

The Way to a Man's Heart

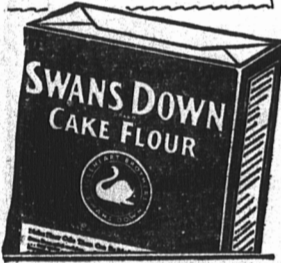

It's not very difficult to alter your Miss to Mrs. When you invite Him up for dinner—remember that in the matter of interior decoration, there's nothing he'll admire more than a delicious, velvety-crumbs Swans Down-made cake!

While many a honeymoon has ended in the kitchen, many a one has lasted a lifetime right there; the man doesn't live who won't boast about his wife's baking if it's really worth it. And it's a wise wife or a wiser bride who knows the secret of Swans Down baking—she knows that Swans Down practically guarantees baking triumphs if she follows the directions. For Swans Down is especially made for cake-baking. It's carefully milled from only the finest of selected soft Canadian winter wheat, ground and re-ground, sifted and re-sifted through silk until it's 27 times as fine as ordinary flour. No wonder it makes novices' cakes seem like experts'! Ask your grocer for Swans Down Cake Flour.

No Evidence in Camera At Oil Probe, Decision

CALGARY, Feb. 7—(CP)—Mr. Justice A. A. McMillan, chairman of the Royal Commission probing Alberta's oil industry, today refused a request that evidence by the Imperial Oil Company officials, James Macrae of Toronto, be taken in camera.
The request was made by H. G. Nolan, K. C., counsel for Royalite Oil Company, Limited, Imperial Subsidiary.
Mr. Nolan suggested Mr. McMillan's evidence would deal with competition of the Illinois crude field with Turner Valley Oil and detrimental effect of the competition on future of the Dominion's major oil field.
J. J. Frawley, commission counsel, declared the Government would not consent to evidence being heard in camera at a public inquiry.

Colored Footwear Most Fashionable

(By WILLIAM A. STEWART Canadian Press Staff Writer)
QUEBEC, Feb. 7—(CP)—Men probably will wear more brown shoes this year than ever before, but women are expected to pay greater attention to footwear in hues and other colors according to experts here for the annual convention of the Canadian Shoe Manufacturers' Association.
Both men and women color and comfort likely will be the most noteworthy feature of the shoe of 1939. Shoe-stylists attending the convention said today both men's and women's shoes will be given a wide range of color and comfort.
Comfort will be given to women's shoes by bringing the heel down a bit and widening them at the ball of the foot. "Ventilation" will be the note of comfort in men's, particularly in their summer footwear.
As the newest women's colors, some of the stylists who were all men, mentioned "japonica"—a "rosy rust," blues and blacks expected to push brown into the background while "cosmetic colors" were seen as their way to popularity.
T. E. Turner of the Shoe and Leather Journal, a trade paper, said he wouldn't be surprised if one of these days women started wearing shoes matching their nail polish.
The stylists agreed that women particularly will have a far greater selection because of the increased use of new colors.
"Even this though," said one designer, "the selection won't be great enough, if shoes are manufactured in 200 different shades. There's always someone who wants one we haven't got."

EPITAPH FOR BARNEY

(By Mary Elizabeth Plummer Associated Press Staff Writer)
NEW YORK, Feb. 7—(AP)—Barney was a little dog of no particular distinguished breed—just a regular dog, warm-hearted and faithful.
He endeared himself to his master, Carroll Ely, a business man whose hobby is music, that Ely wrote a little orchestral lament for him as he lay dying, after 16-1/2 years' companionship.
Next Friday, seven years after Barney's death, the composition mourning him will be in the company of the music of Haydn, Cesar Franck, Mendelssohn and Tschalkovsky on Dr. Walter Damrosch's weekly concert.
"Epitaph for Barney," Ely named the composition—23 or 24 measures for string orchestra. Rendition of the little elegy takes about three minutes.
Dr. Damrosch, who first saw the music seven years ago, sent Ely a note: "All who have loved dogs and lost them will hear your lovely threnody on 'Barney' with great sympathy."
The concert on which he will conduct is designed to show "joy and sorrow in music." The epitaph for a little dog will come between the second movement from Tschalkovsky's fourth symphony and the finale from Haydn's "Symphony in G."

COMBATING THE COLD GERM

Modern science is more and more realizing the necessity of clear circulation of the blood and the value of heat in cases of coughs, pleurisy, pneumonia or any of the trying ailments which follow in the train of chills and cold germs. The application of heat has always been an effective way of combating colds, and all the uncomfortable congestions that follow if the common cold is neglected or allowed to develop.
Hot drinks, warm clothing and hot applications have been found to be most effective in overcoming the ravages of the cold germ. That is no doubt why the mustard bath is so favored. Two or three tablets of dry mustard, mixed with a little cold water, and then added to the bath-water has been found to be efficacious in helping anyone to overcome a cold. If after remaining in the bath until the skin begins to tingle pleasantly one takes a good rub-down and then retires to bed, there is usually a good deal of relief in the morning.

