ROCKY POINT AND VICINITY—The roads leading to Rocky Point ferry are undergoing extensive repairs, the new bridge being completed with the exception of the grading. A number of men are busily engaged in that work. Our enterprising farmer Allen McIsaac, Fairview has moved his house of its foundation and is putting up a new and modern structure. Frank Smith and son Bruce have moved into their new home the erection of which was started first of April. Mr. Smith is loud in praise of the good neighbors and friends who helped so much since the disastrous fire which destroyed his former home. Congratulations are extended Miss Muriel McKinnon, Ringwood school, on having obtained her school leaving certificate. Mrs. Isabel Currie and grand-daughter Miss Isabel McDonald who lately returned from the United States have taken up their abode in their summer home. Quite a number of tourists are wending their way to Holland Cove, the beautiful Summer Resort which opened up last of the week. Ringwood Women's Institute was entertained last Thursday by Mrs. Augustus McMahon not quite as large an attendance as usual but a representative body who loyally carried through the meeting and enjoyed the hospitality of Mrs. McMahon. The secretary read a paper on the following "How to make your Institute a failure." The Ringwood school examination took place Tuesday June 30th. The pupils were thoroughly examined in all branches taught and showed by their ready answers that they had a good understanding of their work. Miss Stackman ushered the bride-to-be to the parlor to the strains of a bridal chorus played by Mrs. L. H. Coles of Milton. The parlor was beautifully decorated for the occasion. The gifts were opened by Florence Burke of Charlottetown which caused much laughter. Miss Stewart in a few well chosen words thanked one and all for their kindness. After singing for she's a Jolly Good Fellow the bride was showered with confetti and ribbons. The remainder of the evening was spent in solos, duets and dancing. JUNIOR RED CROSS IN SOURIS—An interesting feature of the Closing Exercises of Souris High School was the presentation of certificates to two of the classrooms for five years' consecutive membership in the Junior Red Cross. The Junior Branches winning these certificates were the "Souris Beavers", Grade III and IV, taught by Miss Mary Macdonald and the "Souris Stars", Grades I and II, taught by Miss Grace O'Donnell. Junior Red Cross was emphasized in the programme by several delightful health drills and songs given by the youthful members. The presentation of the certificates was graciously made by Mrs. C. Gavin Duffy of Charlottetown, an Executive member of the Provincial Division of the Canadian Red Cross Society. Miss Catherine McLean of the Red Cross Staff, thanked the Principal, Mr. Russell Leard, the teachers and their predecessors, Miss Pearl MacKenzie and Miss Wanda Acorn for their co-operation in organizing and directing the Junior Branches by means of which the pupils have improved their own health and learned to help other children less fortunate. CAR FERRY'S ARRIVAL NOT DEFINITE—It is expected that the new car ferry steamer will be in operation between the Straits within the next two weeks. No definite word as to the arrival of the steamer has been received by the railway authorities here, but in view of the satisfactory reports received from Montreal as to her trial runs it is expected that the steamer will shortly be put into operation. An erroneous report from Moncton, giving July 1 as the date of the inauguration of the new service, evidently referred to the successful outcome of the steamer's two-day speed trials on the St. Lawrence. On this test, the exceptional speed of 15 1-3 knots was maintained over a distance of six miles. The fuel consumption was less than expected, and the vessel was found to draw three inches less than provided for.

ADDRESSED CIVIL SERVANTS—Mr. W. J. Callaghan, Ottawa, Secretary of the Civil Service Federation of Canada, addressed a very enthusiastic group of Civil Servants in the Legion Hall on Thursday evening. Mr. Callaghan, a former Islander, is a pleasing and most convincing speaker, and in his short address gave a concise synopsis of the workings of the federation—what it has accomplished in the past and what it hoped to accomplish in the future. In his closing remarks he strongly advised every Civil Servant to become a member of an Association affiliated with the Federation and pointed out the benefits to be derived from such membership. At the conclusion of the address, in a hearty vote of thanks moved by Mr. S. T. Gallant, Supervisor of Fisheries, and seconded by Mr. Leo Bradley, of the Preventive Service, the appreciation of the Civil Servants present was expressed and extended to the speaker who replied in a fitting manner.

