POLITICAL GOSSIP.—There is a rumour in circulation to the effect that E. M. McDonald has about decided not to contest Pictou County at the forthcoming election and that Hon. R. M. McGregor will be the Liberal candidate. It is also said that Mr. McDonald will run in one of the Quebec constituencies. We are not prepared to say whether there is any thing in the reports or not. *New Glasgow News.*

WELCOMED BACK.—Rev. J. C. Martin, recently of Cardigan and a returned chaplain, was inducted into the charge of Wood Islands on Thursday the 16th, August. Mr. Martin whose health had given way, had to return from England where he had been doing excellent work among our soldier lads and the Presbytery rejoices that after some months of rest he finds himself able to resume his work in his home Presbytery. — *Presbyterian Witness.*

MURRAY-DARRACH WEDDING.—The *Calgary Herald* says:—On Wednesday afternoon, Sept. 5, a pretty wedding took place at the home of Mr. and Mrs. Neil Darrach, 1718 Five and a half street west when their sister, Katherine Isabel, daughter of Mr. Angus Darrach, New Haven, P. E. I., and formerly of the Blairmore teaching staff, became the bride of Mr. Johnston Murray of Frank, Alberta. The drawing room was tastefully decorated for the occasion with sweet peas and snlax and the bride dressed in pearl grey georgette crepe and carrying a large sheaf of roses entered on the arm of her brother, while Mrs. Faulkner played the wedding march. Rev. Mr. Rennie, pastor of Bankview Presbyterian church, performed the ceremony in the presence of a few friends. A dainty luncheon was served, after which the happy couple left for Vancouver and Seattle. The bride travelled in a beautiful tailored suit of dark grey. On their return Mr. and Mrs. Murray will reside at Frank, Alberta.

WEDDING BELLS.—The Church of St. Simon and St. Jude, Finnish was the scene of a happy and pleasing event on Monday, September 10th when Miss Mamie V. Bernard, daughter of Theodore Bernard was married to J. Henry Gallant, eldest son of John B. and Mrs. Gallant. The happy couple escorted by Geo. and Miss Monica Gallant, brother and sister of the groom arrived at church at 7.30 via automobile being the first couple of Tignish parish to arrive at church for matrimonial service in a motor car. The ceremony was performed by the Rev. Monsignor D. M. MacDonald, Mrs. A. J. Chausson presiding at the organ. After the ceremony the couple with a few intimate friends partook of a dainty breakfast at the home of the groom's mother, after which a reception was held at Bernard Hotel from 9 to 12 when a sumptuous dinner was served. In that hostelry's best style, after which the bridal pair amid showers of confetti, rice and old shoes left for a motor trip to Summerside. The party was made up of three autos carrying a total of sixteen persons and a delightful trip was enjoyed by all. Stops were made at Mr. Meddie Gallant's, Bloomfield, and at Mr. K. Sharbells, Portage and the party arrived at The Empress Hotel at 6 o'clock. The bride and groom crossed by the Northumberland on Tuesday morning for a trip to St. John, Halifax and other points of interest. The high esteem in which the bride and groom are held was marked by the very large number

of costly and useful gifts received by them. On returning from their honeymoon they will reside in Tignish where the groom has recently purchased the property formerly owned by M. J. Lynch, and which is to be moved to another part of the town and remodelled.

LOCAL TRIBUNALS NAMED.—The following local tribunals have been gazetted for P. E. Island in connection with the Military Service Act to hear and decide applications for certificates of exemption from Military Service:—O'Leary, Richmond, Summerside and Alberton in Prince County; Charlottetown, Crapaud, Hunter River, Mount Stewart, and Vernon Bridge in Queens County and Murray River, Montague, Souris, St. Peter's and Dundas in Kings County.

VISITING PASTOR.—The Rev. Dr. Harley conducted the services in St. Peter's Cathedral Sunday, and preached two excellent sermons—the first on Christ and His Church and the second on "The signs of the Times." These latter, in the literary, social, political, and moral life of the nation denote that practical faith in God and in the redemption of Jesus Christ, has in recent years been low. A Great War has come upon the earth; and one of the results may be a rising tide of belief and of National aspirations more in accord with the higher nature of mankind and the laws of God.

