

Canadian Lady Skater Smashes Olympic Record

Canada's Entrants Make Great Showing But Experience Hard Luck In Finals.

LAKE PLACID, N. Y., Feb. 9.—(By Wallace H. Ward, Canadian Press Staff Writer)—The world's 1,000 metres speed skating record for women fell before the flashing blades of Mrs. Lella Brooks-Potter of Toronto in a preliminary heat of the 1,000 metres demonstration race for women at the Olympic games here today. The dark haired Canadian girl sped around the glassy Olympic racing oval with long easy strides to pace the 1,000 metres in 2 minutes 12-10 seconds which beat the old mark by 15-20 seconds. A gasp of amazement went up from the crowd when the time was announced and then the smiling winner of the great heat was given a great ovation from the frozen spectators huddled in the high wooden stands. Frau Jamerlingowa of Poland held the former record of 2 minutes 16-4-10 seconds.

Mrs. Potter had made her best effort, however, and placed fourth in the final, Jean Wilson, another Toronto speedster, won the second heat and missed first place in the final by a heart-breaking fall in the last ten feet before the tape.

Hattie Donaldson, of Toronto,

DRAWN GAMES IN JUNIOR LEAGUE

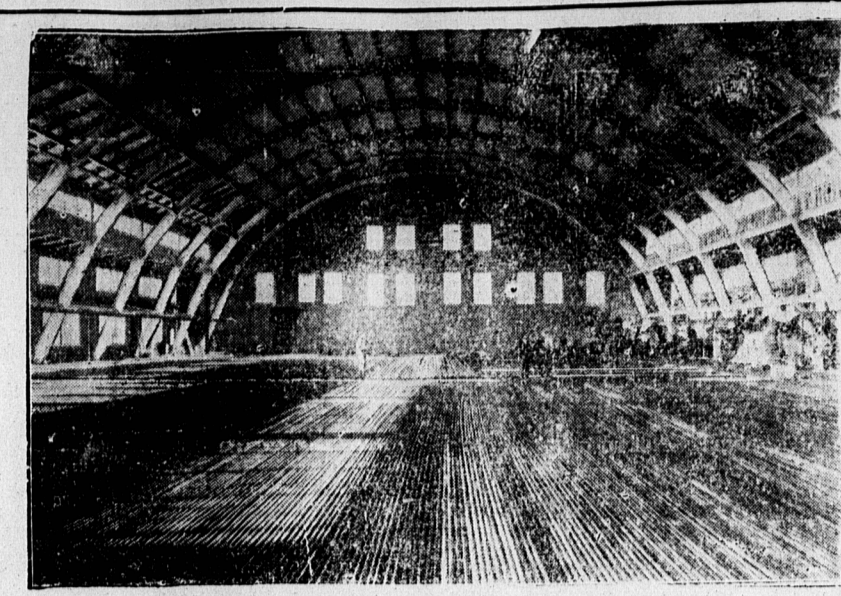

Queen Hotel And Levin Fur End Two All, While Gyros And Mohawks Also Draw.

The third section of the Junior League opened auspiciously last night at the Forum when a double-header was staged, the Levin Foxes playing a draw with the Queen Hotel sextet 2-2 in the first set-to. The second game was also a stalemate, resulting in a one all draw.

The first game was a humdinger. At the end of the regular playing time, the score was tied 2 all. As the hour was late, the boys decided to split the points and call it a night. The splendid sheet of ice greatly contributed to a hard, fast game of hockey. The Queens secured an early lead and looked like eventual winners, but they reckoned not with the fighting qualities of the Levins. The Furs used good tactics in stopping Acorn last night, using Currie, fast right winger to bother Chevlie back of the Queen's blue line and to prevent the fast defence man from breaking loose. MacMillan was not as effective last night as usual and the Queens seemed to lack cohesion, their combination being off color. The Queens were all good individually, but a single man cannot beat a whole team. The Levins were full value for the tie. Stewart played great hockey, his aggressiveness, coupled with speed and a great shot being ever a thorn in the side of the Queens. "Pud" Whitlock showed great speed last night in addition to his usual effective play. Currie showed the fans last night he can play hockey when he wants to. Ferguson and Carmichael played well on the defence. Fraser, P. Whitlock, McCabe and Campbell were the right men in the right places last night. Burgoyne was a wonder in the goal and to him goes a good deal of credit for the draw. Acorn and Storey put up a stonewall defence in front of Johnson, who had hard luck on a couple, but otherwise was effective. MacInnis, who started at centre, was brilliant; Beer, Fitzgerald and R. Johnson turned in their usual effective displays.

