In the course of his sermon, Mr. Penwick spoke of the gift of remembrance with which we were endowed and emphasized two precepts in the Old Testament which were admonished to remember - "Remember now thy Creator in the days of thy youth" and "Remember the Sabbath Day to keep it holy." A special feature of the service was the singing of two solos by Cpl-instructor Philip Daniels, R.C.F., which added greatly to the inspiration of the service. Mr. Penwick spoke feelingly of his happy fellowship with the people of the churches whom he served, and with his neighboring pastors and people. The singing of "Blest be the tie that binds and the National Anthem" was followed by the Benediction. (Patriot please publish).

It's UNPATRIOTIC To Catch a Cold! Gives Solution To Pickling Sugar Problem. A resourceful member of the Women's Regional Advisory Committee of the Wartime Prices and Trade Board in Charlottetown has apparently solved the "pickling" problem. She let the other members in on the secret at a meeting of the Committee held yesterday afternoon. Sugar rationing regulations did not permit the use of this commodity in pickling this season. However, this did not deter the Charlottetown lady. Hearing from a friend of hers that the sugar beet here could be used to advantage in this respect she tried the recipe and found it worked. The process is as follows: Take some sugar beets, scrub them well, grate fine, then cover with water. After boiling for half an hour, strain them. Then boil the liquid until it is reduced to about 50 per cent of its original volume. This gives a thick syrup which is fine for pickling. Mrs. E. S. Coffin, chairman of the Committee, gave an interesting report on the recent conference of the Women's Regional Advisory Committee in Ottawa at which she was present. She outlined the highlights of the conference. The matter of voluntary assistance in the proposed housing survey and the question of local ration boards were also discussed at the meeting which was well attended. Nellman, head Roman Catholic Chaplain in Canada, and a native of Tignish, was one of his close friends. In addition to this his former cook, now in the Royal Service, was Miss Bernadette O'Rourke of Tignish. Before the address last evening, he had dinner with members of the Provincial Executive Council and Hon. Dr. W. J. P. MacMillan, leader of the Opposition. Hon. J. P.
