours."

Never starch lace curtains, as the starch rots them. Dissolve one ounce of gum arabic in a half-pint of boiling water, strain and bottle, keeping well corked. Add a dessert-spoonful of this to a pint of cold water and dip your lace curtains in it.
