EGG AND POULTRY ASSOCIATION

Delegates representing the different egg circles throughout the province to the number of about eighty met yesterday morning in the Agricultural Building for the purpose of organizing a federation of the egg circles. The meeting was a most satisfactory one and the delegates were enthusiastic over the prospects of the egg business. A constitution and code of bye-laws was drawn up and approved and a general discussion of the business methods to be pursued followed until recess.

Careful attention was given to the discussion of the proposed act to incorporate the Prince Edward Island Co-operative Egg and Poultry Association which was led by Hon. Murdock McKinnon.

It was moved by Rev. Dr. Curran, Kelly's Cross, seconded by Mr. D. B. McDonald, North Bedeque, that a provincial co-operative association be formed in accordance with the provisions of the proposed act.

Rev. P. P. Arsenault, then gave the report of a committee of five appointed at a previous meeting to draft a suitable constitution and a bye-law for the Association. The constitution was discussed article by article, and was finally adopted upon motion of Rev. J. J. McDonald, Kinkora, seconded by Mr. W. Simpson, Bay View.

It was then moved by Rev. Dr. Curran, Kelly's Cross, Mr. G. H. Hume, Brooklyn, that a nominating committee of five, prepare a list of officers in accordance with the association.

At the afternoon session the following officers were appointed: Honorary President, Hon. Martin Burrill; Minister of Agriculture; Honorary Vice-Presidents, Lieut. Gov. Rogers, Hon. Murdock McKinnon, Commissioner of Agriculture and Mr. John Bright, Live Stock Commissioner, Department of Agriculture, Ottawa. Pres., Rev. P. Brown, Superintendent of the Dominion Poultry Division; Pres., Rev. P. P. Arsenault, Mt. Carmel; Vice-Pres. Prince County—D. B. McDonald, Central Bedeque; Queens County—J. Bradford Millman, Long River; King's County—E. P. Bulpitt, Cardigan; Secretary-Treasurer—T. A. Benson, Charlottetown; Directors Prince County—A. Schurman, Central Bedeque; C. McClellan, Grand River. Queens County—W. Simpson, Bay View; J. R. Ross, Flat River. King's County—D. F. McDonald, Souris; Chas. Sensabough, White Sands.

At this session Mr. T. A. Benson gave an address on Methods of Egg Circle Management. This address instructed the members of the circles in the care and handling and co-operative marketing of eggs. Messrs J. B. Millman Long River, M. Hume, Brooklyn, and Walter Simpson, Bay View, and other representatives of the egg circles told of their own experiences and the success they had met with. All were pleased with the general success of the movement. An address was also given by Mr. W. A. Brown, Ottawa, on the financing of new undertakings, in co-operative egg and poultry work. The discussion of this was led by Prof. Wm. E. Cameron, who gave an address dealing with the sale of eggs and the financing of similar movements in Denmark and Ireland. He emphasized the necessity of having a strong central organization such as the one just formed that could exert some control over the separate units and be a sort of vigilance committee to watch the markets for the guidance of the individual circles and also to act as a board of arbitration to settle any disputes that might arise between the different egg circles. He pointed out that among the benefits of the incorporation would be the fact that it would have the sole right to stamp and seal the product giving the Island proprietary rights over its egg exports, thus ensuring full credit for persietent work and effort on the part of members All exports thus stamped and guaranteed will be a valuable advertisement for the P. E. I., product.

WRITING to the agent entrusted with the purchasing of the stores for the forthcoming Imperial Trans-Antarctic Expedition, Sir Ernest Shackleton uses these words:

"I consider the question of the concentrated beef supply is most important—

it must be Bovril"

Men who trust their lives to their food take no risks, and Sir Ernest Shackleton, planning this expedition with as intimate a knowledge of stores as of ice and snow, has recognised the scientifically proved value of Bovril.

The independent scientific investigation which proved **the Body-building Power of Bovril to be from 10 to 20 times the amount taken** was carried out by one of the foremost physiologists of the Kingdom on behalf of a Government Department, and the results obtained applied to Bovril and Bovril alone.

Even were it double the price, Bovril would still be an economical and indispensable article in every home.

Of all Stores, etc., at

1-oz., 25c.; 2-oz., 40c.; 4 oz., 70c.; 8-oz., $1.30; 16-oz., $2.25, Bovril Cordial, large, $1.25; 5-oz., 40c. 16-oz. Johnston's Fluid Beef (Vimbos), $1.20.
