For That Weak Feeling After Influenza Take VINOL

There's nothing just like it for building up the waste tissue, enriching the blood and nerves and bringing back health, strength and vigor.

We know of many wonderful cures right here in Charlottetown due to this wonderful Tonic Reconstructor and would strongly advise its use after recovering from La Grippe, Influenza or any other sickness that impairs the health.

If it does not do as we say, you can have your money refunded. Get a bottle at once and see results.

Sure! High Heels Cause Corns But Who Cares Now

Because style decrees that women crowd and buckle up their tender toes in high heel footwear they suffer from corns, then they cut and trim at these painful pests which merely makes them grow harder.

A few drops of a drug called freezezone applied directly upon a sore corn gives quick relief and soon the entire corn, root and all, lifts out without pain.

This drug is an ether compound and dries in a moment and simply shrivels up the corn without inflaming or even irritating the surrounding tissue or skin.

Much sympathy is felt for Mr. and Mrs. Reynolds in the loss of their promising young son who was a machinist by trade and had a bright future ahead of him.

CHARLES McLELLAN

Many will learn with sorrow of the death of Mr. Charles McLellan, proprietor of the "Quality Drugstore," Summerside, which occurred yesterday morning after a short illness of pneumonia. The deceased was a son of the late Mr. John McLellan, Tignish. He entered the drug business in the store of Dr. Johnson, Tignish, and later took a position in the drugstore of the late Dr. A. A. McLellan, Summerside. About seven years ago he purchased the business of the McNeill Drug Co., which he conducted most successfully till laid aside by the illness which he succumbed to. He was a young man in the prime of life, a man of exemplary character and had many friends who will sincerely regret his death.

ATTRACTIVE ADVERTISEMENT.—The advertisement of Messrs. W. F. Hyndman & Co. in this issue is an especially attractive one, and well worth studying not only for its artistic merit but for the cause which it advocates. Read it and think it over.

CLAUSE CORRECTED.—In the recent report of the millers meeting the clause reading "It was unanimously decided that henceforth all millers discontinue providing meals to customers," was misleading as no vote was taken, the question being left to the millers' own judgment.—(Signed) Robert Thompson, Thomson's Mills, Suffolk; John Andrews, Belmont Mills East Royalty.

OFFER TO CANVASS IN CHARLOTTETOWN

Sir: I saw a suggestion in your paper Saturday morning that all the commissions made in selling Victory Bonds be turned in for the benefit of the two Charlottetown Hospitals.

I think your suggestion a good one and am willing if it is carried out to canvass any part of the city that would be allotted to me, and turn in all commissions to the Hospitals with the provision that all canvassers will do likewise.

I am Sir etc. J. STANLEY WEDLOCK.

DON'T SCOLD, MOTHER! THE CROSS CHILD IS BILIOUS, FEVERISH

LOOK AT TONGUE! IF COATED CLEAN LITTLE STOMACH, LIVER, BOWELS.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

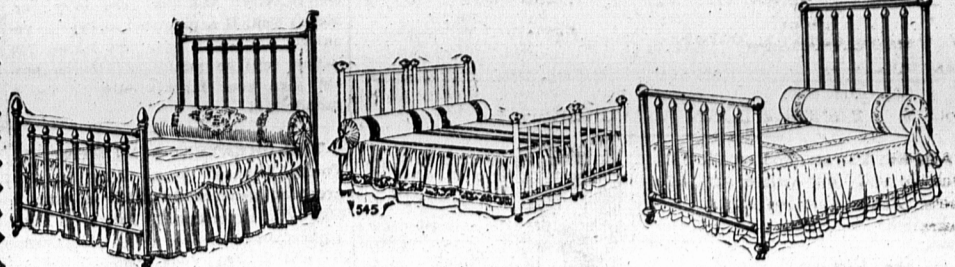

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little insides clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.
