To wash chamois gloves use soap lather with several drops of ammonia. Put on the gloves and rub in the lather as if washing and wipe them dry with a linen cloth.

#### Jelly Jars

To prevent jelly glasses or fruit jars from breaking, first heat them, then set them on a cloth wrung out of hot water and pour the jelly or fruit in slowly.

#### The Vacuum Cleaner

A vacuum cleaner can be used very successfully in cleaning the furnace or the hard-coal stove. By its use all flying ashes can be eliminated.
