P. E. I. TUBERCULOSIS LEAGUE

The officers of the P.E.I. T.B. League, have received the following letter for their work: I have received your very nice and interesting letter with the sheet of 100 beautiful Christmas Seals and the old but ever new and loving Christmas wish; also a statement of the wonderful work done by you and the staff working under your supervision.

Please accept my thanks with a small \$1.00 bill which I would like to be much larger, but times are a little hard. I enclose the report of the work done in Switzerland by the League. It made my heart good so I thought I would send it to you. I am in the hope that, if the report of Canada was printed it would be just as wonderful as the one enclosed.

May God bless your charitable work and may we, the Island people, help more generously.

Eventually places are found for them all places of relative security, but their belongings of all kinds are destroyed. The task of emergency feeding alone is difficult. The task of setting them up once more with some quantity of clothing and bedding is much more difficult. To meet these enormous needs, funds have been started in various parts of the world. Her Majesty's use of her name in connection with the Dominion campaign, which is officially known as "The Queen's Canadian Fund for Air Raid Victims."
