

Your Boy

Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely." Ask him how often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Ayer's Sarsaparilla is a strong tonic, entirely free from alcohol.

The Examiner's critic is again enjoying liberty! This time he makes a weak attempt on The Guardian Road Race. He now takes the responsibility of expressing the opinions of the spectators as to certain conditions of the race, to which he is evidently yet unfamiliar with. The Critic should not presume to take the expression of one person, who probably has yet much to learn as to the proper method of conducting a road race, and accept that opinion as the word of the populace. And the Critic's presumptions were not deserving of the prominence they enjoyed.

The gasoline light in front of Miller Bros. on Kent street, last evening was a centre of attraction. The light, which is manufactured by the Rice, Knight Mfg. Co., of Toronto is a fifteen hundred candle power and costs about two cents an hour, one gallon of gasoline burning about twelve and a half hours. It has been suggested by a leading business man that the Sunnyside Merchants follow the good example set by other merchants of this City.

Rev. J. S. Smith preached an eloquent and thoughtful sermon at Wheatley River last Sunday to a large and appreciative audience. The subject of the address was co-operative and corresponding with Divine Energy. The thought developed was that man to be successful in things temporal and spiritual must co-operate with the Divine Energy as manifest in the Kingdom of nature and in law and man must find out these the Kingdom of Grace, God's work by laws and work in harmony with them. When not in harmony with God there is friction and pain. The thought was also made clear that this century would be noted for the assertion of the moral forces in the world. Mr. Smith is one of the province's bright and eloquent preachers. Com.

Miss Rattenbury has a wide acquaintance of friends here and, though she is taking up her residence away from her native health, she carries with her in her new home, the best wishes of her many friends in this City and Province for all the happiness that is rightfully hers. Immediately after the ceremony Mr. and Mrs. Dawson left on an extended honeymoon trip going to Vancouver via the Kootenays, thence to Seattle, where the Alaska-Yukon-Pacific Exposition is being held. From there they will proceed to some of the principal cities of the United States and will later return to Winnipeg via Chicago.