CHRISTMAS STOCKINGS FOR SOLDIERS.—Mrs. Adelaide M. Plumpre, Honorary Secretary of the Canadian Red Cross Society has issued an appeal to the Secretaries of the Provincial and District branches stating that the Canadian Society had received from England a request for 30,000 Christmas stockings for the men in the hospitals overseas. She suggests that it is desirable that the stockings be as nearly uniform in value and contents as possible and that they be ready for shipment not later than October 1st, as they must be in England by the beginning of November. No case of stockings must exceed 56 pounds in weight and a list of the contents, especially those of a dutiable nature must be placed on the outside of the case. It is suggested that each stocking might contain one gift of each of the following classes: (1) Pocket mirror, cheap style, pocket knife, pipe or match box. (2) Writing pad and envelopes; fancy pocket cards. (3) Cigarettes, tobacco. (4) Candles, chewing gum, maple sugar. (5) Handkerchiefs, necktie, socks. (6) Game, book, puzzle, mouth organ. (7) Toilet requisites such as soap, toilet powder, tooth paste, pin cushion. (8) Packets of raisins, dates or figs, nuts. The stocking to be about 18 inches long with 12 inch foot. No sticky candy or matches must be put in.

WEDNESDAY ISLAND FOXES SHIPPED.—Mr. James E. Conpton of Boston is returning home today with another consignment of P. E. Island foxes, purchased while here which he purposes ranching in Massachusetts.

VISITORS TO HALIFAX.—Among the visitors in Halifax this week are Mr. and Mrs. R. J. Campbell, Charlottetown, at the Waverley, Miss Hildegard Gates, of Charlottetown visiting Mrs. George Laidlaw, Henry Street, Mrs. Addison Miller and Mrs. Ross McEwen visiting Mrs. N. E. McKay and Messrs G. W. Wakeford, B. Rogers, C. H. Chandler at the Queen.

APPRECIATION.—The Rector, Chief Warden, and Vestry of St. Paul's Church have presented Chief Rouaghan for the firemen with a handsome cheque in appreciation of the promptness with which the Fire Brigade responded to the call for a fire in the roof of St. Paul's Parish Hall on Sunday morning last. They state that by the alacrity of the Fire Department the building escaped without sustaining serious injury. This appreciation is very grateful to the Chief and Fire Department and such generous acts go far to encourage the gallant firemen to even still greater effort.

UNIQUE MUSICAL TREAT.—A rare musical treat was served out to the large audience that assembled in the Hartz Memorial Hall last night, when the new Edison phonograph, the latest and best music machine so far invented was heard by many for the first time. The charm of this instrument is its perfect imitation of the human voice, all suspicion of mechanism being entirely eliminated. The programme was varied giving the serious, the grave and the comic and demonstrating in a remarkable manner the scope and excellence of the machine. Among the numbers given were "a cradle song" sung by Anna Case; "Humoresque"—a violin solo by Albert Spalding; "I'll take you home again Kathleen," solo by Walter Van Brant and chorus; "Dixie Medley," "My Ain Country," "Uncle Jack buys an Automobile," screechingly funny, "The Marseillaise," "Oh Where is My Wandering Boy Tonight," and many others equally good and all heartily appreciated. The proceeds were in aid of the Y.M.C.A.

Gin Pills FOR THE KIDNEYS Succeeded Where Operation Failed!

"During August last I went to Montreal to consult a specialist as I had been suffering terribly with stone in the bladder. He had decided on an operation and was assisted by another doctor. They said the calculus was larger than a bean and too hard to crush and they could not take it out. I was recommended by a friend to try Gin Pills. I bought a box and found relief from the pain at once. I did not expect that they would relieve me of the stone, but to my great joy I passed the stone on October 3rd and am now a well man and very happy."
