## Five Ice Racing Classes Saturday

Nine horses and 20 club members are in Halifax for the inter-provincial ice race meet this weekend, but that does not deter the Victoria Driving Club from planning for a five-class program here on Saturday. The program is that racing will be good, if the weather is kind.

Here are the classes and the probable starters:

**Class A Pace, Scotty Budlong, Marjorie Budlong, Jane Harvey.**

**Class A Trot, Nootime, Miss Brewer, Tex Worthy, Billy Kalmuck, Lucky Guy.**

**Class C Trot and Pace, Dolly Dew Rock, Northern Scott, Billy the Ripper, Buddy Budlong.**

Officials of the club said it was not certain where the race would be held but announcement would probably be made today. If the ice is suitable the race will be held at 2 o'clock.

## Montreal Royals Player Fined \$20

OTTAWA, Feb. 14 — (CP) — Gerald Heffernan, forward player with Montreal Royals of the Quebec Senior Hockey League, was fined \$20 and costs, with an alternative of 10 days in jail, when he appeared before magistrate Glen Strike today on a reduced charge of common assault. The charge was laid by Ottawa police following a fracas at a recent Montreal-Ottawa game in which Heffernan struck and injured a Montreal player.

## Sea Cadets Defeat Air Cadets By 5-3

In a rugged, well-played hockey game Sea Cadets yesterday afternoon defeated the 80th Squadron Air Cadets 5-3. The game was played at the Forum.

Larter for the winners was outstanding, scoring two goals and garnering two assists.

The game got away to a fast start with Douglas of the Sea Cadets scoring on a neat passing play with Larter. Belonger evened the score unassisted only to have Reddin from Burke and Larter make it 2-1. A short time later Larter again teamed up with Reddin to make the score read 3-1.

A rush by Barwise and MacNeil ended with Barwise beating MacDonald in the Sea Cadets nets to improve matters for the winners. Burke scoring unassisted put the Sea Cadets ahead 4-1.

Belanger cut the lead down to a single goal again when he accepted a short pass from MacNeil after trapping the Navy boys down the ice. Larter ended the scoring after a passing bout with Burke to make it 5-3 for the Junior sailors.

The next meeting between these two teams is scheduled to take place Feb. 28.

## Souris Driving Club Holds Harness Race

The newly formed Souris Driving Club held its first race on Souris River, Wednesday, February 13th. The ice was in good condition, having been put in shape by the sport fans of Gowan Brook.

Four good classes were run off and exceptionally fast times made. The free-for-all saw Calumet Duds, who has been winning a lot of races in this vicinity, walk off with the first two heats but not without plenty of opposition from King Spruce and Gracious Lady. In the third heat, King Spruce came through alive. Calumet Duds had made a break.

In the class A Trot and Pace, Northern Prince had too much speed for the three trotters. Abbe Guy, driven by his owner Sterling Burke, met with an accident, breaking his sulky in the second heat.

The class B Pace was a real race with Fairy Waltz, owned by Stewart Race, and driven by Peter Nolan, springing a surprise by winning the first heat. The next two heats were won by Everett McLeod's good pacer, Guy Hal. Harvey Dillon went a good race, finishing 2-3-3.

The class C Pace saw three good horses with Dot Laocopia, owned and driven by Jack Bushy, taking the first and third heats. Rollo Bay Boy, a King Spruce colt owned and driven by Daniel Burke, and Laddie Hal, by Sampson Hal, owned and driven by John McKinnis, furnished the competition. The newly formed club intend to hold weekly races in future.

## Remember When

By The Canadian Press

The first world 12.2 baltline billiards championship tournament started in the Grand Hotel, Paris, 43 years ago today. There were four entries—two each from France and the United States—and play ended in a three-cornered tie six days later. Maurice Vignaux of France refused to play off and appealed to the French court. After several months' delay he was ruled winner.

## Scuttle Collegians In Free Scoring Game 10-7 To Stage League Upset

Walter Lawlor's Navy bounced into the playoff limelight last night, as they defeated the "Flying Welshmen" 10-7 in a high-scoring ragged game. Prince of Wales started the first period with their usual League form, bagging two goals in the first five minutes, but were disgruntled when the Navy evened the score with two quick goals. The Welshmen were out of the picture until well into the dying minutes of the game when they staged a come-back with their regular style.

Last night's victory for the Navy puts them into a third place tie with the Legioners and it is expected that the play off will see the return of Whitlock and Jackson to the Navy lineup.

The first opened with the Collegians bagging two goals before the four minute mark, but the Lawlor Navy squandered two quick goals between the seven and eight minute mark, which sparked a scoring spurge. Navy grabbed two more in the first period and three in a row in the second, to start the third period with a five goal advantage. Navy grabbed two more in the first period and three in a row in the second, to start the third period with a five goal advantage. ## Maritime Gyro 'Spiel To Be Held Today

LONDON, Feb. 6 — (CP) — Two men, a horse and 260 pounds (\$1,170) are involved in one of the strangest bets for the Grand National at Liverpool in April.

C.E. Edwards, 74 year old owner-trainer of Craven Arms, Shropshire, took exception to a statement by Bob Todd of Newmarket who said Edwards' 10 year old horse, Elsie, wouldn't ever complete the course. Todd was willing to bet on it.

Edwards took up the challenge and Todd has laid him 250 pounds to 10 pounds. Bookmakers quote Elsie's win price variously from 100 to one to 200 to one.

Elsie has never won a race or finished the course less than 400 yards behind the winner.

Stanley Matthews, Stoke City winger in the English Football League, made his 44th appearance in an international match when he scored a goal for England against Belgium Jan. 19.

Matthews, aged 30 started as a football club office boy who for 1 pound (\$4.50) a week spent the first half of each week cleaning boots that had been used in the previous week-end game.

Harry Hopman who captained Australia's winning tennis team in 1928 considers the only serious challenge received for this year's Davis Cup is from the United States. He considers France the second strongest challenger with Czechoslovakia "unknown" and Great Britain, Belgium and New Zealand rated as "weak."

"The older players and the young promising 18 to 20-year-olds in Great Britain seem much below Australian standards," he says.

The British Sportsman's Club which entertained sportmen who came to Britain from overseas in 1928 considers the practice in London when the Kiwis, New Zealand army rugby club, was tendered a lunch by the club.

Club president is the Earl of Athlone, governor-general of Canada who is expected back in Britain soon.

## Ice Racing At New Glasgow

The New Glasgow Racing Club held another race meet Saturday, Feb. 9th, with two classes which were keenly contested. The day was fine and the ice was in good shape. Much credit is due our local sawyer, Reigh Bagnall for coming to our assistance with his horse flesh. Reigh is a good sport and told the committee to call on him anytime and he would be there.

Class A had five starters. C. Harry Budlong (Rose Marie), Ginger Worthy, Helen Spruce and Billie Aubrey, but owing to a break down, Helen Spruce had to be dropped. It took considerable time to get the field away but when they got the word, they were on even terms and races together.

Billie made a jump, Albert going to the front. Rose Marie looked a good second, but Billie changed things after he started to trot and never her out at the wire with Albert winning the heat.

In the second heat, they got away good with Billie going to the front and making every post a winning one; Albert, second; Rose Marie, third.

The third heat was much the same as Billie was never headed to the wire. Class B had three starters which included that good colt owned by Peters, Billie being his first start. He sure made a good showing by heading such good trotters as Buddy Kalmuck and Teddy Kalmuck to the wire in a whirlwind drive. Of course, it was no surprise to the fans as Peters is in the habit of throwing surprises.
