Local Curlers Return Home

Members of the Charlottetown Big Four Rink returned from Toronto last night where they represented the province in the MacDonald-Brier Dominion Tankard play.

Although not bringing back any honors the Charlottetown rink engaged in some keenly-contested matches in a series which brought together the premier curlers of Canada. The bonspiel was one of the closest waged in many years with Ontario winning out after a playoff with Manitoba.

Far from being discouraged the local curlers are more determined than ever to develop interest in curling and if possible put this province to the forefront.

Simmerings Around The Sport Front

By ALAN RANDAL
Canadian Press Staff Writer
NEW YORK, March 14—Nat Fletscher, organizing a boxing show for the World's Fair here, is angling for Vancouver's Jimmy McLarnin to come east... Next plan is to revive famous fights of the past... and he'd like nothing better than an exhibition bringing together Vancouver's belting Celt and Barney Ross of Chicago in three two-minute rounds daily for about two weeks.

New York Rangers think their four-game N.H.L. schedule, starting tonight in Detroit, should put them in peak condition for the playoff meeting with Boston... Frankie Boucher, Lester Patrick and Barney Ross of Chicago in three two-minute rounds daily for about two weeks.

Montreal Canadiens' high-scoring Toe Blake says he has no formula for beating the goalies... "I just blaze away for any opening I can get... what's he going to be after a couple of years' seasoning?"

Promoter Mike Jacobs estimates the Louis-Galento brawl would draw the following coin: If held in Chicago, \$700,000; Philadelphia or New York, \$1,000,000... Charles Howard, owner of Seabiscuit and Kayak II, has purchased Galapas from Townsend Martin, New York sportsman... No price for the four-year-old was announced but Galapas couldn't be a better bargain than Kayak II... The 1939 \$100,000 Santa Anita handicap winner cost only \$7,000.

Washington Senators have no less than 28 pitchers working out these days... Lou Gehrig says the toughest pitcher he ever batted against is his own teammate, Wes Ferrell, who used to be with Washington... Charlie Grimm, one-time manager of the Cubs and now baseball broadcaster extraordinaire, has a secret vein to manage St. Louis Cardinals... that's Grimm's home town.

Baird Scores Winning Goal As Beavers Take Title By Defeating Sydney Club 3-2

(By The Canadian Press)
SAINT JOHN, N.B., March 14—With less than a minute to go, Boots Baird slammed home Kelly's pass to give Saint John Beavers a 3-2 victory over Sydney Millonaires and the Maritime senior hockey title tonight.

It was a thrilling end to a bitter and grueling struggle as evidenced for the tri-province crown and an Allan Cup playdown berth. It was the first Maritime hockey championship ever to come to Saint John.

Baird's goal came at the 19:30 mark of the final period and was the third counter scored in little more than that number of minutes.

At the three minute mark, Price rapped home the first goal of the trio and the one that seemed destined to give the Beavers victory.

Clermont Defeats Indian River In Overtime For Second Win In Finals

In one of the fastest and best games of the season the favorites Clermont Aces, staged a thrilling come back to score two counters in overtime and win their second game in the best of five series.

It was certainly a grand game to win and a tougher one to lose but the Indian River boys certainly showed they can "play up, play up, and play the game."

In the first period the play was exceptionally fast and also very clever. Allison Bernard, Rover's defence ace and the spear head of most of the River's dangerous plays, scored from in front of his own net, split the Aces' defence and calmly drew Campbell out of his cage and scored to put Indian River in the lead.

In the second frame Indian River seemed to be "on their way" when in less than five minutes Gillis and E. Craig each scored to put Indian River in the lead.

In the third frame Indian River seemed to have the game "on ice". They were holding the enemy close, but the pressure was too great in a beautiful passing play inside the Rover blue line.

At 4:34 Jim Mills who turned in a nice game for the Aces scored a beautiful unassisted goal when he picked up a loose puck, skated over the blue line and blasted a hot one into the upper left hand corner of the Rovers' net.

Whitlock Scores Winning Goal As Locals Take Lead In Opener Of Title Series

HALIFAX, March 14—(CP)—A last minute goal by Tarky Whitlock tonight gave Charlottetown Royals a 5-4 victory over Dartmouth Rough Riders in the first game of their two game total series for the Maritime junior hockey championship.

The Islanders, stiff and tired after their long train trip, played cautious and defensive hockey in the first period, and were a goal behind when MacIsaac scored.

Rough Riders forced the play from the start, and in the second period, the Royals came to life and attacked strongly. Charlottetown forwards back-checked so fast many of the Dartmouth rushes were stopped.

MacIsaac scored his third goal of the night after Whitlock had beaten Gergan unassisted. The Rough Riders played up the ice continually. A perfect pass from Roach to Whitlock gave Charlottetown victory.

Charlottetown were slow in starting tonight, and Rough Riders attacked steadily in an effort to build up a lead. One Dartmouth forward was sent in behind the Royals' nets to bother the visitors and prevent them from getting organized.

Royals, late in arriving because of the storm, were not bothered by the Riders' tactics and lacked steadily in an effort to build up a lead.

Galento Must Prove He Is Physically Fit

By SID FEDER
Associated Press Sports Writer
NEW YORK, Mar. 14—Two-ton Tony Galento, the bear barrel that walks, will have to prove his physical soundness before New York State's Athletic Commission gives him his blessing to his heavyweight title battle with Joe Louis.

The three commissioners, listening to a request from Promoter Mike Jacobs for permission to stage the scrap here, ruled today that Galento must first apply for a boxer's licence in New York and then will have to undergo a strict physical examination to determine whether he is in the proper condition for such a fight.

"Should he pass that test," the Commission said, "we will approve the bout."
The Commission's indicated doubt over Tony's physical makeup didn't sit at all well with his manager, Joe Jacobs, but despite his misgivings, Joe announced he would immediately apply for the licence examination next Tuesday.

"How do you like that?" he shouted from around his clear headgear. "You wait—the Commission will see him next week and they'll never find a better specimen of physical manhood."

Royals came to life in the second period and their plays began clicking. After many close ones, Coyne went in to beat Gardan easily, but Spidle gave Dartmouth a lead again while Jay was in the penalty box. Gardan was forced to slide out to his penalty line to save on a Royals break-away, but Fred Roach evened it again, scoring from the corner when he bounced the nets off Gardan.

Coyne banged in another one but Halifax attacked again keeping the visitors tied for a time behind their own blue-line.

Whitlock scored two minutes later but again MacIsaac tied the score up on a pass from Spidle. The third period was closely fought, with the Royals playing cautiously. Davis held off desperate Dartmouth efforts and in the last minute of play Tarky Whitlock accepted a pass from Jimmy Roach to put the game on "ice" for the Islanders.

The lineup—Goal, Davis; defence, Jay, MacDonald; forwards, MacLeod, Whitlock, Coyne, P. Roach, J. Roach, B. Trajnor, Black.
Dartmouth: Goal, Gardan; defence, Times, Rooster; forwards, Spidle, MacIsaac, Mont, Schnare, Parker, Palmer; utility, Cashin.
