ANOTHER SUCCESS was scored by the Mae Edwards Players in Happyland Theatre, Summerside, on Thursday evening, when they staged "The Last Chapter," a modern drama which had a long run in New York and Chicago last year. As usual the vaudeville specialties were exceptionally good.

PROFITABLE AFFAIR.—The gross receipts of the dinner and supper held in the Summerside Agricultural Hall during the days of the Prince County Exhibition, realized the excellent gross sum of \$325.00. The net proceeds have been donated to the P.E.I. Orphanage.

MOTORISTS who have occasion to travel along the eastern approach to Summerside are complaining about the conduct of several boys, ranging in age from ten to fourteen, who, on several occasions, have tried to strike the drivers or occupants of passing cars with rocks large as good-sized apples. This practice may continue until some one is hurt.

HOME FOR BURIAL.—The body of the late Pascal C. Gallant, formerly a town councillor of Summerside, and proprietor of the Gallant Cannery, who died in New York City on Wednesday last, was brought to Summerside on Friday evening. The funeral was held on Monday morning at ten o'clock, the services being under the direction of the Knights of Columbus.

NEW RADIO STORE.—One of the first exclusive radio stores to be established in the province is now in active operation at Central Street, Summerside, under the direction of Harold Gaudet, the pioneer radio expert of Prince County, assisted by Arthur Pritchard, both popular radio operators of Summerside, and members of the 8th Signal Company, Charlottetown.

IS COMMENDABLE.—A movement is under way to start a club room and gymnasium in Summerside for the boys and young men of eighteen years and older, and a large second floor apartment on Water Street is being contemplated. Boxing, wrestling and heavier gymnastics will be taken up by the boys and it is believed that the movement will give a strong impetus to the winter sporting events in Summerside.

BRIDAL SHOWER.—On Thursday, September 28th, 1922 a shower was held at the home of Mrs. Mulligan, Newton, in honor of Miss Mary Mulligan, a popular young lady of Kinkora parish who was soon to be the principal in an interesting event. The gifts were numerous and varied—consisting of linen, silverware—class and many substantial checks. After the presentation of gifts the floor was cleared and a few hours pleasantly spent with music and dancing. Refreshments were served and all too soon the hour for departure arrived when the guests left for their homes wishing Miss Mulligan all the happiness that Hymen can bring.

WEDDING BELLS.—The marriage of Miss Gracinda McDougall, daughter of Mr. and Mrs. William L. McDougall, Richmond, and Mr. Bernard McLellan, son of Mrs. A. McLellan, Indian River, took place in Immaculate Conception Church, Wellington, on Wednesday, October 4th, 1922. The ceremony was performed by the Reverend Father John A. McDonald. The bride was attended by Miss Claire McLellan, sister of the groom, while the bride's brother, Mr. Harold ably assisted the groom. A wedding breakfast was served at the bride old home to the immediate friends of the happy couple, after which they left on a honeymoon trip through the Maritime Provinces. On their return they will reside in Indian River.

—BURGLARIES IN SUMMERSIDE.—On Thursday night, while J. E. Gallant, of Summerside, was attending the performance of the Mae Edwards Players in Happyland Theatre, burglars entered his home and went through the house, taking \$6.00 in cash which was left upon a table. On the same day, at noon, an office on Water street was entered, but the marauder got away without being seen, though he was heard in time to prevent the robbery of some \$300 which had been left in a safe. As "Big Dan" Sullivan, the chief of the Summerside police force, has resigned it looks as if the lawless are getting ready for a Roman holiday. What looks like an attempt at burglary was pulled off some time Wednesday or Wednesday night in the office of Bell & Tanton, Summerside. On opening the vault on Thursday morning, Mr. Morley Bell discovered that the cash box had been pried open, but no cash was missing, although the box contained upwards of two thousand dollars, as well as several hundred dollars' worth of bearer bonds.
