"Our boys' clothing is the best made. There is something more than looks something more than the price to be considered when a suit is being bought for the school boy. There's the inner parts to be considered, where the wear centers, the lining, the canvas, and the character of the work that has put it together. Our boys' clothing is made by the best makers in Canada, and your not buying a pig in a poke, but taking it on trust that it's the best boys' clothing made and the best values. Wear will prove its worth. Prowse Bros Ltd. 8-31dl3.
