Predicts Increase In Railway Revenue

(By The Canadian Press)

OTTAWA, July 22 - Canadian
railway revenue will jump by
more than \$80,000,000 this year
over 1946 without the railway re-
sponding to further rate increases,
an economist predicted today be-
fore the Board of Transport Com-
missioners.

Striking at the railways' claim
that they need 30-per-cent freight-
rate increases to raise an addi-
tional \$87,000,000 Robert E. Moffat,
Manitoba economic expert, esti-
mated the Canadian National Rail-
ways would get \$87,000,000 in ad-
ditional revenue over 1946 on cur-
rent rates, against \$48,000,000
which the company originally es-
timated it would receive from the
proposed increase.

The Canadian Pacific Railway,
said the economist, would obtain
more than \$31,000,000 on the same
basis, compared with some \$37,
000,000 it sought initially through
increases in its charges.

The statistical and financial presen-
tation for Manitoba counsel Wil-
son E. McLean as the rate in-
quiry entered one of its final
stages, based his revenue forecast
on an estimated available ton-
nage of 153,028,000 for the Cana-
dian railways this year.

This figure was 10.5 per cent
over last year's total of 138,527,000
tons by the railways last year and
would crowd the record 154,845,
000 tons of 1944.

Paris was the largest city in the
world for 1,000 years.

EX-POLICEMAN SHOTS AT SENATOR, MISSES

A disgruntled ex-policeman of
Washington, D.C., William L.
Kaiser, fired two shots at Sen-
ator John W. Bricker and missed him.
Kaiser was apprehended two hours
later and has been charged with
assault with intent to kill. Bricker
said that Kaiser apparently had
lost his mind in the liquidation of
a Columbus, Ohio building and loan
company while the senator was Ohio
state attorney-general, and the
other for loss of his job on the
Capitol police force.
