Free Records

* Free records is a phrase much used now-a-days by some who would have the purchaser believe he is getting something for nothing.

WE DO NOT GIVE ANY FREE RECORDS!

We sell Gramophones and Records at Lowest Prices consistent with fair dealing to our customers and ourselves, and the public may as well understand that in the final analysis THERE IS NO SUCH THING AS FREE RECORDS.

Did we give free records it would be necessary for us to charge more for our gramophones, or furnish AN INSTRUMENT INFERIOR IN QUALITY. In either case the purchaser when he would come to know the truth would be sore, not only on us, but on the music business in general. We believe ours is an honorable business, and are determined to keep it so by selling honest goods at honest prices.

No catch penny offers here, rather

A SQUARE DEAL TO ALL!