The second game played between two evenly matched teams, had its logical conclusion, when Rogers scored the tying marker in the third period after Balderson put Mohawks in the lead in the first period. It was an uninteresting game, being a close checking, poor combination affair. Mel. Diamond refereed efficiently.

Battle - Ground Of Finals

WHERE THE OLYMPIC FINALS GAMES WILL BE PLAYED. This \$225,000 plant was completed on January 1st and was formally dedicated, Jan. 16th. It is 238 feet long by 143 feet wide. Inside the ice sheet will measure 82 1/2 by 197 ft. Over 3,000 spectators can be accommodated during the Olympic games. For the first time in the history of the winter games inclement weather cannot interrupt either the hockey schedule or the figure-skating competitions.

MILLIONAIRES CHIAWKS 3 WITHDRAW AMERICANS 1 FROM LEAGUE

SUSSEX, N. B., Feb. 9. (By the Canadian Press)—It was learned here tonight that Charlottetown Millionaires had withdrawn from "A" division of the Central Hockey League and forfeited the game scheduled with Sussex here tomorrow night. As a result, Sussex Dairy Kings have arranged to play Moncton Maple Leafs tomorrow evening in the last regular league fixture. This match had been scheduled for Friday.

Sussex and Amherst gain two points by Charlottetown's default. This completes the schedule for Amherst, giving them a total of 25 points. The Dairy Kings, with the default, have 23 points, and their victory over Moncton would tie Sussex and Amherst for the leadership of "A" section of the Central League. The winner in this section will play Summerside Crystals for the championship of the league as a whole. If Sussex defeats Moncton, the former Club and Amherst will play home and home games next Friday and Monday to decide the divisional winner. The scene of the first playoff will be decided tomorrow.

HUB BRUINS 2 RANGERS 1

BOSTON, Mass., Feb. 9.—The Boston Bruins were in top form tonight as they humbled the New York Rangers by a 2-1 margin in one of the most interesting hockey clashes played here this season.

The victors caged their first tally during the second minute of the game, Cooney Welland carrying inside and passing over to "Dit Clapper, who slashed home the rubber.

Murray Murdoch put the Rangers into scoring position on a dash with Cecil Dillon. The former carried down the right wall and after Dillon smashed through the Boston defence, Murdoch passed over, Cecil slashing the puck through "Tiny" Thompson who was in the Boston net tonight after a long rest.

Marty Barry caged the winning goal when Eddie Shore passed out from a corner after fighting off Johnson and Earl Siebert.

The second period opened with a bang, both teams working hard for a score, which finally came from Hal McLeod's stick, through the combined efforts of Horton and Cook who assisted him on the forward line of M. River team. The score then read 2-1 in favor of M. River, Lorne Stewart and Leslie Stewart on the M. Harbor forward line, through a nice combination play, again evened the score. Lester scored on a pass from Lorne, Chester Cooper assisted M. Harbor Forward, George Fraser again secured the puck, and realized on a long shot, thus put the M. Harbor team in the lead by a score of 3-2. M. River team played hard, but could not score. G. Fraser got the puck, skated through and passed over to Leslie Stewart, who in turn slammed the puck behind Herrin in the M. River goal. The score now read 4-2 in favor of M. Harbor. Six minutes left to play and M. River forwards pushed matters hard but were frustrated many times by the goal tending of M. Stewart in M. Harbor goal. However M. River managed to break through twice, and scored. One tally from Hal McLeod and the final tally from Roy Cook's stick. The game ended a tie. The game was very efficiently refereed.

The lineup is as follows: M. Harbor, Goal, M. Stewart; R. Defence, George Fraser; L. Defence, Gerald Prowse; R. Wing, L. Stewart; L. Wing, Leslie Stewart; Centre, Chas. Cooper and Lloyd Herrin.

M. River, F. Herring, F. McLean, J. Reynolds; C. Horton, R. Cook and H. McLeod.—H.

Good Work: Whenever you attempt a good work you will find other men doing the same kind of work and probably doing it better than you. —Henry Dunsford.

The thaler—whence called—was once the European standard for weight and purity.

Polish Team Is Whitewashed By Winnipegs 10-0

(By Wallace H. Ward, Canadian Press Staff Writer)

LAKE PLACID, N. Y., Feb. 9.—Displaying a return to the form which carried them through to the Dominion championship last season, Winnipeg, Canada's Allan Cup holders, smothered Poland's red sweated hockeyists, 10 goals to 0 here this afternoon to register their fifth straight triumph in the Olympic championship series.

