A mother's pride is in the dainty muslin dresses of her children. They soon lose their stiffness and get "mussy" if they are not properly starched. Celluloid Starch gives the muslin just the proper firmness and the finish makes them keep clean longer. It is a pleasure to iron when you use Celluloid Starch and the result is never disappointing. All good grocers sell Celluloid Starch. Never Sticks. Requires no Cooking. The Bradford Starch Works, Limited, Bradford, Canada.

OF MODERN MIRACLES

SCIENCE'S AC'IEVEMENTS IN THE LIGHT OF CHRIST'S PROMISE.

TALMAGE'S CONSTRUCTION

Jesus Christ Superior in His Day to All Natural Laws—Still He Says: "Greater Works Than These Shall He Do" That Believers on Me—Wonders Accomplished in the Present Day.

(Continued from page 9)

But though we have been praising man's "great work" we would have you bear well in mind this one tremendous fact. No work of man is truly greater than Christ's work, because all of man's greater works are the outcome of Jesus' work. If you read the verses in which my text is found you will find the whole trend of the thought in the one word "because." "He shall do greater works than these because I go to my Father."

Never be deluded by the idea that man in his own strength is able to do anything apart from God. Only as Christ's life in its influence touches our lives are we able to do the "greater works" which are given man to do. "Oh, no," says some one, "that cannot be. Some of the greatest inventors, some of the greatest statesmen, some of the greatest American men have been agnostics and did not believe in Christ at all. How then could they get their power from God?" By the law of association. The influence of Christianity is an elevating, civilizing, inspiring power. Even those who are personally strangers to it are affected by the atmosphere it produces. Have you not noticed that nearly all inventions, nearly all true progress, nearly all the world's best blessings are found in Christian lands alone. God blesses the just and often the unjust in a Christian land, because Christ's work and sacrifice have been blessed in that land. Therefore, my brethren, the only way for man to achieve his greater works is by spreading abroad, as far as he can, the works of Jesus Christ, upon which all men's greater works are dependent. When Christ goes up, man goes up. When Christ goes down, man goes down.

And Moses but the instrument. To-day will you not feel that you can only accomplish the greater work Christ has given to you to do by living and working in Christ? When Marshal Bernadotte, who afterward became King Charles XIV. of Sweden, was a young man he was a revolutionist. At the beheading of King Louis XVI. of France, in order to show his hysterical joy, he had tattooed upon his arm this sentence, "Death to all kings and royal tyrants." Bernadotte afterwards was himself raised to a throne. He closely guarded that tattooing from the eyes of his people until he was dead. Oh, my friend, marked with the signs of infamy upon your heart, marked with the signs of rebellion against Christ, will you not change your belief, as Bernadotte did, to become an enthroned king? You bear on your soul the marks of sin, but if you will come to him, he will take you into his employ and he will send you forth to bless and help the world. As the apostle bore on his body the marks of the Lord Jesus, so you may wear the badge of his service and in his name and by his power carry on the work that he began. To you, too, the promise is given, "He that believeth on me the works that I do shall he do also, and greater works than these shall he do, because I go unto my Father."

A man who is looking for trouble can usually find it without trouble.

HEART DISEASE is a symptom of Kidney Disease. A well-known doctor has said, "I never yet made a post-mortem examination in a case of death from Heart Disease without finding the kidneys were at fault."