In Memoriam

MRS. MARGARET STEWART

On Saturday, December 31st, Mrs. Margaret Stewart a very highly esteemed resident of Murray Harbor North passed peacefully away at the ripe old age of 84 years.
The deceased had been in her usual fairly good condition of health until about a week before the coming of the end, when she was taken rather suddenly ill and sank quite rapidly, until on the above mentioned date her gentle spirit winged its homeward flight.
Her husband, Mr. Stewart, predeceased her by quite a number of years. Mrs. Stewart now leaves to mourn the loss of a kind and loving mother, three sons, namely, Hector Stewart, David Irving and William M. Irving; a daughter, Jeanie Irving passed away some years ago at the age of eleven years.

The deceased was one of a family of ten members—six brothers and four sisters.
The brothers were William Irving, David Irving, George Irving, John Irving, Benjamin Irving and Thomas Irving and the sisters, besides Mrs. Stewart now deceased, were Misses Lucy Irving, Janie Irving and Mary Irving.

The only surviving member of her family now is Francis Irving, Murray Harbour North, who on Jan. 18, 1939, reached the advanced age of 99 years.
Mrs. Stewart was a lady who was quite widely known and was held in high esteem in times of sickness and sorrow she was ready to give of her best. She will be much missed by all who had the pleasure of knowing her. Her passing was one of deep sorrow.

The funeral which was largely attended was held on the afternoon of Tuesday, Jan. 3rd. The service was conducted by Rev. R. Hensley Slavert and was an impressive one throughout.
The pall-bearers were Messrs. Fred Johnston, William H. Irving, Newton Hicken, Edward Miller, Ray Kennedy and Lauric McLeure. Interment was in the Murray Harbor North Cemetery.

DUNSTAFFNAGE SCHOOL

For the month of January:
Grade X—1. Norma Jenkins; 2. Margaret Webster.
Grade IX—1. Graham Boswall; 2. Isabel Jenkins.
Grade VIII—1. Clifford Court; 2. Wilfred Thompson.

Grade VI—1. Charl Jenkins; 2. Hollis Thompson; 3. Helen Stewart.
Grade IV—1. Keith Vessey; 2. Kathleen Roberts; 3. Lincoln Boswall.
Grade III—1. Guy Stewart.
Grade II—1. Lillian Thompson; 2. LeRoy Vessey; 3. Sadie Roberts.
Grade I—1. Verna Boswall; 2. Wilfred Stewart.
Perfect attendance: Norma Jenkins, Clifford Court, Winston Stewart, Lillian Thompson, LeRoy Vessey, Wilfred Stewart.
John M. Ellis, Teacher.

Races Staged At Montague

The cold weather of Saturday could not keep the horse fans from getting out to see the first official ice racing of the winter. The Montague Driving Club put on the races and women on the ice, was sure proof the people of this neighborhood are tops for racing.
Every heat was a fight for first place and all are looking forward to next Saturday when the club will have the honorem from other sections to Kings County to battle.
Star Dillon, H. Killan (G. McVeigh) 4 1 2 1
Foxie Peter, E. McLaughan (McLeod) 2 2 1 2
Star G., J. Lannon (Col. Line) 1 3 4 3
Billie Whit, Dr. McIntyre (Lowery) 3 4 3 4
Starter: A. Llewellyn.
Judges: Edward R. Murphy, John Martin Corney, Heath Vickerson.

HOCKEY

A very interesting game of hockey was played in Stanley Rink Jan. 27, between the hard hitting Bombers and the fast-stepping Red Wings, which went to the Bombers by the time of 6-1.
The first period opened with the Red Wings setting the pace, but the Bombers soon struck their stride and were in the lead when the big lead which they held till the game was over.
The second period was ragged most of the way with both teams on the defensive, but the last frame showed speed on both sides and some nice plays on the part of the Bombers, who scored three times to end the game with the final score—Bombers 6; Red Wings 1. Of course the score does not indicate the play as both teams worked hard but goalie McKay was at his best in the Bombers' net and was hard to beat.
The game was refereed by E. Hamilton as the league referee was sick but will soon be back on the job.

NOTES

The stars of the game are hard to pick in the writer's opinion, but E. Pye of the Red Wings got the first as he played a good, clean game and sure is a dangerous man.
Number 2 goes to Nobby Walsh, rugged defence man of the Bombers, who always gets his man and showed great speed which had the fans on edge most of the time.
The third star needs some considering as Louis Quinn of the Bombers and Austin of the Red Wings hit the goals on both sides and played good hockey all the way. So the star between these two should be divided and call them equal.
Giant claims close their shells on the feet of divers, and nothing less than a crowbar can release the victim.

