

If the Drain Pipe in Your Kitchen Clogs

Up, what is the result? You must remove the stuff or it will decay and fill your house with evil odors of putrefaction. That's precisely what happens in your own body when you become constipated, and the poisonous matter is taken up by the blood and carried back into your system, only it is much worse, because you are unconscious of the effects, but every one who comes near you literally smells you. I know, slightly, two ladies, both of them amiable and attractive women otherwise, who are veritable walking *charnel houses!* Could I use a more expressive or truthful term? These ladies are so saturated with the poisonous effluvia from their internal economy that they are habituated to it; their sense of smell is blunted. I wonder how their husbands endure them! Both of these women suffer from Constipation; their complexions are muddy and their breaths nauseating to sensitive people. I wish I knew them intimately enough to advise them to try Karl's Clover Root Tea, the most wonderful medicine I have ever known for the regulation of the bowels, purifying of the blood and sweetening of the breath.

My dear sisters, I wish to tell you that your health depends entirely on the state of your blood. Your blood makes you whatever you are, for through the blood every organ in your body is kept in repair. If your blood is poisoned by the waste material that is retained in your body because of your constipation, you are not being built up as you should be.

Karl's Clover Root Tea is a truly wonderful tissue builder. It produces healthy digestive organs, allowing your food to nourish you, and induces sound, refreshing sleep.

Ask your druggist for a sample, or write to S. C. Wells & Co., 52 Colburn Street, Toronto, Ont., who will mail you one. Sold in the United States and Canada at 75c. and 50c., and in England at 1s. 6d. and 2s. 3d.

S'SIDE AND PRINCE CO.

Mr. F. Austley representing Messrs. W. J. Gage & Co. is in town.

Three Scott Act cases will come up for hearing this morning in the police court.

Miss Edith Green, Fernwood left yesterday morning to spend a few weeks in New York.

The steamer Mayanza from Arichat, Bay Chaleur left here yesterday morning after spending the night in Summerside Harbour.

The S. S. City of Ghent arrived here yesterday afternoon with a fair freight. After discharging which and taking on board 275 bags potatoes 75 bags oats and a quantity of sundries she left on return to Halifax.

The announcement of the relief of Making which came last night about 7 o'clock was hiled with a general outburst of rejoicing which vented itself in almost every conceivable fashion from the screech of the small boy to the howl of the city of Ghent, which lent a valuable aid from the harbor. Flags were flung to the breeze and every store and dwellings with only a few exceptions were gaily decked with bunting, while the fire and church bells rang, steam whistles tooted and each shook hands with his neighbor. The Boy's Brigade headed by the Summerside, Cornet Band paraded the streets.

A SUMMERSIDE ROMANCE.—Whatever else could be said of her it must be admitted she was good looking. She was standing by the counter—nervously turning over the pages of a Fashion Magazine—utterly regardless of the admiring eyes turned in her direction by the male customers present. At last, in sheer desperation she threw the magazine on the counter with the exclamation "It's no use; they are all right I suppose, but I can't decide, and I must have it before next Thursday week or—". "You want to select a style of dress?" asked a gentleman who had been intently watching her. "That's just what I am trying to do." "Well, I am in just such a dilemma, and if you undertake to select from those colored tweeds a pattern that I can wear becomingly, I'll select a style of dress for you, that I will guarantee will please you." "Done," said the young lady, and each went to work with a will. (To be Continued Wednesday.)
