

SAVE FOOD

In a time needing food economy many people are not getting all the nourishment they might from their food. It is not how much you eat, but much you assimilate, that does you good.

The addition of a small teaspoonful of Bovril to the diet as a peptogenic before meals leads to more thorough digestion and assimilation and thus saves food, for you need less.

The great racing Pedalmobile is built exactly like a 4 cylinder 10 horsepower motor. It has a long wheel base, a wide wind shield, gasoline tank, three speed gear, steering wheel, radiator, horn, lamp, etc.

HERE IS THE GRANDEST PROPOSITION EVER MADE

BOYS, you can own this big, handsome racing Pedalmobile and be the pride of the town.

Pedalmobile is the greatest thing ever invented. You simply jump in the car, start the motor, and your feet to the pedals and you are off.

Put on your coat and pedalling, turn the steering wheel, blow your horn if you wish, and you are off. You can go anywhere you need to go. In fact, the Pedalmobile will do everything a car can do, and it is much more economical. It has a long wheel base and a wide wind shield. It is built like a car, and you can get a racing Pedalmobile absolutely free in a limited time.

If you are a like-minded boy, you can own this great Pedalmobile and be the pride of the town. Write to us today for a free literature and we will send you a free literature and we will send you a free literature.

MONDAY

LIGHTHEART-McGREGOR WEDDING—The marriage took place in Vancouver in the presence of their near relatives, of Miss M. Louise MacGregor and Mr. Oliver R. Lighthouse, Wednesday evening March 20th, by Rev. J. L. Campbell, D. D. of first Baptist Church, Mr. and Mrs. Lighthouse left immediately for a trip to Seattle, San Francisco, San Diego and other points. On their return they will be "at home" to their many friends, 1029 Nicola St., Vancouver.

Miss McGregor was a daughter of the late Mr. Henry McGregor, of Montreal, and her many home friends will join in heartiest congratulations.

Citizens will be shocked to learn of the death in Montreal yesterday afternoon at three o'clock, of Mrs. Duffy, wife of Mr. James P. Duffy, Poulton street.

Mrs. Duffy had not been in good health for a number of weeks, but the illness was not considered serious.

It was decided to secure the treatment of specialists in Montreal and so she left for that city Thursday morning last, accompanied by her husband and the family physician.

Besides the suddenly bereaved husband and children there are left to mourn two sisters in St. Louis, Missouri, and a mother in this city.

The body, accompanied by Mr. Duffy, left Montreal last night.

PRESENTATION—Dr. A.C. Lundie was waited upon by members of the Charlottetown Chess Club Saturday afternoon, and presented with a handsome silver mounted pipe, on the eve of his departure to reside in Montreal. Dr. Lundie acknowledged the gift in a very happy manner and referred to the many enjoyable evenings and outings of the Chess Club, and hoped that these pleasures might be enjoyed again on some future occasion. Dr. Lundie learned chess with the Charlottetown club, and in 1916 won the Ross challenge Enoch Trophy for the best play for that year. Not only the Chess Club members, but many citizens, will regret that Dr. Lundie, Mrs. Lundie and family are leaving the province, and wish them a pleasant voyage and a welcome return some day to the Garden of the Gulf.

—RETURN HOME.—Among the recent arrivals by the Car Ferry were Mr. John H. Coughlin, Birmingham, returning home to attend to his farming interests, after spending the winter employed in a munition factory at Trenton, Nova Scotia, and Professor S. A. Rockford, proprietor of the Hiball Farm, Palmer Road, who has spent the winter on a business trip through the principal cities of Canada and the Southern States, several weeks being spent at Halifax. The Professor on his travels gathered up a few pairs each of Oryzopsis, Buff Prizes and the Belgian Hare, these will be placed on the "Farm" for raising purposes. These Hares are now largely used for food throughout Canada and when dressed have the appearance of Spring lamb and at present the meat retails at 22 cents per lb at Halifax as the recent law prohibited the killing of wild rabbits for two years has caused a scarcity of this commodity.—H.

On Friday night, shortly after nine o'clock a fatal railway accident occurred at Albany station, resulting in the death of Mr. James R. Cameron, a section man, and respected farmer of that place.

The Borden train was tied up at that station for a while on account of snow, and Mr. Cameron, who often served as a section man, and has been employed this winter at snow fighting, was among the men who were working to clear the track.

Having finished his allotted task, he walked to the rear of the train and proceeded along a siding towards his home, when a string of freight cars were shunted to the siding, and a pair of trucks passed over his body before any warning could be given.

His left arm and shoulder were bruised, the left cheek was cut, and he sustained other injuries. He died at midnight Friday.

He was sixty years of age, a brother of Mr. Charles Cameron, station agent at Albany, and a near relative of Marshal Cameron, city.