Canada's representatives, bent on winning for the Maple Leaf the third straight world's amateur championship on the cramped Lake Placid rink did not have to extend themselves in their second meeting with the Poles who they defeated last Sunday, 9 to 0.

Five markers in the opening frame, a single in the second and a quartette in the finale completed the rout of the red shirts who showed greatly improved style compared to the calibre of hockey they showed against Toronto Varsity Grads in 1928 and against Toronto Granites in 1924.

Hack Simpson and Walter Monson, free skating forwards, were the leading marksmen this afternoon for the team which was sharply criticized before leaving the borders of their native land as a sextette incapable of bulging the twine with any degree of frequency. True, the teams they have met, outside of the United States, are not on a par with Canadian squads, but nevertheless the Winnipegs have scored five straight victories and amassed 30 goals against two for the opposition.

Today's game was less than two minutes old before Monson, giving a masterly exhibition of puck juggling, swept past the Polish rear-guard for the opening score. Simpson duplicated his team mates' efforts for number two, then Romeo Rivers, hockey's shik, converted Monson's perfect pass into the Winnipeg's third goal as the Polish team battled helplessly to stem the wave of white clad Canucks. Monson scored his second counter at the half-way mark and Norm Malloy wound up the period with a neat tally on a pass from Roy Hinkel.

During the second session the Europeans resorted to the style of hockey favored by the United States team. They packed their defence tightly and this, coupled with their awkward style, helped them hold the Dominion champions to a single marker, notched by Hughie Sutherland, assisted by Rivers.

The Winnipegs solved the peculiar defensive system of their opponents in the last 20 minutes and rapped the rubber past the opposing netminder five times, Simpson, Hinkel, Ken Moore and Stony Wise being the successful marksmen.

Tomorrow the Winnipeg's meet the Lake Placid team in one of the scheduled exhibition matches and on Saturday, the Winnipegs meet the United States in the final program game.

Wins Worlds Cushion Billiard Championship

(Canadian Press)

CHICAGO, Ills., Feb. 9.—Augie Klechhefer of Chicago tonight won the world's three cushion billiard championship by defeating Otto Reiselitt of Philadelphia, 50 to 27 in 40 innings.

Search For Seamen Is Abandoned

(Canadian Press)

BOSTON, Mass., Feb. 9.—The coast guard destroyer Conyngham returned to this port yesterday having given up a search for 21 missing members of the crew of the Boston fishing schooner Eleanor Nickerson which sank after collision with the Belgian steamer Jean Jadot off Halifax Friday.

The destroyer had cruised the vicinity of the disaster without finding a particle of wreckage, and hope for the missing men was abandoned.

The six survivors, who were picked up by the Jean Jadot and taken to New York, returned to Boston today.

Boxing

PARIS, Feb. 9.—(Canadian Press Cable)— Maurice Grisele, French heavyweight champion tonight was awarded a decision over Dan McCormick, South African Champion in a ten round boxing bout fought here.

No expensive tins - But double value in tobacco itself

MACDONALD'S HONEY DEW TOBACCO

MACDONALD'S HONEY DEW CANADA'S BEST BURLEY

If you like the rich, mellow flavor of Burley tobacco you can enjoy the very finest that the sunny fields of Southern Ontario produce and at one-third less cost than any other genuine Burley.

HONEY DEW is sold in PACKAGES—that is why a full one-tenth pound can be retailed at 10 cents.

To pack HONEY DEW otherwise would only increase its cost—it would not affect its quality.

THE HIVE OF INDUSTRY

LOOKING 'EM OVER

BY "TEC."

TONIGHT IS THE NIGHT

Frederick Capitals arrived in town last night. They are all set for their tilt with the Abbies tonight. Don't think this Frederick team wants Moncton to lead "B" division of the Northern League, and don't think they are not going to try hard to get the two points tonight that will put them in a tie with the Hawks.

What about the Abbies? They are still smarting over their loss last Friday in Frederick and are out to see that the "Caps" do not capture those two points.

By winning their two home games Abbies will have 30 points, Frederick 31, and Moncton 33.

N. B. LOOKS GOOD

A New Brunswick sports writer makes the prediction that the Maritime hockey title will rest in that Province this season.

Judging by the calibre of hockey shown in the Northern League this winter, it looks as if the N. B. series is about right. Whatever chance the Truro Bearcats have for the flag, the Wolverines have none.

