

Came Near Dying

Abscess on the Hip—Dreadful Suffering—Hospital Treatment Failed.

Another Great Cure by Hood's Sarsaparilla.

Charles L. Hutchins is well known and popular in S. Royalton, Vt., being driver of the stage to and from Chelsea. He says of his boy Arthur, now 15, whose portrait appears below:

"He fell on the mill dam and injured his hip. An abscess developed and dreadful sickness followed. The doctors lanced the abscess and later performed an operation in the Mary Fletcher Hospital in Burlington. Arthur came near dying after the operation, but we got him home and neighbors said he would certainly die. In the spring I began taking Hood's Sarsaparilla, as usual, and gave Arthur a little each day. After a week or two there was a great change in the boy. He seemed hungry, and one day surprised us by exclaiming, 'How good my food tastes!' We could soon see the color coming into his face, as day by day he got better, seemed more lively and took more interest in things. The sore is now entirely healed, there is no pain in hip or limb. Arthur goes to school every day and his health could not be better. Our friends his cure by Hood's Sarsaparilla seems miraculous."

Hood's Sarsaparilla purifies the blood, eliminates scrofulous tendencies, cures dyspepsia and kidney troubles, gives Sound Health, Restful Sleep. It creates good appetite, relieves all symptoms of dyspepsia, makes one feel better, look better, eat and sleep better. My brother became completely run-down, his blood was poor, in fact, his whole system was out of order. He took Hood's Sarsaparilla which produced wonderful results, in a surprisingly short time! Enterprise Monarch Steel Range

This popularity is based on three things which are the essential features of a perfect cooking apparatus, viz:—

Ease of Operation, Economy in Fuel, Durability.

We invite careful inspection and comparison.

Any of our agents will have pleasure in showing you this range and explaining its many points of superiority. It will pay you to look it carefully over.