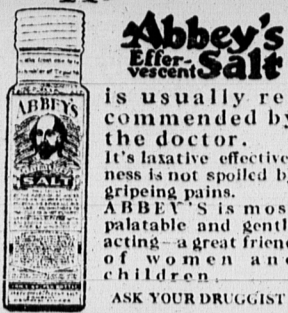

Dr. Docherty, coroner, Cape Traverse, has decided that an inquest is unnecessary, as the death is purely accidental.

The death occurred at Fort Augustus on March 27th of Peter Hughes, an old and respected resident of that place at the advanced age of 83 years. Deceased was a man of quiet retiring manner and although an invalid for some time, his death has left a gap in the family circle which never can be filled. He received the last rites of the Catholic Church, of which he was a devout member. The funeral which was held on Friday afternoon to St. Patrick's Church was followed by a large concourse of people, the services at the grave being conducted by the pastor, Rev. A. J. McDonald. There are left to mourn his widow, two sons, and three daughters, namely John on the homestead, Francis, settled nearby, Mrs. Henry Hayes and Margaret of Charlottetown and Mrs. Robert Duffy of Fort Augustus, also one brother and two sisters, namely James and Alice, living at Fort Augustus and Mrs. James P. Duffy of East Royalty. The pallbearers were James Dalton, Patrick Kelly, John Callaghan, Michael Curley, Patrick McGuirk, James Hughes. May his soul rest in peace. (Other papers please copy.)

Wora has reached this province of the passing away of one who belonged to a highly respected family and who had many relatives and friends here.

We refer to Mr. Samuel McKinnon who died suddenly at Santa Cruz, California on Feb. 14th, 1918 in the 71st year of his age. Deceased was the son of late Dugald McKinnon of Point Prim and brother of John McKinnon of that place. He also leaves three sisters namely Mrs. Philip Acorn of Bridgetown; Miss Isabella of Point Prim; and Mrs. Thomas Bears of Brooklyn. Mr. McKinnon has made his home for many years in California but frequently visited his native province and his friends looked forward to seeing him again during the summer of 1918, but death has intervened.

Patriot and Examiner please copy.

There passed peacefully away in St. James Hospital, Butte, Montana, on March 26th, one of our noblest and best citizens, Mrs. Eugene Melvor. Deceased, who was in her twenty-eighth year, apparently in the midst of life and health was suddenly called away after an illness of two days. Surrounded by her sorrowing husband, little family and the good sisters of the hospital she calmly breathed forth her soul into the hands of its Maker.

The late Mrs. Melvor possessed a most beautiful character and enjoyed the respect and love of all who knew her. But in home she most manifested her qualities of mind and heart, her patience and resignation in trials, her generous self sacrifice and her mild and gentle manner are an inspiration to her bereaved family.

During her illness she was visited by her kind pastor, who administered to her the sacred rights of the Catholic Church of which she was a faithful and devout member, and there is little doubt that she has heard those words which she ever kept before her in all trials, "Well done thou good and faithful servant because thou hast been faithful over a few things I will make thee ruler over many."

Her remains accompanied by her grief-stricken husband arrived at her father's home, Mr. John Clark, Emma vale, Tuesday evening, April 2nd. Her funeral, which was a very large one took place on Thursday morning April 4th at St. Ann's Church, Lot 46, where a requiem high Mass was celebrated by Rev. Dr. Curran. After which all that was mortal of a kind, loving wife and mother was laid to rest in the adjoining cemetery.

Besides her sorrowing husband and five small children including an infant baby, she leaves to mourn, a father and mother, four sisters and three brothers. To the bereaved husband and family the heartfelt sympathy of the whole community is extended in their sad trial. May her soul rest in peace.

Saturday morning the sad news was conveyed to Mr. E. T. Higgs that Mr. Richard C. Goff, founder of the shoe business of Goff & Co., city, had died suddenly in Victoria, B.C., on Friday night, at the comparatively early age of 60 years.

The late Mr. Goff was a native of Woodville, Lower Cardigan, King's County. At an early age he came to Charlottetown, and associated himself with his brother, Mr. Lewis Goff, for a short time in the grocery business here, after which he went west and engaged in mining for several years. He then returned to Charlottetown and with others established the large Boot and Shoe Manufacturing business, also a wholesale and retail shoe store. This, by strict attention and the exercise of ability and assiduity and untiring work, he developed until it became the largest industry of its kind in the province.

Mr. Goff was of an inventive turn of mind, and had several practical patents credited to him. Among these are the famous ice creepers, which so many people have found of great benefit on city sidewalks, a revolving heel, which dispensed with run down shoes, and also the famous Goff adjustable neckband for shirts, which first made it possible for men to get a shirt neckband that would fit perfectly and yet not interfere with the circulation of blood.

Feeling the necessity of rest after a most strenuous career, Mr. Goff closed his shoe factory some years ago, and also disposed of his wholesale shoe business. He still retained however the retail business in Victoria Row.

