PROGRESS

Through the advent of good roads and the continuing development of gasoline and diesel engines, a new type of carrier has been developed. While in comparison with our older types of carriers, it is in its infancy, already bus lines cover Great Britain, United States and are showing rapid development in Canada.

New developments, soundly conceived, have in the past invariably provided a means of investment that has resulted in great profit. We are confident this condition still obtains.

RAIN BOW ON THE RIVER DELIGHTS LARGE AUDIENCE AT CAPITOL THEATRE SUMMERSIDE

Replete with pathos, comedy, drama and spectacle, "Rainbow on the River", new singing film starring young Bobby Breen, produced by Sol Lesser, opened last night at the Capitol Theatre, Summerside to provide first nighters with a most pleasing entertainment.

Songs designed to appeal to every type of music lover are rendered by the nine-year-old lyric tenor in a heart-touching manner, while the story offers the young star an opportunity to go through the entire gamut of emotions.

Set in the reconstruction period following the Civil War, the story traces the early experiences of a young waif in New Orleans, where a devoted negro servant of his dead parents strives to bring up the lad in ignorance of his family name.

Through the intervention of the kindly pastor of a parish church where Bobby sings in the choir, Yankee relatives in New York are traced and hey send for the orphan in an endeavor to confirm his kinship. As a striking contrast to the simple life he enjoyed in his native Southland, Bobby finds himself a virtual prisoner in the frigid mansion of an unsympathetic grandmother. It is here that he undergoes heart-breaking experiences, struggling against the scheming of an aunt and uncle who resent his presence. How the lad upsets their plans and at the same time wins the love of his austere grandparent are events leading to the happy climax.

Against the colorful, rustic settings of the small southern village, and the spectacular cotton plantation and Mississippi levee scenes, young Bobby sings such delightful melodies as Stephen Foster's "Ring, Ring de Banjo", "Old Folks at Home" and the "Camptown Races", Von Flotows hymn from "Stradella" and the traditional hymn, "Holy, Holy, Holy"; the negro spiritual, "Waitin' for the Sun"; Franz Schubert's "Ave Maria", "The Flower Song" by Dr. Hugo Riesenfeld, and the highly popular theme number, "Rainbow on the River."

The brilliant boy tenor is surrounded by such capable performers as May Robson, Charles Butterworth, Louise Beavers, Alan Mowbray, Benita Hume, Marilyn Knowlden, Henry O'Neill and the famous Hall Johnson Choir.

The Principal Production was deftly directed by Kurt Neumann, who retained all the heart-throbs, color and drama of the original novel, "Toinette's Philip," from which the screen play was adapted by Earle Snell and William Hurlbut. Edward Gross was associate producer.

Grain

(C.P. By Guardian's Special Wire)

WINNIPEG, July 5—Wheat prices paused in their trend to higher levels on the Winnipeg Grain Exchange today and finished unchanged to 3-8 cent lower, July at $1.48 5-8; Oct. $1.39 3-8—3-4 and December $1.36 3-8—1-2.

Liberal selling by southern interests in anticipation of hearty hedging pressure of new winter wheat in Chicago tomorrow sent prices down after all wheat and most of the coarse grains established new seasonal highs.

July wheat hit $1.51 1-2, just 1-8 of a cent from the seven-year wheat high of $1.51 5-8 establishd by the May future early in April. Peak levels in all grains were touched around mid-sesion and the buying splurge was attributed to bullish weather conditions of Western Canada.

Coarse grain trading featured independent strength in July barley and July rye. Other grains followed the irregular trend of wheat but showed small gains at the close. Trade was very mixed with most buying being of an investment character. Oats closed 1-2 to 5-8 cents higher.

Good lambs made $9, commons to mediums from $8 to $8.50 with culls out at $7. Sheep went at $3 to $3.50 with the odd yearlings at $4 and thin canners as low as $2.50.

Hogs made $9.85 for bacons fed and watered with the usual premium on selects and cuts on off grades. Sows went $7 to $7.50.

MINING

(C.P. By Guardian's Special Wire)

TORONTO, July 5—The Toronto share market staged a right-about in the last hour today and advanced in active trading after four hours of dullness and a minimum of sales. The final spurt was chiefly in the secondary and junior golds with the base metal shares showing a much improved tone also.

O'Brien featured the golds in the advance, climbing to 6.90 for a gain of 50 cents while other golds trading actively at gains of 10 to 25 cents were Central Patricia, Hard Rock, Macassa, MacLeod-Cockshutt, Pamour, Premier, Preston, Read-Authier, Stadacona, Sylvanite, Teck Hughes and Toburn.

Some of the cheaper golds swung into an advance on sizeable volume. Paymaster pushed up 8 cents to 60, God's Lake had the same gain and Francoeur, Gunnar, Jellicoe, Oro Plata and Red Lake gained 4 to 8 cents. Kerr-Addison, Beattie, Kirkland Lake, McKenzie and Moneta were other strong spots.

There were no wide advances in the base metals but a stronger display was general.

Noranda was a little higner for broken lots and gains of 5 to 25 cents were boarded for Waite-Amulet, Sherritt, Pend Oreille and Sudbury Basin. Silvers were higher. Eldorado added 8 cents and Castle 3.

Junior oils posted gains and losses. Gains of 3 to 10 cents were showing at the close for Okalta, Dalhousie and Home. Calgary-Edmonton lost 5 cents and Royalite closed down for broken lots.

TWO-TONE COIFFURE POPULAR IN PARIS

There is an entirely new coffure in Paris which will probably come here soon, called the two-tone coiffure.

You know the little caps we are all wearing on the back of our heads? The idea is to have all the main part of the head and the roll which shows at the back of the cap in the natural color of the hair while the front curls and the hair over the temples are tinted much lighter.

It is a smart idea and can be worn by blondes and brunettes—it would be particularly becoming to owners of grey hair too.

So now the lucky people who are going white on the temples will be in the latest fashion—if only their top knot will follow suit.

The new President Neil D. MacLean was in the chair as the Charlottetown Rotary Club held its weekly luncheon in the Canadian National Hotel at noon yesterday. The speaker was Past District Governor P. W. Turner who gave a report on the District Conference held recently at Kentville. It was the first meeting of the Rotary year and a good attendance was registered. Guests were Maurice Doering, of the Soldiers' Settlement Board at St. John N. B. who was introduced by Rotarian C. N. Bissett and Dr. J. M. McInnis of Los Angeles, Calif., who was introduced by Rotarian Ern Coffin.

Past District Governor P. W. Turner told of the programme at the Kentville conference which was a highly International one with representatives from Newfoundland, Canada and the ten Maine Clubs which have just come into the District which will henceforth be known as District 192. 171 Rotarians, 119 Rotary Annes and 21 guests were in attendance making a grand total conference attendance of 311. The ten Maine clubs which were represented this year though not officially, have a total membership of 315 and District 192 will now have a total membership of 1120. The Calais club had extended an invitation for the conference to meet there next year and it was possible that St. Andrews would be the locale of the convention with the Calais club acting as one of the joint host clubs.

Rotarian Red Ainsworth announced that the Community Boys Camp would be held this year from August 4th. to August 14th. and made several announcements relative to it.

Yesterday's programme wound up with an International flavor when the members sang "The Star Spangled Banner" in recognition of Independence Day in the United States, as Dr. McInnis of Los Angeles was in attendance.
