SERIOUS ACCIDENT — The many friends of Mr. Stewart MacNevin of Bonshaw, now employed with the Storms Construction Co., at Hearst, Ontario, will learn with regret of his serious accident on Monday last. In some manner which was not fully disclosed a gasoline explosion occurred and Mr. MacNevin was badly burned about the face hands and neck. He was immediately rushed to the hospital at Hearst, by train, accompanied by Neil MacPhail of Argyle Shore, and Ray Bagnall of Hazel Grove, where he was obliged to remain on the operating table for four hours. The latest word received by his wife informed her that: (after suffering intense pain for the first few days) he is now resting comfortably, although the condition of his eyes at first was considered very grave. It was pleasing to learn his sight will not be affected. Mr. MacNevin has a wide circle of friends and for the past three years has been a successful driver for the Storms Co. He spent last summer employed at the R. A. F. Reconnaissance School at Charlottetown. His many friends wish him a speedy recovery.

RECRUITING OFFICE RE-ARRANGED — The Royal Canadian Air Force recruiting office at 25 Kent Street is quite busy. The mission to the Women's Auxiliary, flying Officer A. M. Many favorable comments are made about the striking decorations in the building. The recruiting officers room, the information and orderly rooms are all situated on the ground floors. NORTH CAPE LIGHTHOUSE ATTRACTION VISITED — It is reported that a number of people, who have visited Prince Edward Island, have certainly gone from one end of the Province to the other. A few days ago Mr. Regent of the Travel Bureau was at North Cape in connection with some moving pictures of the island and saw a register which has been kept by Mr. Morrissey the Lighthouse Keeper. From July 22nd to August 24th 172 persons climbed to the top of the Lighthouse and signed their names in this book. Miss Lillian Morrissey, the daughter of the Keeper, is quite an amateur artist. She gathered up, during the summer, a number of glass trol floats which drifted in from the sea and painted a picture of the lighthouse on them, and she also did the same with a number of beautifully shaped stones, which she gathered on the shore. She said all she could paint during the summer. The following are some of the names of places from which visitors came, who registered at North Cape this summer: Quincy, Mass.; Boston, Mass.; Halifax, Nova Scotia; Brockton, Mass.; Quebec, P.Q.; Fairfield, Maine; Rockland, Maine; Vancouver, B.C.; Dorchester, Mass.; Lunenburg, N.S.; New York, N.Y.; Chicago, Illinois; Lowell, Mass.; West Orange, N.J.; Salem, Mass.; Amherst, Nova Scotia; and Denver, Colorado. Two very interesting visitors were Mr. and Mrs. Bixler from Ireland who were on their first trip to Prince Edward Island.