His wife and family have been living in Toronto for some time, but on Mr. Goff rejoining them last fall they journeyed to Victoria, where they intended to make their future home.

In his business relations Mr. Goff was justly regarded as one of the most upright and honest merchants in the community. For a lifetime he was a consistent member of the Methodist church, and for long years he was one of the most prominent temperance workers, and noted for his sincerity in the cause throughout the province.

He married Miss Millie A. Higgs, sister of Mr. E. T. Higgs, city, and be-

slides her there are left to mourn a family of two sons and two daughters. The former are Neville and Willard, and the daughters are Maude and Evelyn. One brother, George, still resides at Woodville, and the rest of the family are settled in the Western States and California.

TUESDAY

ANOTHER ISLANDER HONORED.

It is pleasing to note that another Islander has won fame on the battlefield in Flanders, for conspicuous gallantry and devotion to duty. Sergeant Major Ernest Ellmore Stevenson has been awarded the D.C.M. which, next to the V.C. is the highest honor conferred on N.C.O.'s. Sergeant Major Stevenson, who is a native of New Glasgow, and spent his boyhood days at Wheatley River, first entered the military service as private in the 10th Company, 52nd Battalion, then in command of Capt. Albert Shaw. The second year at camp saw him a company sergeant. Having a true martial spirit he is signed on for garrison duty as an artilleryman and was sent to Esplanade, later transferred to Quebec. At the time the 105th was being raised in P. E. Island, he offered his services to his native province, but could not obtain release from the permanent force. Later he was employed at different camps as instructor till finally No. 8 Siege Battery, to which he was attached for overseas service. He has been in the thick of the fight since May of last year. It may be remarked that Sergeant Major Stevenson has four brothers serving the King, two being with him in France.

The gentle spirit of Philomena, youngest daughter of Mrs. Graciana Blanchard, Rustico, P. E. I. was called away to the "land of eternal happiness" on Wednesday morning April 3rd at the early age of seventeen years. All that could be done by kind and loving friends had been tried, but failed and the weary hours of illness had gone forever.

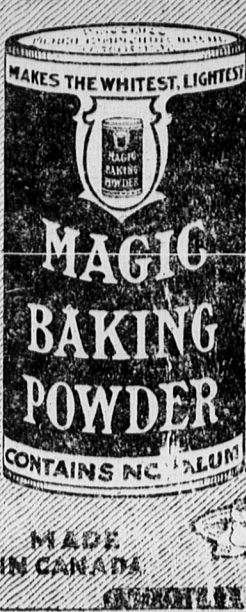

The deceased was a bright and lovable young girl the sunbeam of her home, and her amiable gentle disposition won for her a large circle of friends whose love and friendly feelings follow her beyond the grave. The dear young girl had been ill for a long time but though ailing so long it was not expected even by the members of her own family that death so certain to all would come so soon. The fatal nature of her disease baffled the powers of medicine and slowly but surely undermined her constitution until at last it completed its dread work by closing her eyes forever on the scenes of this life. She received with great faith and piety the last Sacrament of the Holy Church administered by her pastor Rev. John Chasson and with trembling lips pronounced the last prayers that purify the soul for its final departure.

A loved invalid mother, six sisters, Lucy and Emelia at home; Mrs. Ann and Phoebe, Rustico; Mrs. Maxine Peters, St. Louis, P. E. I.; Mrs. Helaine Peters, Oyster Bed Bridge; Mrs. Peter Gallant, Oyster Bed Bridge; three brothers Peter at home; Elias at Woburn, Mass.; and Stanislaus at Dalhousie, N. B. mourn the early death of this life. She received with great faith and piety the last Sacrament of the Holy Church administered by her pastor Rev. John Chasson and with trembling lips pronounced the last prayers that purify the soul for its final departure.

On Thursday morning the 4th at 9 o'clock Requiem High Mass was celebrated by Rev. John Chasson for the repose of the departed soul at St. Augustine's church, Rustico.

The pall bearers were: Curtis Doucette, Mathias Martin, Benoit Doucette, Joseph Doucette, Claude Craspin, Pater. Patriot and Examiner please copy.

Women! Keep It On Dresser! Never Let Corns Ache Twice

Instantly! Few drops stop corn-soreness, then corns and calluses shrivel, loosen and lift out with fingers—No pain!

The world owes thanks to the genius in Cincinnati who discovered frezone.

Tiny bottles of the magic fluid can now be had at any drug store for a few cents. You simply apply a few drops of this frezone upon a tender, aching corn or a hardened callus. Instantly the soreness disappears and shortly you will find the corn or callus so loose and shriveled that you lift it off with the fingers. Not a bit of pain or soreness is felt when applying frezone or afterwards. It doesn't even irritate the skin or flesh.

For a few cents one can now get rid of every hard corn, soft corn, or corn between the toes, as well as painful calluses on bottom of feet without any pain. Ladies! Keep it on the dresser.
