INTERESTING LETTERS.—The following letters have been received by Mrs. Stewart from her son, Ira, who is at the front:—"France, April 8, 1915. Dear mother.—Just a line to let you know that I received your letter, and also Jack's to-day, and was very much pleased to hear from you. I have written to you every week since I came to France, and cannot understand why you do not hear from me regularly. Well we are all safe so far, and hope to be the rest of the time. There are six Charlottetown boys in this battery. Their names are: Jack Bowdin, Wilfred Higgins, Dick Brehaut, Stephen McKinnon, Kenoreth McLean and myself. Oh yes, there is another, George Brady, and there is not one of us who received a thing from Charlottetown. I wish you would send me some papers, and also a magazine or two every week, as we have nothing out here but a few papers, once in a while. Well mother we are not allowed to tell much news for our letters are all read here, before they leave. Well I guess I will close for this time, with love to all. I remain your loving son, Ira Stewart." "Belgium, May 3, 1915. Dear mother.—I received your letter a few days ago, and was glad to receive a line from you as it is a long time since I had a letter from you. I am writing this, and the ground is shaking from the report of the guns and the bursting of the shells. I am still safe and sound though, and I hope to be for a long time yet. We have not had many casualties so far in the First Battery, although there has been very hard fighting here, and a lot of artillery fire on both sides. Remember me to aunt Elmira and give her my love, for I have not time to write to anyone now. I am bicycle messenger for our battery, and have to go with all the messages for them. Well I have not much news to write this time so I will close. Love to all. I remain as ever, your loving son, Ira Stewart."

Catarrh Never Stops In Same Place Reaches The Lungs—Developes Consumption

To Stop a Cold Quickly and Prevent Catarrh Use "Catarrhzone," Nothing more serious than the common-cold. If it gains headway you can't stop it from running into Catarrh, deafness, or serious throat trouble. Catarrh spreads very fast. From nose to throat it goes in a day. Soon the bronchial tubes are affected—and before you know it, unless very healthy, the lungs are hit, and it's too late. While you have the chance, drive colds and Catarrh right out of the system. You can quickly do so by inhaling the rich piney vapor of Catarrhzone. Right to where the living germ of Catarrh is working will the healing fumes of Catarrhzone go in ten seconds. No liquid medicine can penetrate to the deep recesses that Catarrhzone bathes with its soothing vapor—that's just why it proves so wonderfully effective. The health laden vapor of Catarrhzone cures the worst of coughs and hoarseness. The uttermost parts of the bronchial tubes are reached. Bronchitis is cured—every cell in the head, throat and nose is treated by Catarrhzone's wonderful fumes. A \$4 Flag and Outfit Free

THE UNION JACK
It's only a small piece of bunting,
It's only an old colored rag—
Yet thousands have died for its honor,
And shed their best blood for the flag.
It is charged with the cross of St. Andrew,
Which, of old, Scotland's heroes has led;
It carries the cross of St. Patrick,
For which Ireland's bravest have bled.
Joined with these, on our old English ensign,
Is St. George's red cross on white field,
Round which, from King Richard to Wolseley,
Britons conquer or die, but ne'er yield!
It flutters in triumph o'er ocean,
O'er CANADA, the Indies, Hong Kong,
And Britons, where'er that flag's floating,
Claim the rights which to Britons belong.
Yes, it's only a small piece of bunting,
It's only an old colored rag—
But Freedom has made it majestic,
And Time has ennobled the flag.

REFUSE ASYLUM IN UNITED STATES.

WINNIPEG, Man., May 18.—Worn out, a pitiable band of 192 men, all that was left of 1,000 unemployed who started out from Winnipeg on Friday to walk to the United States, arrived at the boundary town of Emerson in a state of exhaustion last night. Mayor Casselman, of Emerson, had made arrangements for every contingency long before the band reached that town. After seeing them he was touched with their bedraggled appearance after their 65 mile walk that he collected sufficient provisions to feed them. It is stated that those of the band who are alien enemies will be interned at Brandon and the remainder brought back to Winnipeg.

THE MUTUAL LIFE OF CANADA AND THE BLUE BOOK

The policy holders of the Mutual Life of Canada will be pleased to note that the report of the Dominion Government for the year 1914 shows that this Company continues to pay magnificent dividends both on the annual and quin quennial systems, the result being an army of satisfied policy holders who voluntarily advertise the merits of the Mutual of Canada. One significant fact is that this Company still leads all others in amount of endowments in force in Canada. It has nearly \$4,000,000 more insurance in force on this plan than any other Company, which speaks for the solid and substantial character of its constituents. Another important fact is that the Mutual of Canada has the lowest ratio of lapses and not taken policies to the new issue of 1914 business. This speaks for the class of men insuring in the Mutual Life. The Company is represented by Mr. J. O. Arsenault who informs us that more business has been written here so far this year than in any previous year. Mr. Arsenault's office is located at 135 Kent Street, Charlottetown. 9999-5-17M31.
