LEAGUE OF THE CROSS CONCERT.

The concert given under the auspices of the League of the Cross in the Market Hall last night was worthy of a much larger audience. The hall was fairly well filled and the entertainment was thoroughly enjoyed as was shown by the repeated and prolonged applause. The opening closing selections were given by the band of the society.

Piano solos by Miss Ethel Blanchard and Bessie Vinnicombe were given in excellent good style. The vocal duet by Cliff and Miss Maud Down was an excellent number. Vocal solos by Master Edie O'Toole, Miss Lucy Blanchard, Mrs. Jas. Byrne, Elmer Ritchie, Prof. Barlow and Bernard Gillis were also well rendered. They are old favorites with concert goers with the exception of Mr. Gillis whom Charlottetown audience never had the pleasure of hearing before. He is the possessor of a beautiful voice and lovers of music hope to soon have the pleasure of hearing him again. The instrumental duet by the McFarlane Brothers was a most pleasing novelty. Readings by Miss Rattray and Mr. Bethune brought forth rounds of applause. The Highland fling by Master Guy Scott showed careful training and the skirt dance by Miss Monaghan was excellent. Owing to some misunderstanding with some of the Light Power Co. officials the electrical effects for the skirt dances had to be omitted. The committee in charge of the entertainment are to be congratulated on the excellent program rendered.

Two kicks were cleverly blocked by Jones and Doyle.

The Saints full back played a brilliant game and saved his team repeatedly.

Great interest will centre in next game between Vics and Saints. The former played a close game with the Abbies Thursday last, and have since put in faith in practice. Their friends look for a victory. Should they even tie the Saints the championship then goes to the Abbies.

The Saints will protest Eric McLean. The ground is that he is not resident in the city for at least two weeks as the constitution provides. If the protest is sustained by the League the game will likely be played over.

Gorman was the new Saints forward and Frank McDonald replaced Toupin on the half line.

THE BEST GAME OF THE SEASON

Was the Verdict of the Spectators Yesterday

The Football Match Between the Abegweits and St. Dunstan's Resulted in a Drawn Battle.

The football enthusiasts of the city were delighted yesterday with the fifth game of the League series between the Abegweits and the St. Dunstan's team. The day was an almost ideal one for football; the field was dry though a trifle hard.

The game had been eagerly looked forward to by hundreds who have recollections of memorable battles between these teams in the past, and a large crowd witnessed the game yesterday. The match was a critical one, for a victory on the part of either contestant practically decided the Island championship for this year, and it was with much excitement that the men lined up. The teams had faithfully trained, and the result of their efforts was now to be determined. The Abegweits had evidently profited by their experience last week with the Victorias, and they put out their best fight. Their forward line was found wanting in the first game with the Saints, but if any advantage lay with the front line yesterday, it must certainly be given to the Abbies, who in the first half seemed to have possession of the ball for the greater part of the time.

In the second half the Saints forward line held the ball down better and missed were about even.

The Collegians sorely missed their big centre, Dan McIntyre, who has a ways been a tower of strength to the College in many games. It was not in the weakness of the Saint forward line however, that the city team held an advantage in scrim play, for the College eight as one of high average team might be proud, but rather in the added strength of the Abegweits through the acquisition of Jones and Darke on the front line.

The Abegweits also had Eric McLean on their half line and it is not just to say that he earned the day's honors. Eric was a splendid kick and handler of the ball previous to his departure to Montreal, where he has distinguished himself on the Shamrocks, but he has improved wonderfully and was a dangerous man to the Saints. He used his kicking ability to great advantage and repeated y made gains for his team.

The Saints had practically the same line up as on former occasions with the exception of Dan McIntyre of the forwards and half-back Toupin who were replaced by others. The team however was a good one, and fought a good fight.

The game was started fairly promptly by Referee Chas. McQuinn of the Victorias, the Abegweits kicking off. During this half the game lay with the Abbies who kept the ball almost constantly in Saint territory.

The Collegians forced the ball to their opponents line, but only for a brief space. A feature of the half was a drop from field for goal by Ollie McEa-hern, which the referee disallowed, the ball passing about several inches beyond the goal post.

In the second half honors were more evenly divided. The Saints kicked off and in a few minutes worked the ball to the Abbies 10 yard line. Here Carroll secured the ball and passed over the line depositing the sphere behind the posts. The try for goal failed and the score stood College 3, Abbies 0.

Play was resumed and the advantage favored. Nicholson was injured and obliged to retire. The Saints enjoyed by dropping a man.

The Abegweits again forced play and carried ball to Saints' 25 yard line. Here the College was penalized and Eric McLean neatly dropped a goal from field. Score 3 all, and thus the game ended.

FROM THE GRAND STAND. Dan McIntyre, late centre of the Saints, left yesterday afternoon via Souris en route to the Magdalens where a position awaits him.

Two kicks were cleverly blocked by Jones and Doyle.
