S'IDE AND PRINC'AL GO

SPRINGFIELD Notes.—The farmers in this locality are about through harvesting and are busy preparing for the fall's work. The crops are not up to the average.—Our genial friend, Mr. Alex. Nicholson, is doing a splendid business in blacksmithing.—Mr. Thos. McKay has made some improvements in his dwelling. Judging by the appearance of most of the residences in this place one is struck by the taste of the people in having their houses so beautifully painted; among them we might mention Mr. Thos. Haslam, whose house presents a beautiful appearance, as does also Mr. Daniel McKays' not forgetting our old friend Mr. Jas. McKay, who has his done in keeping with the rest. The Presbyterian church has also been painted, and the committee deserve great credit for having it done. The design of painting has been the work of Mr. Duncan, of Summerside, and reflects the greatest of credit on him, whose ability in this line is hard to surpass. We also understand he has been engaged to beautify Mr. Stephen Haslam's house which has been erected during the past year.

THE death occurred at West Point, on Sept. the 19th, of Stephen Smith aged 50 years. The funeral service which took place on the 21st ult, was attended by a large number of people from far and near who came to pay the last tribute of respect to our departed friend. Upwards of sixty carriages followed the body to its last resting place in the Presbyterian Cemetery near West Point. The deceased was a man who was loved by his friends and highly respected by those who had the pleasure of his acquaintance. Of him it might truly be said that he had not an enemy in the world. Among "the boys" he was familiarly known as "Stephen" and his memory will remain with them long after the body has mouldered to its kindred dust. He will be missed in the social circles which he enlivened by his presence in the Church of which he was a staunch adherent and by the political party which he faithfully supported during his life time. But whilst we mourn him, we mourn not as those without hope. We feel assured that he is called to the enjoyment of a higher life, and that our loss is his gain.—COM.

Feathers to Stockings

Economical Suggestions for Women and Girls.

The hat and bonnet, with its trimmings of feathers, ribbons or velvet, the silk neck scarf and tie, the cape, jacket, blouse, waist, skirt, sash and stockings, are all outward articles of feminine attire costing considerable money, and demand close attention, so that daily neatness and good taste be maintained from day to day. When articles of everyday wear such as we have mentioned become faded and dingy, they are usually cast aside by the inexperienced and careless, who forget that the garments are still whole and yet serviceable. A few economical suggestions at this time will be useful. Thrifty, wise and economical women and girls know just what to do when confronted with such a problem. They have a full knowledge of what can be done with the wonderful Diamond Dyes, these marvellous money savers, and they act accordingly. They use Fast Black Diamond Dyes prepared especially for feathers, which give a deep, rich and lasting black, making the feathers equal to new ones. Their dull and lifeless silk ties, scarfs, sashes and gloves are quickly made new creations by the Diamond Dyes. The faded jacket, cape, blouse, skirt and stockings are magically transformed to suit the wearer. Wise women know well that failures are impossible when the popular Diamond Dyes are used, as the manufacturers provide special black dye for feathers, and special dyes for silk, wool, all cotton, and for every makes mixed or union goods.

ECZEMA ON BABY

My little six-months old girl had Eczema. We used all kinds of remedies, but she kept getting worse. I used to wrap her hands up, and to dress her, had to put her on the table. I could not hold her, she would kick and scream, and when she could, she would tear her face and arms almost to pieces. Four boxes of CUTICURA (ointment), two cakes of CUTICURA SOAP, and CUTICURA RESOLVENT cured her, and no traces are left. Feb. 7 '98. Mrs. G. A. CONRAD, Lisbon, N.H.

KLONDIKE BAR

THE management of the Charlottetown Soap Works, announce to the farmers of Prince Edward Island, that they have purchased at a very low figure for a term of years all the grease by-product of the Charlottetown Pork Packing Factory, accumulating from time to time, and are in a position to supply farmers and others with a cheap soap of superior quality to the home-made article, and at a price so low as to make it scarcely worth while to worry about soap supplies hereafter. KLONDIKE BAR will be for sale in a few days by all dealers at the low price of ten cents a bar of three pounds. THINK OF IT.—A first-class laundry and scouring soap only 10 cents for \$10. It will be a waste of time and money for farmers to bother about soap making now. The grease has been sold to the Pork Factory for 5 cents per lb. will be returned to him, his unmanufactured into a first class article of soap at a cost of a fraction over 3c per lb.

MRS. HOOPER ESCAPED.
Because She Used Dodd's Kidney Pills and so Cured Female Weakness.
Norwich, Ont., Oct. 3.—Mrs. J. S Hooper, wife of Mr. J. Stanley Hooper of North Norwich township, is a living proof of the unapproached value of Dodd's Kidney Pills, in the treatment of diseases of women.
Mrs. Hooper was a martyr to Female Weakness and Kidney Disease for twelve years. Norwich, Detroit and Buffalo physicians treated unavailingly. She then tried Dodd's Kidney Pills. Four boxes, cured her thoroughly, and made her as healthy, strong and vigorous as she ever was. Dodd's Kidney Pills are women's best friends.

The medical Profession Recommends Dr. A. W. Chase's Ointment
Dr. C. M. Harlan, writing the American Journal of Health, February 10th, says:—"Among the proprietary medicines deserving recognition is Dr. Chase's Ointment, as a remedy for Piles. Eczema skin eruptions of all kinds, for which it has been used with marked success and has effected remarkable cures in many obstinate cases which seem to baffle the skillful medical attendant."

MR. MONTAGUE, DUNVILLE, ONT., Has an Interesting Chat About Dr. Chase's Ointment. HIS SUFFERING FROM ULCERATED PILES CURED.
He says:—"I was troubled with itching piles for five years, and was badly ulcerated. They were very painful, so much so that I could not sleep. I tried almost every remedy heard of, and was recommended to use Dr. Chase's Ointment. I purchased a box, and from the first application got such relief that I was satisfied a cure would be made. I used in all two boxes, and am now completely cured.
Every remedy given by Dr. Chase cost years of study and research, and with an eye single to its adaptation for the ailments for which it was intended. Dr. Chase detested curatives, and it has been proven ten thousand times that not one of his formulas leaves a bad after-effect. Dr. Chase's Ointment is based on lanoline, and the best physicians prescribe it.

MR. M. T. Wigle, of Kingsville, Essex Co. Cured of Itching Piles of 23 Years Standing. Physicians Fail to Make a Cure When Dr. Chase's Ointment Gave Immediate Relief.
M. T. Wigle, better known to every one in the vicinity as "Uncle Mike," was troubled for over 23 years with itching piles. At times he was so bad he would have to quit work. The irritation became so intense with constant rubbing that they became ulcerated and would bleed. He had been treated by many physicians, but found nothing that gave him relief. Reading in the paper the cure of a friend who had suffered in a like manner, and being cured by Dr. Chase's Ointment, he procured a box. After the third application he got such relief that he had the first comfortable night's sleep he enjoyed in years. The one box made a complete cure, and he says he would not be without it for \$50 a box if it could not be replaced. Mr. Wigle is a wealthy farmer, well known in the community in which he resides. It is over two years since he was afflicted, and he has never been troubled since.
