Do You Know That we operate the only Lens Grinding Plant on P. E. Island? That we employ a skilled Surface Grinder, and are daily grinding from the rough glass—the most complicated kinds of lenses? Those are facts, which mean a good deal to the Glass wearing public, doing away with the annoying delays caused by sending away for special lenses. Send your glasses in by mail, you'll get them back promptly and in perfect condition. Call in and look over our plant. G. F. Hutcheson Optometrist and Optician

WELCOMED HOME.—Among those who returned from Overseas to their homes in Georgetown during the past week were Harry Barnes son of Dr. C. L. Barnes and James White son of Mrs. William White. These brave young men were accorded a cordial welcome by their numerous friends in their home town.—G.

WELCOME VISITOR.—Mr. Walter M. Walker, Charlottetown is spending a vacation in renewing old acquaintances in Georgetown, Cardigan and Brudenell. His many friends are glad to see that "Waltie" is looking hale and hearty after what he has gone through since he last visited this vicinity.—G.

SERIOUS FIRE.—Mr. Oswald Collins of New Perth sustained a heavy loss on Saturday when his dwelling house caught fire, presumably from sparks from the flue and was burned to the ground. Mr. Collins receives the sincere sympathy of his friends and neighbours for his severe loss, for although the house was partly covered by insurance, yet many valuable articles impossible to replace were lost. He and his neighbours worked hard to save the house but their efforts were vain owing to the high wind, and it was with great difficulty and labour that the nearby buildings were saved.—G.

DEPARTURE REGRETTED.—Rev. W. J. Domville, Montague Methodist Church is in Sackville attending the Methodist Conference. He will return to Montague for a few weeks before he and Mrs. Domville will take up the new field. Mr. and Mrs. Domville will be much missed in Montague and vicinity where they were loved and respected by all classes of Christian people. Mr. Domville was that type of a Christian gentleman whose preaching reaches the hearts of his real hearers and inspires, purer and higher ideals in living. Mrs. Domville was a true helpmate in every sense of the word, and her place will be hard to fill in the various societies of the church in which she always led.—T

SCHOOL VISITED.—The Montague High School was visited by the Superintendent of Education last week. This being Colonel Campbell's first visit since his return from France the pupils of the principal's department took the opportunity of presenting him with an address and a beautiful bouquet. Colonel Campbell replied in feeling terms, thanking the pupils for their words of praise and for the thoughtfulness which prompted the act. He said he did not feel worthy of the honor bestowed on him. He told the pupils wherever they saw a soldier, and especially a private, to honour him, for they were the ones that endured the hardship of the battles, which won the peace we now enjoy. Colonel Campbell found the school making very satisfactory progress, and expressed the hope that many would pass the entrance examinations to P. W. College in July. He was accompanied by Inspector Adams who is always on the job in the interests of his schools. They declared a half holiday, so the teachers could take in the Georgetown Convention, which was held that day and to which they proceeded themselves in the afternoon.—T

DEATH REGRETTED.—His friends regret very much the death of

Monday morning of Reginald Campbell, Montague. He took the flu in December, from which he never fully recovered. He was the son of the late Donald Campbell who passed away only a few months ago. Reginald was a young man of fine qualities. He

was a devoted member of the Christian church, Montague, and a member of the Loyal Son's Class of that

church. He will be much missed in the community and in his home, where he leaves a widowed mother and his daughters and sister to mourn.—T.
