Drives Asthma Like Magic. The immediate help from Dr. R. J. Kellogg's Asthma Remedy seems like magic. Nevertheless it is only a natural remedy used in a natural way. The smoke or vapor, reaching the most remote passages of the affected tubes, brushes aside the trouble and opens a way for fresh air to enter. It is sold by dealers throughout the land.

Mt. Stewart Notes

Christmas and New Year have gone once again, but though their stay was brief, both seasons were enjoyed by all.

We regret to learn that Rev. Fr. A. P. McLellan, St. Andrew's, has found it necessary to enter the City Hospital for treatment, and hope the treatment may prove successful. Rev. Fr. McKenzie, Charlottetown, is conducting the services in his reverend's absence.

On the evening of Sunday, the 26th inst., a number of friends spent a very pleasant hour at the home of Mr. and Mrs. George Jay, who have had a radio recently installed in their home. A number of stations were "tuned in" to with delightful results, among the foremost being C. F. C. Y., Charlottetown. This kind and thoughtful deed was much appreciated by those present having no radio, as it gave them a chance to hear from the "outside world."

While in the woods recently, Mr. Ward Jay, Fanning Brook, received a nasty cut in his leg from the axe he was using. Mr. Jay was in the act of cutting a tree when the axe glanced, catching him on the leg. Dr. A. B. Martin is attending him.

On Sunday evening the regular meeting of the Presbyterian Y. P. S. C. E. was held at the home of Mr. and Mrs. George Clark. The topic chosen for the meeting was "The past year—its lessons; the future—its possibilities." Some present spoke briefly on the topic, others giving nicely chosen readings. Mention might be made of the interest the Junior members took. Several readings were given by those present. The leader, Mrs. George Clark, gave the invitation to anyone wishing to have a favorite hymn or psalm sung, which was accepted and a number sung. Mr. Ray Smallwood sang a beautiful solo, "The Great Judgment Morning," which was much appreciated and enjoyed by all, as Mr. Smallwood possesses a rare voice. The meeting closed by repeating the Mizpah in unison.

Regular services were held in the United Church at the usual hours, by the pastor, Rev. M. K. Charman. Sacrament was to have been dispensed, but it was postponed.

Now that the ice has been cleaned again, some of our sledging parties are preparing for a "trot" in the not too distant future, by having their speed-sleds, etc., put in shape.

Elysburg Bank Is Robbed

(Canadian Press) ELYSBURG, Pa., Jan. 4.—The First National Bank of Elysburg was held up at closing yesterday by two men who handcuffed the cashier to a teller's cage. They scooped up all the cash in sight and fled in a closed automobile.

The Children Will Catch Cold

Mothers should never neglect the first sign of a cold or cough where their children are concerned, for if they do some serious lung trouble is liable to follow.

Mrs. R. T. Hubby, 1022 Barrington St., Halifax, N.S. writes: "The children are continually getting colds, but I have no trouble with them, for just as soon as they begin to cough I give them a dose of"

Dr. Wood's Norway Pine Syrup

which breaks up the cold within a day or so. I get great results out of it and would not be without it for anything. I can highly recommend it to any one." Price 35c. a bottle; large family size 60c.; put up only by The T. Millburn Co., Limited, Toronto, Ont.
