How Do You Get That Way?
A young woman writes to inquire how to tell when she is in love and when it's the weather. She says she cannot always differentiate between the depression that comes from the gloom and the rain, and the tickling of the heart. The two moods are identical so far as she is able to analyze them.—Berkshire Eagle.

High Average Mileage

Sometimes you find a tire that gives extraordinary mileage—one in a dozen perhaps. Whereas the average of mileage given by a dozen—or a hundred—Ames Holden "Auto-Shoes" will be as high as that given by the exceptional ordinary tire.

It's the high average that counts—that cuts the cost of miles—that makes it worth while to get Ames Holden "Auto-Shoes" instead of ordinary tires.

Athletic Meet Next Monday

The first of a series of athletic meets will be held Monday evening at the C.A.A. grounds at 6.15, under the auspices of the Abegweit Club and the direction of William Halpenny, famous Island Athlete, who has been training the boys in the different lines of athletic endeavor, and as he says himself, they are rounding into shape wonderfully, and are right on edge for the coming contests.

Mr. Halpenny started his work as trainer on June 1st, and has been hard at it ever since instructing the athletes with the judgment and precision only known to an expert in this line.

The merchants and all the citizens in general are behind the Abegweit Club and Mr. Halpenny in this great work of keeping up the spirit and furthering athletics on Prince Edward Island.

The coming meet which promises to be a good one, as judged by the large number of entries, will be followed by fortnightly meets hereafter. A number of events will be put on for militia only. It is also planned to run military events during camp, a big meet Labor Day and an interscholastic meet early in September.

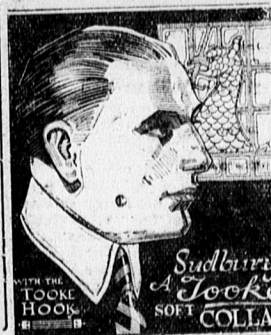

No doubt the people of Charlottetown appreciate what the Abegweits are doing for the boys, and will turn out by the hundreds Monday evening to encourage them along. If weather is unfavorable, the sports will be held evening following.
