ISLANDERS who intend going to Sydney should consider the lack of houses and accommodation. An exchange says: "The scarcity of quarters in the town of Sydney is well shown by the fact that a five roomed one and one half story building, occupied by a man, his wife and two grown up daughters, shelters 21 boarders."

The Patriotic Dance at Pownal Thursday evening was a grand success. The Pownal hall was tastefully decorated for the occasion. A large number of citizens were in attendance. After the dance the guests repaired to the Forester Hotel where refreshments were served, in an up-to-date manner. The proceeds were in aid of the Patriotic Fund.

The St. John Globe of March 5th, says The pastor, Rev. R. W. Weddall, preached on Sunday evening a sermon from Psalm 67, 5-7: "Let the people praise Thee, O God, let all the people praise Thee," etc., with special reference to recent events in South Africa, the death of Corporal Withers and Private Johnston, of this city, and the wounding of Fred Coombs, a member of the congregation.

In a few days Messrs. Morris & Smith will open a boot and shoe store on the corner of Richmond and Queen Streets in the building recently occupied by Messrs. Johnson & Johnson's down town drug store. Both gentlemen are favorably known in the city and no doubt will receive a share of the trade. The store is being renovated by Mr. D. Howlett, and the building has been shelled and a counter placed.

YESTERDAY the farmers took advantage of the sleighing and the market received a large attendance. Upwards of 80 loads of hay exchanged hands, their price remaining about the same as last week. Those who sold them in small lots, secured 21 cents. A few loads of turnips exchanged hands at 11 cents. Butter sold for 22c and eggs were offered at 12c.

The report of the Sixth Annual Convention of the Sunday School Association held in the Methodist Church, Summerside, on October 4th and 5th is to hand, and reflects a great deal of credit on the Editor, Rev. G. P. Raymond. The report contains a list of the delegates in attendance at the convention and the officers for 1899-1900. Besides the report of proceedings a historical sketch of the P. E. Island Sunday School Association and the Sunday School statistics are given by counties and denominations. In the Home Department many excellent selections are produced. The advertising patronage represents many of the enterprising and first-class business people of the city. The book is neatly printed, the work being done by J. D. Taylor.

Bentley's Liniment cures Sprains, Strains, etc.

Some people think that lettuce is more for ornament than use. This is a great mistake, for it is well known to contain valuable medicinal properties, and the advice of a prominent physician of New York is timely. He says: "Throw pills to the dogs," and also hints that most people are made sick more by the quantity of food consumed than the quality. He strongly advises a daily use of some green food such as lettuce, celery, etc., etc., and adds that the use of fresh green vegetables corrects any bad results accruing from a constant meat diet. Our green goods sale commences this morning. "No shop worn goods on our counter." All manufactured this season.—J. J. GAY & SON, Charlottetown market, head of Prince Street, Telephone 180. The North Side News, of Feb. 24th, published in New York contains the following: In spite of the inclement weather, a large audience listened to the excellent entertainment given in the parish house by Mr. H. A. Tanton, organist and choirmaster of the Chapel of the Heavenly Rest, and his friends, for the benefit of St. Mary's church. The Kroeger piano was used, and was very satisfactory. The entertainment consisted of instrumental and vocal music, and recitations. All performers were vigorously applauded. The piano duet, "La Sonnambula" by Messrs. Tanton and Leffingwell, and the piano solo, "Der Freischuetz," by Mr. Tanton, gave evidence of a mastery of the piano which was much admired. Mr. Tanton's ability to sing a baritone solo, followed by a high soprano solo by the same singer, showed a most remarkable and unusual range of voice. [Prof. Tanton was formerly organist of St. Paul's Church, Charlottetown.]

Given Up to Die ...by Two Doctors

The Third Doctor Used Dr. Chase's Nerve Food and Saved the Young Lady's Life.

Dr. J. W. Bates, of Corfu, N.Y., states: "A most remarkable case has come under my hands of late and has fully convinced me of the wonderful power of Dr. Chase's Nerve Food over diseases of the nerves. "A young lady who was treated for over two years for epilepsy by two doctors was given up to die. She came to me, and on careful examination, I found that her sickness was not epilepsy, but nervous trouble due to menstrual derangements, and prescribed four of Dr. Chase's Nerve Food Pills a day, after meals and at bedtime. It is three months since she began this treatment and she has not had a single bad spell. Her health has rapidly improved, she has gained about fifteen pounds in weight, and I do not hesitate to state that Dr. Chase's Nerve Food has saved her life and made her well. "Signed, J. W. BATES, M.D."

Dr. Chase's Nerve Food is the world's greatest restorative for pale, weak, nervous men, women and children. 50c. a box, at all dealers, or Dr. A. W. Chase Medicine Co., Toronto. Book on Nervous Disease free.

price is important.

BUT QUALITY must also be taken into consideration. It is real value rather than apparent cheapness that the intelligent housekeeper seeks. WELCOME is not the cheapest Soap in price, but it will last longer, do the most satisfactory work, and is economical to use.

Used it continuously

I take pleasure in stating that I have been using Dearborn's Perfect Baking Powder continuously since it was first placed on the market. I have every confidence in it and consider it a superior article.
