IN MEMORIAM

PETER R. KINCH

On Nov. 19th there passed away at Tignish after a brief illness, one of its most respected residents in the person of Peter R. Kinch, aged 69 years.

Deceased had been in apparently good health till four days before his death, when he contracted a cold which developed into pneumonia.

At the end of the fourth day his soul fortified by the last rites of the Catholic Church passed quietly and peacefully away to its eternal reward.

He was a man of excellent character and abilities being ever ready to serve others before himself.

He will be greatly missed not only in his home where he ever proved himself a loving father and husband, but also by a wide circle of friends for to know him was to love him.

On the 23rd his remains were accompanied to St. Simon and St. Jude's church by a large congregation who assembled to bid their last farewell to the departed soul.

There are left to mourn his loss a sorrowing widow, one son and nine daughters, six of whom reside in U. S. A. and the Misses Marguerite, Pearl and Marjorie at home.

May he rest in peace. Amen.

MRS PATRICK TRAINOR.

After suffering from paralysis for over four and a half years, the soul of Mrs. Patrick Trainor, Kelly's Cross, passed to its eternal reward on Wednesday morning, November 28th. Deceased who was in the 62nd year of her age was a prominent figure in religious and social life will not only be missed by her family, but in the homes where sickness and trouble visited, was always generous in lending a willing hand to lighten the sufferer's pain. Her body followed by a large funeral cortege was interred in St. Joseph's Cemetery, Kelly's Cross on Friday, November 28th, after the celebration of a Requiem High Mass celebrated by the pastor, Rev. Dr. Curran, who in her sickness fortified her with the last rites of the Holy Catholic Church. She leaves to mourn besides her husband, James P. and Lavinia F., Kelly's Cross; Walter in Edmonton Alta; Bennet who arrived home from Edmonton too late for the funeral. Mrs. Wm. J. Dorion, Battleford, Sask., Mrs. Frank Rouch, Cardigan, Mary Loretta and Georgina Kathleen her adopted grand-daughter at home. The pall bearers were: Jerome McGuigan, John Haughey, Francis J. Monaghan, Mark A. Smith, John Nantes, John P. Bradley. May her soul rest in peace.

In loving memory of Michael Flynn who died December 15th, 1918 and his loving wife, gone but not forgotten by their loving family. In Iona softly sleeping Where the trees gently wave Lies the one we loved so dearly In there lonely silent grave. Thoughts will always linger thru them They will never be forgotten Never shall their memory fade Sweetest thoughts will always linger Around the grave where they are laid. Rest in peace. LIZZIE

HOT WATER FOR SICK HEADACHES

Tells why everyone should drink hot water with phosphate in it before breakfast.

Headaches are caused by auto-intoxication—which means self-poisoning. Liver and bowel poisons called toxins, sucked into the blood excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head, producing violent throbbing pain and distress, called headache. You become nervous, dependent, sick, feverish and miserable. You then resort to acetanilid, aspirin or the bromides, which temporarily relieve but do not rid the blood of these irritating toxins.

A glass of hot water with a teaspoonful of limestone phosphate in it, drunk before breakfast will not only wash these poisons from your system and cure you of headache, but will cleanse, purify and freshen the alimentary canal.

Ask your pharmacist for a quarter pound of limestone phosphate. It is inexpensive, harmless as sugar.

If you aren't feeling your best, if tongue is coated or you wake up with bad taste, foul breath, or have colds, indigestion, biliousness, constipation or sour acid stomach, begin the phosphate hot water cure to rid your system of toxins and poisons.