ART ROSS' RUBBER TOSSED OVER FENCE

Bevelled edges were banned for pucks used by the National Hockey League at a meeting of the circuit's moguls recently. Immediately, it was decided, the major loop will return to the square edged disc in use until the newer form was adopted this season on humanitarian principles.

Decision of the league wipes from the list of N. H. L. equipment, the second invention of Art Ross, veteran mentor of Boston Bruins and stellar player of other days. The league still retains as official equipment the hump backed goal net designed by Ross to prevent the puck from bounding out after it entered the enclosure.

The round edged puck was put into use this season after representations that the square-edged rubber was dangerous to players who might be struck by the speeding disc. It was abandoned, effective with tomorrow night's games, after it had been contended that the bevelled edges caused the puck to "gallop" and prevented effective system play.

CURLING

The matches for the Summerside Curling Club Championship were commenced on Monday night and bid fair to be closely contested.

The rinks are as follows:

Geo. Sheen	M. L. Bridshaw
Dr. H. T. Colvin	Jas. Woods
Percy Weeks	R. E. Ellis
H. T. Holman	W. E. McDonald
Skip 17	Skip 7
Carl Dickie	H. M. Baker
Bruce Johnson	Geo. Lockhart
E. P. Foley	W. A. Stewart
W. B. McNeill	J. J. Morris
Skip 10	Skip 11
J. E. Wright	W. Phillips
F. Murphy	F. Daley
M. M. Bell	V. Traverse
R. S. P. Jardine	A. B. L. Horne
Skip 13	Skip 7
Ivan Nicholson	E. P. Foley
G. E. Smith	L. Wood
H. R. Crockett	H. Phillips
A. E. Harris	J. H. Prichard
Skip 16	Skip 6

SYDNEY, N. S., Feb. 9.—(By The Canadian Press)—Lawrence Bryden and Alex McKinnon today thanked Miss Lucy Almon of Reserve for saving their lives. Miss Almon secured a long pole and fished the youthful skaters out of a pond after they had fallen through the ice.

Gyroscopes, 1; Mohawks, 1.

Summary

1—Mohawks, Balderson, 5.45. Penalties—None.

Second Period: No score. No penalties.

Third Period: 2—Gyroscopes, Rogers, 5.04. Penalties—Balderson, (elbows); Cox, (knee check); Rogers, (slashing).

The lineups follow: Queens—Goal, Johnson; Defence, Acorn, Storey, Lund; R. Wing, R. Johnson, McInnis; Centre, MacMillan; L. Wing, Beer, Fitzgerald.

Levins—Goal, Burgoyne; Defence, Ferguson, Carmichael, Fraser; L. Wing, Stewart, P. Whitlock; Centre, G. Whitlock, McCabe; R. Wing, Currie, Campbell.

Gyros—Goal, O'Neill; Defence, Lee, McIntyre; L. Wing, Blanchard, Odds; Centre, MacNeven, Cox; R. Wing, Mahar, Rogers.

Mohawks—Goal, McDonald; Defence, McKie, Balderson; L. Wing, Smith, Jones; Centre, Cudmore, McCabe; R. Wing, MacLennan.

Murry Harbour

The Sons of Temperance, King George Division No. 281, which was organized in Murray Harbor last Autumn, has steadily grown and at the present time over one hundred members are enrolled in the Division. Owing to bad roads and inclement weather for the last two nights of meeting the attendance has not been as large as usual; but from week to week keen interest is shown by young and older members of the Division. Instrumental music, vocal solos, humorous readings, speeches, choir music etc. are part of the programme in the Division room each week.

On January 31st., at the regular evening service of the Murray Harbor United Church, a splendid address was delivered by the Pastor, the Rev. T. R. Goudge. The Scripture readings were Psalm 25, and St. Luke's Gospel Chap. 4 verses 1 to 15. The subject of address was The Temptations of Jesus, and the Text was taken from Hebrews Chap. 4 and verse 15.

On Feb. 2nd a baby daughter was welcomed to the home of Mr. and Mrs. Harry MacNeil, Beach Point.

HOCKEY GAME BETWEEN MURRAY HARBOR AND MURRAY RIVER

Score 4-4

On Wednesday, February 3rd, a large crowd of spectators watched a very exciting game of hockey between Murray Harbor and Murray Harbour, in Murray River rink. The game ended in a draw both teams having secured 4 goals. Hal McLeod, Murray River centre man, scored for his team about 3 minutes after the opening bell of the game. The score was evened about midway in the period when George Fraser on the M. Harbor defence grabbed the puck skated through and shot from the blue line. The rest of the period remained scoreless, ending in a 1-1 tie.