ENRAGED BEAR ATTACKS MAN

LYONS, Colo., July 3.—(U.P.)—Carl Brke, a rancher, narrowly escaped death in a battle with an enraged bear. He discovered the bear battling a cow who sought to protect her calf. The mother-instinct in the cow was strong, and the ordinarily passive bovine was stabbing frantically with her horns in an endeavor to keep the bear from the tiny calf. The battle, however, was unequal, and Brke ran home for a gun. He returned with a shotgun, and fired both barrels at the bear, shattering one of its fore-legs. The bear promptly charged its attacker, and Brke fled for his life into a barn. The bear followed, and Brke jumped from stall to stall, to escape the maddened animal. The rancher finally escaped and got into the house again, securing additional shells. As he emerged, the bear, limping away, turned again to the battle. Rising on his hind feet, the animal waddled toward the man. Brke fired, but the bear continued its awesome walk toward him. The rancher fired again and again. At the sixth shot, when it was a yard from him, the bear toppled over dead.

SAN ANTONIO TO HONOR SAINT

SAN ANTONIO, Tex., July 3.—(U.P.)—This city will pay homage July 13 to its namesake and patron saint—St. Anthony. Solemn ceremonies recalling the 18th Century, with high church dignitaries officiating, will mark the seventh centenary celebration of the death of St. Anthony here and wherever Catholics gather throughout the rest of the world. St. Anthony was described by Pope Leo III as "the saint of the whole world." Eighteenth Century Catholics knew him as the wonder worker of their church. When the franciscan friars arrived here with the Spanish soldiers more than 200 years ago they dedicated the Alamo to St. Anthony's memory. From St. Anthony's name as a boy, Fernando, is derived the name of the San Fernando cathedral here, where the services will be held. Born in Lisbon, Portugal, in 1195, St. Anthony at five made a vow of chastity in honor of the immaculate purity of the Blessed Virgin, consecrating himself to celibacy. At 15 he joined the Canons of St. Augustine in Lisbon, remaining there two years. Later he went to the parent house of the order at Coimbra, where he spent eight years in the study of philosophy and theology, the sacred scriptures and the fathers of the church.

ADDRESS OF APPRECIATION

On Thursday afternoon June 4, the members of Crapaud W. I. were at Home in the Institute Room in honor of Miss Ruth Wood whose marriage took place recently. Victoria W. I. were also entertained on this occasion. A pleasant social time was spent during which Miss Wood was presented with a silver cake plate accompanied by the following address:

Dear Ruth Wood—For some time past rumours have been floating abroad—rumours of wedding bells to ring in the not too far distant future. Your fellow-members of Crapaud Institution have heard these rumours and have learned that you are about to embark on the sea of Matrimony; therefore we felt that we could not let this occasion pass without in some small way expressing our appreciation of what you have meant to us since you became a member of our Institution. On all occasions you have proved yourself capable and willing to help in whatever way was required, whether in helping with an entertainment, where your musical talents were always appreciated, or in raising funds by any means for our organization.

RIVIERA FACES CAMPAIGN TO REFORM "BEACH WIDOWS"

(By Ralph Heinzen, United Press Staff Correspondent) PARIS, July 3.—(U.P.)—British Puritans have started a violent campaign to bring decency back to the golden sands of the French Riviera, the smart beaches much favored by the fashionable cosmopolitan crowds, and send the English "beach-widows" back to their husbands, or make them sew inner linings on their diaphanous beach pajamas.