Sea View And Vicinity

Roads and ice are now in first class condition for work or travel. The surfaces are level with a general covering of road and field by the snow thus enabling one to haul anywhere.

Mr. William Hunter, Baltic, has been busy engaged the past week cutting a supply of ice for the farmers of the adjoining communities.

Many in this community were indeed sorry to learn of the sudden passing of Mrs. Arthur Henry at her home in Kensington on the night of January 26th at the age of 62 years. The late Mrs. Henry was well and favorably known by many here who deeply deplore her passing. She will be greatly missed, not only in her home where she was always a gracious hostess but also in the activities of St. Mark's Church at Kensington of which the deceased was a generous supporter and faithful member. The funeral service was held from her late home on Monday afternoon and was very largely attended. Rev. Mr. Pagan conducted the service and paid a fitting tribute to the deceased as a friend and church worker. Interment was in Alberton cemetery. The services were well attended and beautiful from sympathizing friends. Kind sympathy is extended to Mr. Henry and all other friends in their bereavement.

The Darnley W. I. held a successful card party and dance in the hall on Monday evening in spite of the cold evening and a goodly crowd was present and all enjoyed a good time. A satisfactory sum was realized.

The Sea View W.I. held a Valentine Supper in the hall at Sea View this evening. The hall was prettily decorated and the tables arranged in linen crystal and laden with all the good things found at a supper. They were well patronized by many who were in attendance and all greatly enjoyed the good eats provided by the Ladies of the Institute. A splendid sum was realized.

An interesting and well attended game was played in Sea View rink on Thursday evening when the hockey team from Spring Valley and the Maple Leaves of Sea View. This was one of the league games and a large crowd of spectators were present after a well fought game the score ended 8-2 in favor of Spring Valley. Following are the lineups: Sea View: Goal, R. Miller; C. Chapman; D. Dugan; C. MacKenzie forwards, E. Matthews, B. Brander, B. Blakney, H. MacLeod, Ivan Dugan.
Spring Valley: Goal, D. MacLennan; defence, R. Heckbert, S. McKinnon; forwards, H. Champion, C. Champion, R. Champion, Lloyd Campbell, Borden Campbell, Fred Profit.
Referees—J. R. Murphy and R. Rose.

Mr. and Mrs. George Morrison entertained a number of their friends at their home in Darnley on Wednesday evening. A pleasant evening was spent in music and dancing. A delicious lunch was served by the hostess and a social hour followed.

Mrs. George Brander is spending a pleasant visit in Malpeque the guest of her sister Mrs. Fred Champion.

Miss Gladys Adams has returned to her home in Sea View after spending a pleasant visit with friends in Baltic.

Mr. George Brander is confined to his home suffering from mumps.

Mrs. Edwin Donald entertained the members of Darnley and Sea View W. M. S. at her home for the February meeting. The Vice President, Joseph MacGregor, presided and opened with a call to worship. President offered prayer and several members gave interesting and helpful readings on the topic which was Service. Roll call was responded to with an appropriate Bible verse. Splendid reports from the Executive Committee were given by delegates who attended, Mrs. James Hickey and Mrs. Arthur McKay. Those reports were greatly appreciated by the members. Circle of prayer followed by all taking part after which the business discussion followed. A letter of appreciation was read by the Vice President acknowledging a parcel of quilt sent to Sydney at Christmas time. Plans were made to send another parcel in the near future. The meeting closed with the benediction.

Mrs. John Pickering is spending a pleasant visit with friends in Malpeque.

Mr. Edwin Murphy spent a few days recently in Charlottetown on business.

Mr. and Mrs. Clifford MacLaren are spending a pleasant holiday with friends in Lot 18.

Mr. Roy Adams was a visitor to Summerside on Saturday on business.

Mr. James E. Murphy has returned home after spending a few days in Charlottetown where he visited his mother who is a patient in the P. E. Hospital. His friends are pleased to learn she is making a good recovery following her operation.

Mr. Roy Adams was a business visitor to Charlottetown during the past week.

Misses Lena Harding and Anna Delaney, French River, were recent visitors to Sea View.

Miss Lilla McLeod, Victoria West has been the guest of Mr. and Mrs. John Coulson for some time past.

The junior pupils of Sea View School held a Valentine party on Friday afternoon. A nice program was given by the pupils and at the close the boys served lunch and the girls a treat of candy. All enjoyed a nice time.

The rubber tree ranks 10th among the most important trees of the world. It has been under cultivation for less than 100 years and has been grown extensively for less than 40 years.
