EDITOR'S MAIL. DELAYED CLAIMS.

SIR.—I notice last evening's Patriot gives the Dominion Government credit for being so prompt in paying our Local Government's claim in releasing S. S. Stanley from the ice last winter. Would it not be more creditable to them to look after the interests of the business people and pay them amounts due for twelve months and over.

We are selling more Oxygenator this winter than any previous winter. There is no doubt about the merit of Oxygenator, its immense sale proves it, because Oxygenator is only advertised by personal recommendation—one person to another. It is splendid for colds, a few doses often breaking a severe cold. As a tonic it has few equals. Good for any germ disease and especially valuable for nervous diseases. Price 50¢ and \$1.00 a bottle.—"The Two Macs" MacDonald & MacKinnon, Druggists, Corner Great George and Kent Streets.

Mac's Sweet Castor Oil.

FOUNDED ON FACT.

THE MAN FELL down, down, down, 10 feet, 20 feet, 40 feet. Far below could dimly be discerned turbulent waters and jagged edges of rocks. **MUST HE DIE?** And he so young. Just as he had given up all hope, his fierce descent was suddenly checked—his coat made from

MONCTON TWEED

caught on the sharp edge of a rock and in spite of the awful strain, it stood firm, not a thread gave way.
