Help Wanted

Am endeavouring to gather information as to postal mark-ings on old letters in Prince Edward Island prior to 1875. There must be still some of these not yet destroyed even dating back to 1800. Any one having one or more, that could be loaned, donated or sold, please write me. Condition not essential as I want to note the postal markings. Many or most, of such letters will be without postage stamps and are wanted in either state.

A New York policeman administers artificial respiration to Prince Michael Galatin of Russia, but a half-hour later he was pronounced dead. The one-time prince, 52 years of age, had sunk to the level of a thief. Under the name of Michael Greenwich, he was arrested in February and charged with embezzling \$50,000 from a company where he was employed as bookkeeper.