The French police long ago gave up the idea of making the golden sands safe for Puritans. Two-piece bathing suits gave way to one-piece apace, and now the most daring bathers are back to two-pieces again, a little silk brassiere and a short pair of skin-tight "shorts," with plenty of browned skin in between, above and below the two pieces.

Signing herself "A North-of-England Woman," a British Puritan has written a letter to the editor. The letter was published in the "Avenir" of Juan-les-Pins, smart beach, of sand and parasol pines, two piece (separated) bathing suits and all-lace pajamas. She protests against the display of flesh and bad manners: "Hundreds of shameless English women conduct themselves daily on

the beach in scandalous fashion. These so-called smart women from my own country bring a blush to my cheeks and to every decent English woman. They came to the Riviera because they knew that they dare not behave in the same manner on any English beach, where they would be jailed if they wore such transparent beach pajamas, or such so-called suits as 'brassiere' and shorts, which leaves the middle unclothed and which they pretend are decent.

U. S. DENVER EMPLOYEES HAVE NEW WORKING HOME

DENVER, Colo., July 3.—(U.P.)—Approximately 800 United States government employees are housed in a new federal building which was recently erected here at a cost of about \$1,000,000.

There are more branches of the federal service in Denver than in any other city in the United States with the exception of Washington. The new building was constructed of Colorado white marble and is located in the downtown business section.

Before the construction of the new building, the federal offices here were scattered throughout the town. A number of them were located in the old customs house building which is to be sold.

With the exception of the past office, the reclamation bureau is the largest federal branch in Denver. The office here has charge of all reclamation activities west of the Mississippi river. The forestry service also maintains a large staff here.

YOUTH SPENDS RESTLESS NIGHT WITH COPPERHEAD

OKMULGEE, Okla., July 3.—(U.P.)—A night's sleep with a snake caused seven-year-old boy near here no injury other than fright.

Awakened early in the morning by the frightened cries of her son, pleading that there was something in bed with him, Mrs. Weaver arose and went to the boy's bed. She took the boy up and quieted him, thinking that he had had a bad dream. Then she laid him back in bed, where he slept until breakfast.

In removing the cover, while making the bed, Mrs. Weaver was startled when a large copperhead snake dropped to the floor. It was believed the snake had crawled into the house in search of warmth.

Dog's Tail Takes Fire

SUN ON MAGNIFYING GLASS LENS CAUSE OF MISHAP

CHICAGO, July 2.—It was so hot in Chicago today that a dog's tail caught on fire.

A be-whiskered man who admitted he was an insect collector, but refused his name and his pet chow, Gyp, seeking relief from the boiling sun, camped this afternoon beneath a huge parasol at one end of the north side beaches. The collector there pursued his studies with a large magnifying glass. Gyp, interested only in comfort, stretched out in the shade near the edge of the umbrella, the tip of his tail exposed to the sun, and went to sleep.

CLADA CORCORAN

There passed away at the Anson General Hospital, at Iroquois Falls, Ont., on June 30, 1931, Clara, six-year old daughter of Mr. and Mrs. Ambrose Corcoran.

The floral tributes were many and beautiful.

She was buried at 9 o'clock on Tuesday morning from St. Ann's R. C. Church.

The pall bearers were, Clark Cameron, Douglas Cameron, Jack Wilks, George Wilson, Bernard Gannon and Fairfield Vanier. Surviving are her parents two sisters Cecelia and Marion and one brother, Raymond, Mr. Corcoran formerly lived on Baldwin's Road, P. E. I.

LACK OF POLITENESS COST HIM LIQUOR LOAD

BERKELEY, July 3.—(U.P.)—Tony P. Araugo, 26, forgot the old saying that little things count, and was in jail here because he failed to be polite to a traffic officer.

Araugo failed to make a boulevard stop. When Policeman Donald Simpson began questioning him, he grew impatient. The officer became hard-bolled, and escorted Araugo and his automobile to the city jail.

A search revealed that the car contained 120 gallons of alcohol in five-gallon cans.
