A MUSICAL DELIGHT—Stabat Mater—Baptist Choir May 8th. 3-2i

DON'T MISS HOME SWEET HOME.—Tonight is the one hundredth anniversary of the first singing of "Home Sweet Home," the world's most famous song. In commemoration of the event, Miss Frieda Hemple, world famous soprano will sing "Home Sweet Home" by radio from the Waldorf-Astoria studio of Station WJZ, of the Westinghouse Electric and Manufacturing Co., New York City. Owners of private radio sets in this province and their friends will no doubt enjoy this treat. Miss Hemple is scheduled to sing at nine o'clock our time.

COMING TO PRINCE EDWARD WEDNESDAY AND THURSDAY.—The greatest happiness comes to Peg all in one day. One after another men propose to her, placing their hearts at her feet—but she refuses them all. The chief revelation of the day brings her the greatest happiness. She learns that she will soon have an income of 5,000 pounds a year; that her guardian, Jerry, loves her; that his real title is Sir Gerald Adair, in Metro's "Peg O' My Heart," by J. Hartley Manners. See the famous star, Laurette Taylor, in this celebrated play on Wednesday and Thursday at the Prince Edward Theatre.

"PEG O' MY HEART."—"My father knew more about motherhood than any man in the world," is Peg's defiant retort to her snobbish aunt, Mrs. Chichester. Peg has just prevented the daughter of the house from eloping with a married man; but nothing that she can do, it seems, can put her in the good graces of the Chichesters. But when she learns how they actually depend on her, she has her inning—in Metro's "Peg O' My Heart," by J. Hartley Manners, starring Laurette Taylor. It comes on Wednesday and Thursday to the Prince Edward Theatre.

ANNUAL MEETING TONIGHT.—The annual meeting of the Provincial Rifle Association will be held in the City Court room tonight at 8 o'clock, when the annual statement will be submitted and the election of officers for the ensuing year will take place. The Provincial Rifle Association has had a highly successful year and the officers are prepared to meet the riflemen with a statement that will surely satisfy the most critical. Every rifleman in city and country should endeavor to be present tonight and hear the statement of last year's business and formulate new plans for 1923.

AT THE PRINCE EDWARD Wednesday and Thursday Peg O'Connell, vivacious impish, roguish—gets plenty of fun out of life from the companionship of her father and her little dog Michael. One day the news comes that her uncle, on his dying bed, has provided for her education. Peg is taken to England, to be brought up under the care of her aristocratic relations—the Chichesters. Here it is that misery, love, disappointment and final happiness come to her—in Metro's "Peg O' My Heart," by J. Hartley Manners, starring the celebrated actress, Laurette Taylor. See it on Wednesday and Thursday at the Prince Edward Theatre.

PRESENTATION TO MR. AND MRS. J. E. RIGGS.—On Friday evening Zion church choir held a most enjoyable Social, which was promoted by the choir executive for the purpose of giving a hearty send-off to Mr. and Mrs. Riggs, who are transferring to Sherbrooke, Que. During the evening Miss Louise Lawson, in the name of the choir, presented Mr. and Mrs. Riggs with a beautiful club bag. A suitable address was read by Mr. Duncan. The departure of Mr. and Mrs. Riggs will create a loss which will be felt both in the choir and in the church and best wishes are expressed for their future welfare and happiness.

From pole to pole the distribution of ENO has followed the activities and progress of mankind.

The camels of the Eastern caravans carry ENO'S "FRUIT SALT" to the parched desert lands.

Along the Western Coast of Africa ENO is prized as an essential to health and well-being.

ENO is a familiar part of the regular cargoes of the junks which sail the China Seas.

In India ENO'S "FRUIT SALT" is one of the necessities of everyday life.

The dhows that sail the coastal waters of the East carry ENO to climate-tried men at the outposts of the Empire.

ENO *carries* GOOD HEALTH *to* THE ENDS *of* THE EARTH

WHEREVER the British race has journeyed, ENO's "Fruit Salt" has followed in its train. The builders and guardians of our vast Empire—soldiers, sailors and pioneers—all know and value ENO as an ever-helpful passport to health, which is valid in every clime, from the Poles to the Equator.

From the shadow of the minarets, from the icepacks of the North, from the torrid wastes of the desert, come demands for ENO's "Fruit Salt" and messages of praise and appreciation of its virtues. No substitute can ever fill its place or supplant its unique and world-wide reputation.

The particular merit of ENO lies in the purity of its composition and the unvarying high standard of its quality. ENO contains no drastic mineral salts and, therefore, is harmless and has no lowering effects. It is a pleasant, effervescing saline, cooling and invigorating. It stimulates the digestive and other organs of the body to gentle and natural action, and thus purifies the bloodstream, tones up the whole system and imparts a delightful sense of physical well-being. ENO stands to-day unique and supreme among salines. It possesses an individuality that cannot be copied.

ENO'S "FRUIT SALT" TRADE MARK

The value of ENO is unequalled at its price, even if judged merely by quantity for quantity or dose for dose. For with ENO there is no waste—every particle dissolves—whether you take it in warm or cold water. There is no gritty residue—nothing nauseating—nothing left over. English in origin and make, it has, during half-a-century of well-doing, established a reputation unique in the history of human welfare. Its efficacy and its gentle, natural method have received the widest endorsement of the medical profession.

THE WORDS "FRUIT SALT" AND ENO ARE REGISTERED TRADE MARKS.

BATTERY REUNION—No 8 Battery, P. E. I. Heavy Artillery, held their annual meeting for 1923 in the Armouries last night. There was a large attendance of the members and the greatest enthusiasm prevailed. No 8 Battery had a splendid record in the General Efficiency Competition last year and they expect to do even better this year. There is room in the Battery for a few recruits who must be at least 5 ft. 6 ins. and weigh 150 lbs. This year every man who trains is eligible to go to Petawawa and this attractive opportunity will no doubt mean that recruits will be in excess of the requirements.

WEDDING BELLS.—The marriage of Miss Florence Macdonald and Daniel J. MacEachern was solemnized at St. Mary's Cathedral, San Francisco, on Tuesday, April 10th. After the ceremony the happy young couple went on their honeymoon trip to Los Angeles and other parts of Southern California. Mr. and Mrs. MacEachern are former P. E. Islanders, and their friends in the East, as well as in the West, wish them long years of happiness. They will reside in their own home at 715 Leavenworth street, San Francisco.

TALENTED MUSICIAN.—A talented young lady who has been making an enviable name for herself as a vocalist in the neighboring County of Contra Costa, in this State, is Miss Bertha McIver of Port Costa, daughter of Mr. and Mrs. John A. McIver, of that town. Miss McIver has been receiving vocal instructions for the past year from Mrs. W. H. Hanlon, wife of the superintendent of schools of Contra Costa County, and has developed a wonderful voice. She has been taking part in many of the recent high class musicales, and her singing has received much favorable comment in the press. Miss McIver's parents came to this State from Kinkora, P. E. I., about sixteen years ago, Mr. McIver being the principal of Port Costa Grammar School, and a musician of no mean ability.—Oakland Maple Leaf.

"I Avoided an Operation Appendicitis Disappeared"

Mrs. James Wells, Udora, Ont., writes:—

"I took a severe pain in my right side. It was very bad at times. I tried oils and tablets without gaining any relief. The doctor pronounced it chronic appendicitis. I dreaded an operation and a friend advised Dr. Chase's Kidney-Liver Pills. I used them and not only obtained relief from pain, but I believe it has completely freed me of appendicitis, as it is now over a year since I have had any of the old symptoms."
